DAY 2

Enjoy a hot cup of organic coffee or tea from Harwich Central Café while sitting on the porch of Brooks Free Library – FREE WiFi! Take the kids to the fully accessible children's playground in Brooks Park and then ice cream at Katie's.

DAY 3

Take a trip down Bank Street for an afternoon at the beach and shops of Harwich Port. Pick up beach snacks at Hemeon's Fruit and Vegetables. Saunter back at sunset with a stop to see the enchanting display of bluebirds and fireflies dancing over Bank Street Bog. Learn more about bluebirds at www.harwichconservationtrust.org and fireflies at www.mos.org/firefly.

Day 4

Set-off to explore Harwich's natural assets along the Old Colony Bike Trail. Meander through the many trails around town including the Cape Cod Lavender Farm and Cedar Spring Herb Farm. Re-fuel with lunch and snacks at the Pleasant Lake General Store and cool off with a dip in Long Pond.

Day 5

Visit Brooks Academy Museum and learn more about the history of the cranberry industry. The museum also offers "Walking Through Harwich" – a brochure with a self-guided tour of historic Harwich homes. Take in the Harwich Garden Club's colorful masterpieces at the many parks throughout the Center or spend the afternoon playing a few holes at the Cranberry Golf Course.

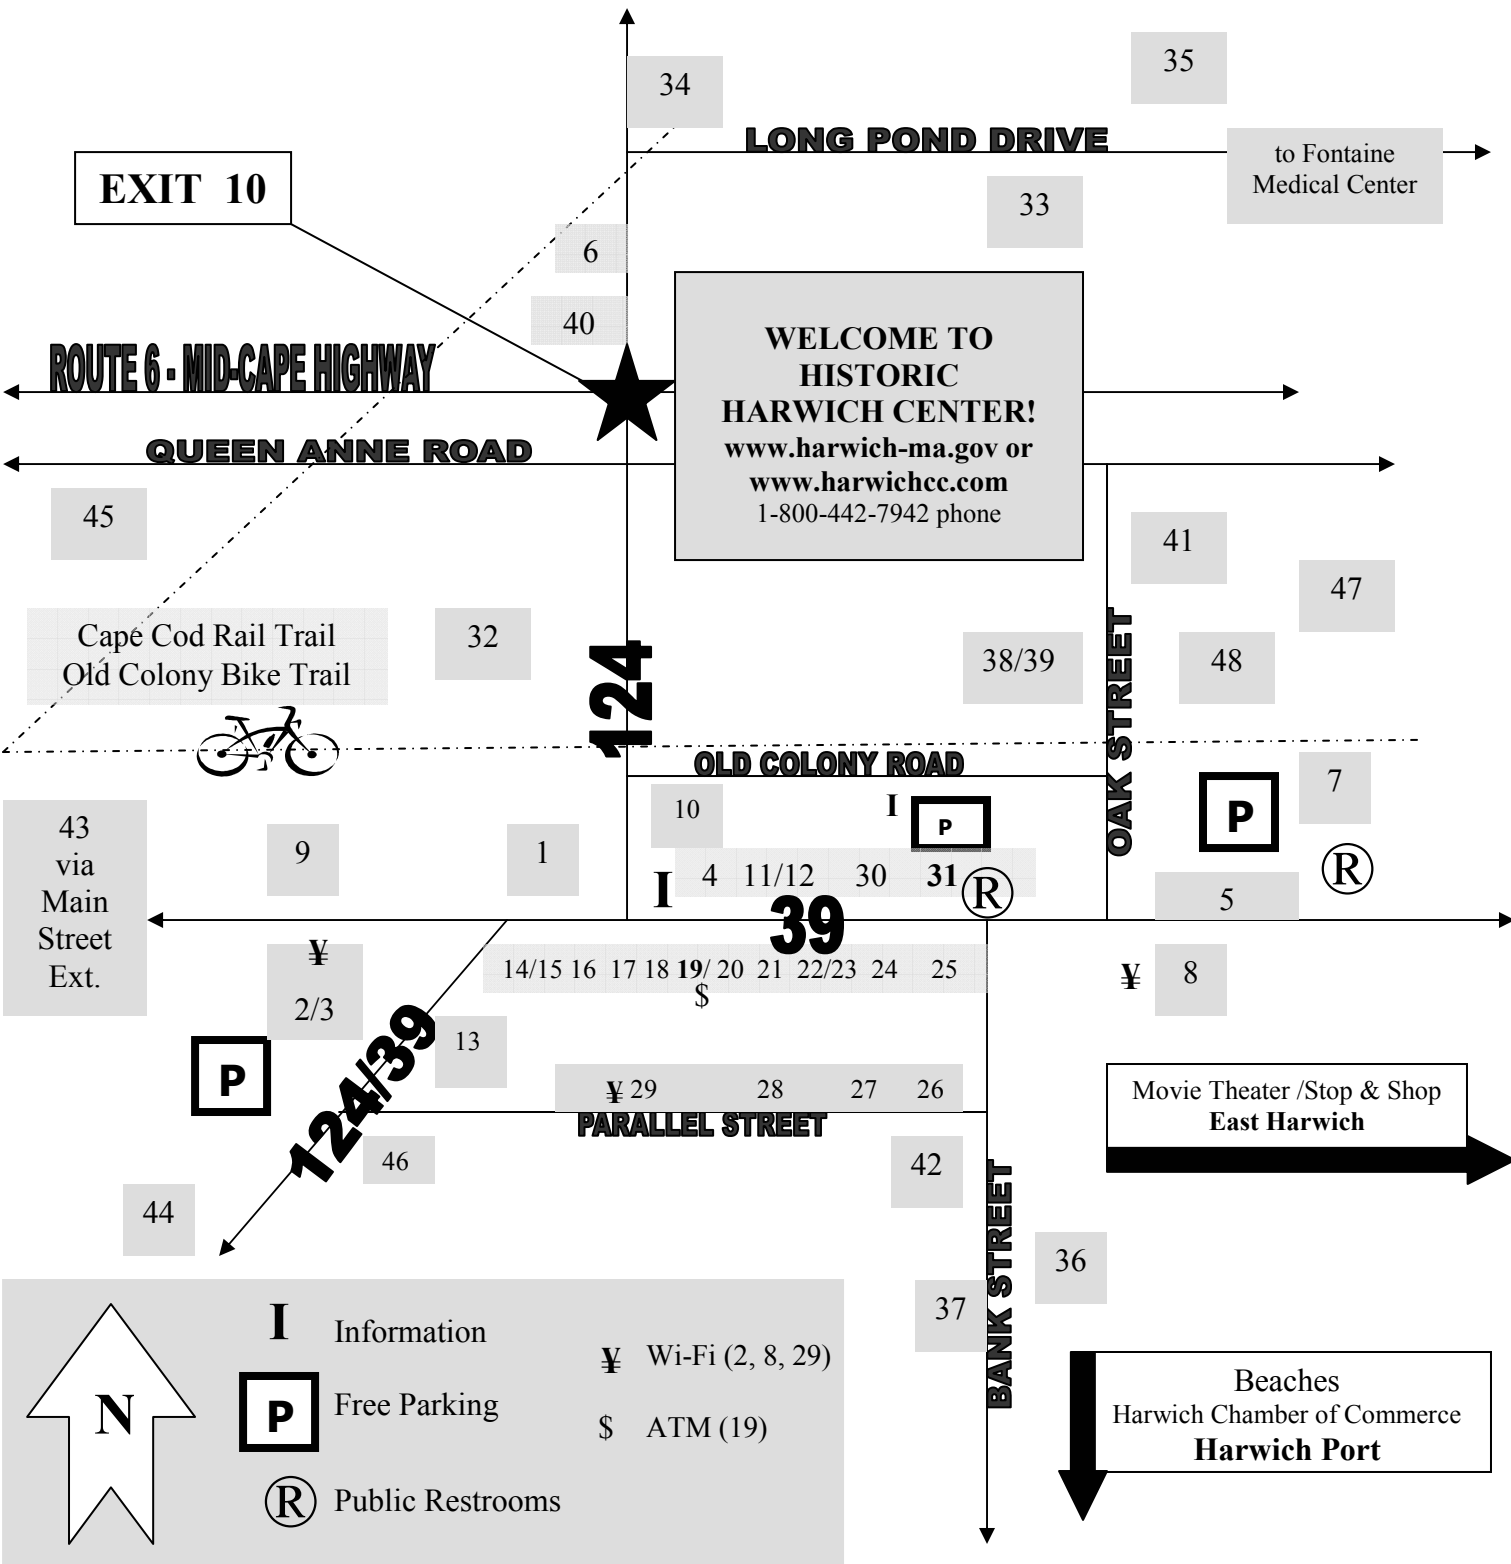

DAY 6

Take a tour of a working cranberry bog at the Cape Farm and Cranberry Company. Afterwards, head over to Dave's Cape Cod Smokehouse for lunch. Rainy afternoon? No problem. Enjoy a movie at the Regal Cinemas in East Harwich.

DAY 7

Indulge in a relaxing massage at Harwich Health Center and manicure/pedicure at Lovely Nails. Spend the afternoon exploring the local shops for unique jewelry, clothing, artwork and antiques. Celebrate your visit with an elegant dinner and music at the historic Circadia Inn and Bistro.
