RE: FY 20 Budget Proposal

Subject: FY 20 Budget Proposal

Submitted for your review is the detailed budget proposal for the General, Water Enterprise, Wastewater/Sewer Enterprise and Community Preservation Act Funds for the upcoming 2020 fiscal year. The budget document commences with a high level summary of the operating budget, the capital plan adopted by the Capital Outlay Committee, information pertaining to current and proposed general obligation debt, concluding with detailed line item budgets.

The Town Administrator and finance team met with all of the departments to review their budget submissions. Generally any changes to original budget entries were completed by the finance office and labeled within the Town Administrator's proposal. We have tried to provide sufficient detailed information to allow the committee and others the ability to make pertinent decisions with as much information as possible.

Further, in an attempt to provide a crosswalk from the annual warrant format to the attached report, I have provided a list of Organization Codes which are used within the Town's financial software to distinguish one department from another.

I look forward to working with you on the budget review process.

TOWN OF HARWICH
BOARD OF SELECTMEN & FINANCE COMMITTEE
Joint Budget Hearings
Town Hall - Donn B. Griffin Room
Saturday, March 2, 2019 - 8:00 A.M. – 3:00 P.M.

BUDGET/WARRANT TIME LINE 2018-2019

Friday, August 24, 2018	Capital Budget Instructions submitted by T A to Departments	
Friday, September 21, 2018	Deadline for submission of Department Capital Budgets to the T A	
Monday, September 24, 2018	TA presents BOS with 5-Year Financial Plan	Charter 9-2-1/on or before October 1st
Monday, October 1, 2018	MRSD meeting with B O S and Fincom to discuss enrollments by class and demographics, including a five year projection of same.	
Monday, October 1, 2018	Deadline for submission of Community Preservation requests	
Monday, October 1, 2018	BOS Budget Message to guide TA in developing budget Requests - Including Board agreed to goals	Charter 9-2-2/on or before the first Tuesday in October
Monday, October 22, 2018	Capital Outlay Committee submits 7-yr Capital Outlay plan to T A	
Wednesday, October 31, 2018	Operating Budget instructions submitted to departments by T A	
Monday, November 12, 2018	Preliminary meeting with B O S and Fincom to discuss budget guidelines for the FY 20 MRSD budget	
Friday, November 30, 2018	Deadline for submission of department operating budgets to T A	Charter 9-2-3/on or before the 1st Friday of December
Friday, November 30, 2018	Deadline for submission of departmental warrant articles to T A	
Monday, December 10, 2018	B O S Review and discussion of potential warrant articles	
TBD	Meeting with B O S and Fincom to discuss initial look at MRSD FY 18 budget	
Monday, December 10, 2018	TA submits 7-yr Capital Outlay Plan to joint meeting of BOS/ Finance Committee	Charter 9-6-3/during the month of December
TBD	MRSD School Vacation	
Monday, January 7, 2019	BOS/FINCOM/Capital Outlay Committee hold joint Public Hearing on submitted Capital Outlay Plan	Charter 9-6-4/on or before the 2nd Friday in January
Friday, January 25, 2019	All items to be bid must have specifications in TA's office by 12:00 P.M. to be assured of bid process for Town Meeting	
Monday, January 28, 2019	Meeting with B O S and Fincom to discuss first draft budget and five-year plan with MRSD and Cape Cod Tech	
February – March	Fincom review of budgets and articles	
Monday, February 4, 2019	Last BOS meeting before Annual Warrant closes	
Friday, February 8, 2019	Article deadline – Warrant closes Noon deadline	Charter 2-2-1/Bylaw 1-101 2nd Friday in February by 12:00 Noon

Monday, February 11, 2019	TA presents budget and budget message to B O S and Fincom	Charter 9-2-4/on or before the 2nd Tuesday of February
TBD	MRSD School Vacation	
Tuesday, February 19, 2019	1 st draft Warrant to BOS (presented at meeting)	
Tuesday, February 19, 2019	Articles submitted to Finance Committee by B O S	General By-Laws I, § 271-1.B. Not later than 14 days after article deadline
Monday, February 25, 2019	BOS required to submit final budget to Finance Committee	Charter 9-3-2 / on or before the 4th Tuesday of February
February 2019	MRSD to submit final line item budget to B O S and Fincom for inclusion in the ATM Warrant	
Saturday, March 2, 2019 (Tentative)	Selectmen and Finance Committee Budget Presentations	
Monday, March 4, 2019	Joint budget/article hearing BOS/Finance Committee	
March, 2019	BOS reviews Warrant articles	
Monday, March 4, 2019	VOTE to sign <u>final</u> Annual Town Meeting Warrant	No new information or changes will be added to the Warrant after this date
Monday, March 4, 2019	Vote to open Special Town Meeting Warrant	All Special Town Meeting Articles must be received 40 days prior to STM
No later than Monday, March 18, 2019	Article funding review by B O S	
Monday, March 18, 2019	BOS votes Special Warrant BOS votes Ballot	
not later than Monday, March 25, 2019	FINCOM submits written recommendations on Budget/Warrant. Joint budget /article hearing with B O S and Fincom reconciliation	Charter 9-3-3/by March 31st
Not later than Monday, March 25, 2019	Fincom conducts one or more hearings on budget	Charter 9-3-3 by March 31st
March 25, 2019	Ballot to Town Clerk	
Monday, April 1, 2019	Send Warrant to Printer Send Warrant to Chronicle (April 18th publication)	Printer needs 2 weeks. Chronicle needs 1 week before publish date
Friday, April 19, 2019	Warrants available for public distribution	Charter 2-2-2/14 days prior to Town Meeting
TBD	MRSD School Vacation	
Monday, May 6, 2019	First night of Annual Town Meeting and Special Town Meeting	Charter 2-3-1/1st Monday in May
Tuesday, May 21, 2019	Annual Town Elections	Charter 8-1-1/3rd Tuesday in May

Fiscal Year 2020 Town Administrator's Budget Message *by Christopher Clark*

1 INTRODUCTION AND SUMMARY MATERIAL

It is once again my privilege to present a balanced budget for the Town of Harwich. The balancing of the budget always comes as a challenge in an effort to try to meet the needs of the organization/community in terms of local services while also balancing the cost to the community's taxpayers. This budget maintains a level of service consistent with last year for municipal operations with some limited exceptions. This budget also offers a look at the requests by departments to enhance service delivery to all residents. The total requests outstrip our ability to pay thus they are not called for in this budget; if desired, they would necessitate a Proposition 2 ½ Override. This budget does allow us to transition toward an organization that compensates its employees in an equitable manner on the Cape but requires an additional level of effort offered by new revenues to accomplish.

Overview

The Town has been engaged in an overhaul of its related ***infrastructure which has increased fiscal obligations*** in the last five years and moving forward (MRSD, Cape Tech, Wastewater, Harbors, and Fire Operations). The FY2020 Budget has a lot less request for large projects and perhaps the same will be true next year, but the above referenced project debt service is coming on line. This is known to Administration and we are attempting to implement in a thoughtful way to lessen the peaks and valley of the tax cycles. This Budget Message will show to the best of our knowledge the tax impact of these projects overall and to a "median" home owner now and into the future.

The years from FY 2010 to 2014 wages were frozen and in general, wages have not kept pace with similar positions in comparable Towns. The economy has heated up and wages are increasing. Although we have had modest wage increases from FY 2015 to FY 2019 we may continue to slip behind. ***Recent contract awards have started to move some salaries and wages from the bottom third of compensation on the Cape to the middle third.*** These increases are greater than Proposition 2 ½ allows. ***This budget seeks to meet this challenge with new revenues from Hotel/Motel Fees going from 4% to 6%.*** Going forward, the State legislature has approved a Short Term Rental Fee that will come on line for this July 1, 2019, but will not be available in a budgetary way until FY 2021 when Department of Revenue allows for inclusion of this funding source. These new revenues must be used carefully to allow for the market wage adjustment and selectively on increased positions.

The **Education** system pressures of the States Funding Formula that requires additional levels of funding based upon Municipal Revenue Growth Factors while reducing school populations and school choice place significant pressure on Monomoy Regional School District (MRSD) and Cape Tech Vocational Regional High School. MRSD in its FY2020 Assessment for Harwich is \$1.1 million dollars while Chatham's Assessment decreases slightly. The changing demographics of school age kids where Harwich increases and Chatham's fall plays havoc with the formula. MRSD Superintendent is trying to keep pace while enrollments overall decrease by reducing some staff. Our Assessment is 4.47% which is above our ability to keep just within Proposition 2 ½.

The **Cape Cod Municipal Health Group (CCMHG)** is a Joint Purchase Group that allows for economies of scale by pooling many Towns and other Governmental Entities as one for Health Insurance purposes. We are currently in a favorable claims cycle in which our revenues exceed our costs by a fair amount over the last 18 Months. This allows for *Health Insurance for Active Employees to be kept level funded*. We do need to allow for if current employees who do not take our insurance or incoming employees opt to take it while the departing or retiring employee did not.

The Town operation has increased full time employees by more than 10 over the last six years including the FY 2020 budget. (Four in Fire, Two in Police, One in Building, One in Harbor, Two in Library, Three in DPW) These positions are needed but the trend of cost of living plus expansion of staff has added fiscal pressure. *The FY 2020 Budget calls for one new staffer in Information Technology to support our one person Department and an increase in hours for our Council on Aging staff to meet growing needs*. The advent of wage adjustments and new revenues coming in may allow for limited critical needs to be met in out years.

I have been able to retain the Sunday and Holiday openings for the Community Center in the FY 2020 budget.

Overall, the FY 2020 budget maintains existing levels of services with some exceptions. The requests for additional positions were greater than our ability to pay. I have only incorporated a new IT position and a modest increase in hours for the Council on Aging (COA) only. The FY 2019 Budget recognized the need for additional IT resources and included \$40,000 for County Assistance and the completion of a study of our need. The Study identified the limitations of having a one person department. It calls for the addition of a **Network Administrator** position. The FY 2020 Budget adds funds and repurposes the \$40,000 provided for in FY 2019 and creates a Network Administrator position. The funding of the **additional 8 hours for the COA** moves an existing employee funded 27 hours by grant by an additional 8 hours Town funded to achieve the additional hours. No benefits changes to COA because the previous position was over the 20 hour threshold amount.

Two years ago Town Meeting voted the ability to create a Revolving Fund for the **Cultural Center**. Revolving accounts allow for the hiring of part time employees only, which has been needed as the Cultural Center fills up with Artists. The Board of Selectmen has decided to extend the preliminary two year concept for an additional five years and thus in a direction for longer use. This allows for hiring part time staff and for building maintenance of a

longer time horizon. The Cultural Center now has more revenue from rental receipts than Town Subsidy coming in but will require both as the building receives greater use. The acceptance in 2018 as a Green Community will help.

The last few years the Town has voted several large capital projects. **Wastewater** challenges are present as the Town continues to address nitrogen levels which continue to impact the environment and cannot be ignored due to continuing federal litigation, so a plan known as the Comprehensive Wastewater Management Plan (CWMP) has been developed to address this challenge. The CWMP Phase 1 is complete and Phase 2 Construction portion was voted in May 2018. The \$22+ million dollar construction portion of installing sewer lines and pump stations in the Southern Section of Pleasant Bay. This project is in regulatory review now with construction to begin in the spring of 2019. The project required a Debt Exclusion to fund. Debt exclusions increase taxes only to offset the debt service for a specific need to be addressed and all taxpayers pay the cost of the Debt. The tax goes away at the end of the borrowing. **Harbor** construction improvements to Saquatucket (SAQ) Harbor landside is in the final stages and the water side work is complete. Landside redevelopment to be completed mostly by taxpayers with some offsets due to securing a one million dollar grant. The overall landside project will come in slightly under budget and the borrowing will not be as great. The Harbormaster continues to be effective in securing grants. The **Golf** Operation construction project authorized last year is also underway with the Cart Barn Building up with only utility connections and internal features pending. Improvements to landscaping features, parking lots and solar utility collection systems still in the works. The cost will be mostly paid by a new golf user fee adopted last year. Administration tries to offset these costs through the use of grants where applicable, specific user fees, low interest loans and other concepts that will help mitigate potential costs. **Education** capital elements are also significant in which MRHS has been built now for a couple of years and the borrowings repayments are well underway. Cape Tech is undergoing a new School Project voted in 2017 with construction going from calendar 2019 through 2020 planned.

The ***core fundamentals of my budgeting process have once again been maintained by adhering to principles of Standard & Poor's AAA rated communities' standards.*** I have decided to include more graphic elements as opposed to solely text. I hope this makes the material more visual. Whereas the budget message contains many of the traditional elements, I have added additional analysis in six areas of budgetary concern. Potentially, a blueprint to view the future in a more favorable light. The areas discussed will be Maintain and Enhance Level of Service, Education Opportunities, Human Resources (Collective Bargaining and Benefits), Comprehensive Wastewater Management Plan (CWMP), Financial Management and Housing.

The first mission at hand is the discussion of the FY 20 Budget.

2 STANDARD & POOR'S RATING CRITERIA AND CAPE COD TOWN STANDINGS

Fiscal 2019 has been very active on the capital front and many projects are underway. Wastewater, SAQ Harbor, Cape Tech, Fire Station 2 and others. This activity has put us in a place where we need to update our Standard and Poor's (S&P) Bond rating. Our finance team did a presentation to S&P last calendar year. I have included our rating information for our short term borrowing in the appendices. The overall result based upon complete financials from FY 16 was that the Town was acknowledged to be making good progress from a financial perspective but has additional work to meet the newly established AAA Bond rating. The rating indicates a very strong economy, strong management in both fiscal and budgetary performance, improved flexibly through greater reserves and very strong debt to ability to pay ratio. S&P expressed concern in regards to our Pension Program which is part of the County's System and are looking for a more rapid meeting of the fully funded pension goal. This is something that would be best done on a regional as opposed to local level. The other area of concern is Other Post-Employment Benefits (OPEB). Many parts of the country solely rely on Social Security and Medicare to meet these costs. Massachusetts prescribes our system which requires a plan to meet our obligations of our share of retirees' health insurance costs. S&P appreciates that we now have a limited funding plan on an annual basis and actively invest our funds, nevertheless it is looking for a greater commitment. Our Administration plan gives us a higher discount rate (5.08%) because we are more active than most (3.58%) and thus reduces the liability in comparison to others. Administration strategy of progressive annual contributions building (projected up to \$150K per year in FY 20) up along with one time contributions when available such as in this plan (\$500K). As of June 30, 2018 we now have \$1.7 million toward a \$40 million dollar liability and a 4.25% funding ratio up from last year. Review of the OPEB obligation is done once every two years. Updates will be provided as available.

Once again Administration has reviewed the various reports from Standard & Poor's in relation to the town's standing in the ratings world. I believe that the Town should again consider seeking an AAA bond rating when we go out again for a significant bond amount. This should happen within the next few years as large projects start to come on line. Administration has been adhering to these principles and after five years and onto our sixth budget message (FY 2015 to 2020) has seen very favorable results. We have seen greater consistency in Free Cash, on target or above for five years in a row. Our reserves have been significantly built up. These two items were of particular concern to Standard and Poor's.

I would like to take the opportunity to remind the reader of the top 10 management characteristics of highly rated US public finance issuers with those being:

1. Focus on Structural Balance
2. Strong Liquidity Management
3. Regular Economic and Revenue Updates To Identify Shortfalls Early
4. An Established Rainy Day/Budget Stabilization Reserve

5. Prioritizing Spending Plans and Establish Contingency Plans for Operating Budgets
6. Strong Long-Term and Contingent Liability Management (OPEB)
7. A Multiyear Financial Plan in Place that Considers the Affordability of Actions or Plans Before They Become Part of the Annual Budget
8. A Formal Debt Management Policy in Place to Evaluate Future Debt Profile
9. A Pay-As-You-Go Financing Strategy as Part of the Operating and Capital Budget
10. A Well-Defined and Coordinated Economic Development Strategy

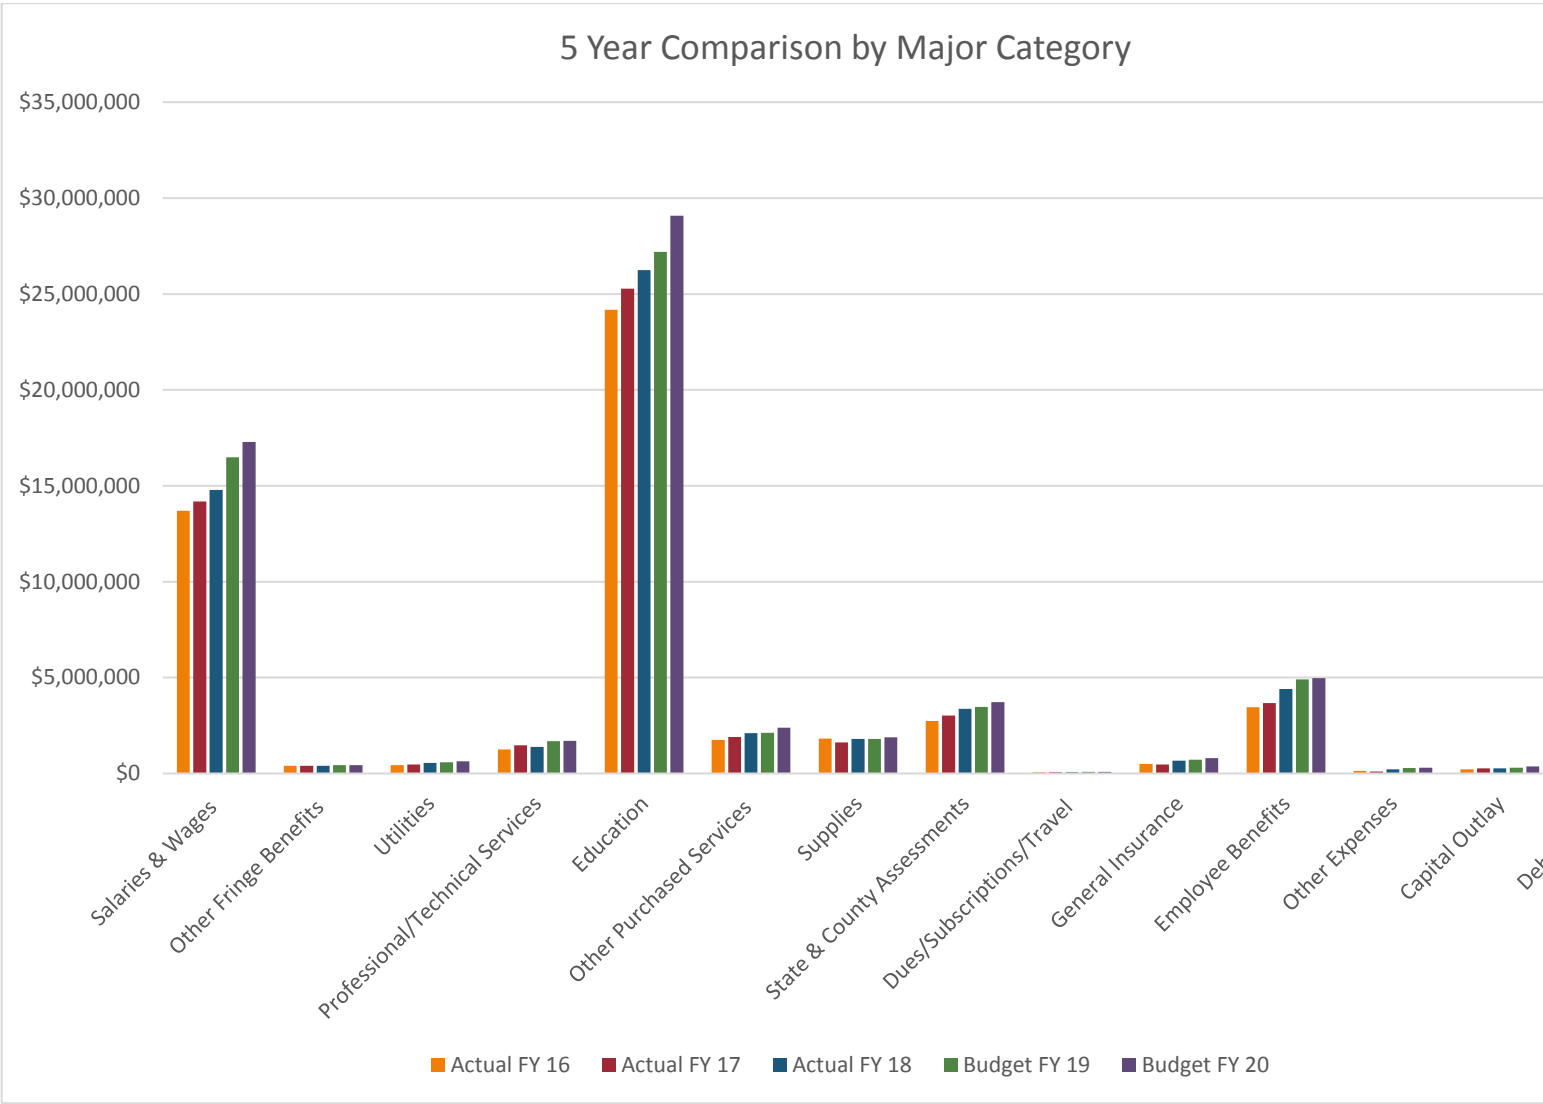

Administration continues to adhere to the principles laid out in this section. We have made considerable progress in improving our fiscal situation in stabilizing a consistent amount of Free Cash, building Stabilization and consistently building the OPEB Trust Fund. Please refer to the section on Debt Management and Reserves for more detail.

We have also included in this budget message a graphic that shows the various towns on Cape Cod that have increased their bond rating to a AAA. This includes our direct neighbors of the Towns of Dennis, Chatham, Brewster and Orleans. The Town of Harwich has an AA plus bond rating. The town already possesses a strong housing market and low unemployment and is very high in some area property values. It is these items that when matched with more consistent positive Free Cash and an improvement in reserves along with a stable and experienced finance team will help us hopefully achieve an AAA bond rating.

3 BUDGET COMPARISONS FISCAL YEARS 2019 AND 2020

This section will provide an overview of the FY 2020 budget. The total **revenue** for FY 2020 totals **\$70,263,662** and the total anticipated **expenditures** are **\$70,257,941** creating a slight surplus of \$5,721. I have decided to include our **Sources and Uses** graphic because it is a great summary of our fiscal picture as we move from FY 2019 Budget into FY 2020. My discussion afterward will center on larger items of note. During FY 2016 a large Excess Levy capacity was created over \$500,000 that has been drawn down over the last three years. While setting the FY 2018 Tax Rate excess levy capacity was created in an amount of about \$50,000. The Excess Level capacity created in FY 2016 has primarily been used in setting the rates in FY 2017 and 2018 with only an additional small residual available for FY 2019. The FY 2020 amount is projected at the normal modest range.

NET SOURCES & USES	<u>\$ 72,611</u>	<u>\$ 5,721</u>	

SOURCES:

On the **revenue side**, our primary source of revenue comes from **local property taxes** as governed by Proposition 2 ½. The total amount anticipated for Fiscal Year 2020 is **\$53,360,608** which represents an **8.2%** increase. The primary basis for the increase is from 2.5% of the levy plus \$300,000 anticipated for new growth. The Financing of various Debt Exclusions primarily from Wastewater and Harbor Projects are starting to come on line. The debt exclusions have risen from *\$1.7 m in FY 2016 to a projected \$4.6 m in FY 2020*. Where these numbers are expected to increase the overall valuation of the community increases as well and the direct tax impact is moderated. A residence that that seen fairly flat increases in value will not pay as much as the overall tax rate goes down but those properties that have increased in value significantly will pay much more.

Local receipts will account for \$13,518,260 of the FY 20 budget which is an increase of 6.5%. Administration has again intentionally increased our percentage in this area in an effort to keep Free Cash in the \$1.5 to \$2.5 million dollar range as opposed to the \$3.5 to \$4.0 million dollar range. ***Free Cash is a byproduct of four areas Revenues above projections (Required by policy to be 10% margin, Budget Turn backs generally driven by staffing transitions), One Time Receipts and Receipts not available for direct appropriation (Tax Foreclosure or Payoffs)*** Generally, the Town continues to benefit from strong Transfer Station revenues primarily, building related activities (Building, Electrical and Plumbing Permits) combined with fee adjustments (Effective 2/1/2019) should remain strong while Ambulance and Harbor receipts along with almost all other are reasonably flat. Motor Vehicle excise tax is a large amount of this and continues to show only very modest growth. The FY 2020 Budget does factor in the increase voted this year for Building Permit fees that had not been adjusted for several years. This budget item also includes approximately \$85,000 which is predicated upon the Golf Department securing the landscape agreement with Monomoy Regional School District. This item is directly offset by the additional cost that will be incurred to perform this work. The CVEC electric receipts derived from the solar array on our former landfill have projected to be at a level sufficient to meet our target. Recent news that the rate of reimbursement may drop due to state regulators over the next five years is of concern.

The FY 2020 Budget includes a request to update the 4% hotel/motel tax up to 6%. Many Towns on the Cape including Harwich adopted the tax back in the 1987. Four Towns updated the tax to 6% in 2010 with all others including Harwich at 4%. The same level for over thirty years. This should also position the Town to utilize the opportunity that the new state law on Short Term Rentals provides starting in July 1, 2019. This revenue will be needed to fund areas of critical need such as market adjustments for low salaries, potentially toward OPEB and Wastewater obligations to decrease the burden on the taxpayer.

Local Option Room Occupancy Tax

Municipality	Rooms Local Option	
	Local Tax Rate	Effective Date
Barnstable	6.00%	10/1/2010
Bourne	4.00%	7/1/1986
Brewster	6.00%	7/1/2010
Chatham	4.00%	7/1/1988
Dennis	4.00%	4/1/1987
Eastham	4.00%	1/1/1987
Falmouth	4.00%	1/1/1987
Harwich	4.00%	1/1/1987
Orleans	4.00%	4/1/1988
Provincetown	6.00%	7/1/2010
Sandwich	4.00%	7/1/1986
Truro	4.00%	12/1/1985
Yarmouth	6.00%	7/1/2010

The ***Cherry Sheet*** is the name given to aid provided by the Commonwealth of Massachusetts. The estimate includes the Governor's budget 2.5% growth in what used to be called Lottery Revenue and is now referred to as UGGA. Due to other state charges this increase has been somewhat absorbed by additional assessments. The funds from the Massachusetts School Business Authority (MSBA) ceased in FY 2017. The new program is structured differently so will not have the same impact. I also plan to use \$100,000 from our overlay surplus to support the budget.

Transfers account for a portion of the budget with some notables including Water Enterprise Indirect costs which offsets General Fund expenditures for Water Employees and Operations. The Community Preservation Fund is used to offset Land Bank debt. Cable, Golf, Town Clerk, Harbor and betterment funds are used to offset operational costs (Cable and Golf) or support Debt Service (Harbor and Betterments').

Charges & Allocation are items that we need to budget for and come directly from state law. The Commonwealth charges us operation costs and fees totaling \$702,047 or 0.1%. Proposition 2 ½ requires setting revenue aside to account for tax adjustments that come from requests for abatements. This account is known as the Overlay Reserve which is budgeted for \$460,000.

Total Revenue increased by 7.6% primarily driven by Proposition 2 ½ allowable increases including Debt Exclusions and Local Receipts as referenced above is higher than in the past to try to stabilize our Free Cash amounts to between \$1.5 to \$2.5 million dollars. Funding our operations includes utilizing undesignated fund balance, better known as “Free Cash,” which is certified at **\$3,487,074** million. This amount is available to fund capital programs and to build reserves for the FY 20 budget. The breakdown of the Free Cash utilization is shown below. This is the third highest it has been over the last five years and is used to continue to build reserves, fund OPEB obligations, meet Snow and Ice costs along with the more traditional use for Capital Items. This balance used in previous year has served the Town well.

FREE CASH	Available Free Cash	\$ 3,487,074
	Capital Budget Items	\$ 1,472,099
Monomoy Capital Assess. \$260,748 Plus Special Ed Transition \$175K		\$ 435,748
	Snow and Ice	\$ 325,000
	OPEB	\$ 500,000
	Cultural Center Operations Subsidy	\$ 125,000
	Stabilization	\$ 384,000
	Chamber of Commerce	\$ 30,000
	Libraries	\$ 20,000
	Cultural Council	\$ 3,600
Operating Small Capital Items \$50,000 plus Wastewater County Fund \$100K		\$ 150,000
	<u>Pleasant Bay Grant & Prior Years Unpaid Bills</u>	<u>\$ 36,170</u>
	Available Balance	\$ 5,457
	TOTAL ALLOCATED	\$ 3,481,617

Small Capital to be Funded From Free Cash			
IT Computers, Printers & Network			
Equipment			\$35,000

Total			\$50,000

USES:

The Expenses of the budget include, the designated town operating budget increase is 6.8%. The salary and wage component was facilitated by the negotiation of 2% increases to the various collective-bargaining agreements. Negotiation of moderate increases can create a certain level of stability. It is interesting going through the budget, from a salary perspective, some departments have not only the 2% adjustment but also step increases and longevity play a significant role resulting in expenses over 2%. The wage adjustments for individual positions (Library Director, Police and Fire Chiefs) and the Managers Union has increased some by larger percentages. The Fire Union and Water Union contracts include the provision of economic or market adjustments to bring personnel from some of the lowest paid up to the middle third of Cape Average. This trend started in FY 2019 and will continue through the contracts take a few years to adjust. The Town does not want to create a talent drain situation of employees leaving for Town's that compensate better.

Budget fluctuations in staffing costs range from modest increases in the Police (currently in Negotiations) resulting in a 2.3% increase and Fire budgets (Wage adjustments in place for FY 2020 and 2021) resulting in a 4.1% increase even where staffing levels are consistent. The Library budget has a higher than normal percentage increase due

primarily to staff with a high percentage who are still in the step system. The normal 2% economic adjustment is a base in which the steps are added on top.

The budget does include some newer costs such as in creation of the new waste water or sewer department in which an allocation of \$150,000 has been set aside in the new FY 2020 budget increased from FY 2019's \$70,000 but utilized to fund short term expenses such as Program Manager, CWMP Revisions and DHY efforts. The reason for this is fairly straightforward. Building a sewer system will take some time and the costs for the town's buy in to the Chatham facility will be well beyond the ability of the new users to pay. The town of Chatham continues to have the same dynamic and has on an annual basis appropriated money from the tax levy to offset sewer operations until such time as sufficient number of users are brought into the system. A target amount of \$300,000 is contemplated for FY 2022 when it is anticipated the system will come online. This budget plan calls for an additional appropriation to be added in FY 2020 and 2021 to ramp up to meet this target. The wastewater consulting services that have been included in the sewer budget will be allocated to this sewer budget.

Administration budget does include limited funding for Salary adjustments for Management Employees based upon salary surveys. The Department of Public Works was also increased for additional commitment to Solid Waste. The Solid Waste cost are offset by the increased revenue. FY 2020 also has one more day during this fiscal year so the calculation for an annual salary is 52.4 weeks versus the 52.2 weeks in FY 2019.

The ***enhancement of services*** had numerous requests but this FY 2020 budgets only one in IT and additional hours to an existing benefited position in the COA. The Board of Selectmen last year approved \$40,000 in the budget to do a study of operations by the County and additional support. The report recommended funding a second person as a ***Network Administrator***. The \$40,000 has been used to help fund this position so only the supplemental amount is needed along with provision for benefits. The County has been helpful but it would be more efficient to have our own in house talent. I believe that this is critically highlighted in a recent County review, no other town of our size and complexity has only one person in the technology department. Having only one person leaves the organization at a distinct disadvantage for filling the void in times of absence, succession planning or quite simply having one person that is pulled in too many directions limits that person's ability to meet the needs of the organization. Our ***COA*** has seen increased demanded based upon the aging of our population and therefore it is warranted to supplement and existing staffer's position limited by Grant Funds to 27 hours a week (already eligible for benefits) ***by 8 hours*** and bring the position to full time of 35 hours to meet growing demand.

The ***Enhancement of Services*** recommended positions that were ***cut*** include two in the DPW. One as the Facility Maintenance Working Foreman (designed to free up the Facility Maintenance Director to work on more projects such as Green Communities Grants and new as of 2/1/2019 state OSHA efforts) and the other was one as a new Disposal Area Person to keep up with the operation that continues to expand year over year.

Revolving account laws only allowed for funding of part-time positions from user fees. The FY 2019 budget included the creation of a revolving account for our Cultural Center. The FY 2020 budget continues the practice of hiring part-time staff at the clerical as well as custodial levels to help continue our utilization of the building. The Board of Selectmen has approved a longer-term use of the building of five years on top of the in the current one and a half years remaining of this trial period.

The **Semi-fixed cost** section of the Sources and Uses identify costs that are prioritized for the budget. *Barnstable County Retirement system* has an increase of 9.4% this is driven by two factors primarily previous retirees and public safety who did or do not fund their full retirement and the requirement to have the retirement plan funded in full by 2040. Generally, all non-public safety employees pay the vast majority of their own retirement costs. *Debt Service* increased significantly again up to 23.5% in this budget (FY 2019 increase of 82.6%) because of the initial payments of the SAQ Projects (Water and Landside Construction Costs), IMA with Chatham, Wastewater design and other projects who have required preliminary financing through short-term debt with long-term debt to be issued shortly. *Health Insurance* is a bright spot with retirees being modest increase of around 3% with Active Employees at zero due to favorable claims over the last 18 months. The Town is part of a self-funded group called Cape Cod Municipal Health Group (CCMHG). A greater discussion of this issue is included later.

Salary and wages for the FY 2020 budget includes the negotiated and anticipated negotiated settlements. The negotiated amounts are in the 2% range with some additional fraction of percent for other benefits. Five of the eight unions have Collective Bargaining Agreements covering FY 2019. Police Patrol, Supervisors and Dispatchers are in discussions now. Greater discussion is included in the Major Initiatives/Themes section of this Budget Message.

Education is a large portion of our overall budget. **Monomoy Regional School District** (MRSD) presented a budget that it considers to be a level of service budget consistent with their needs that included overall a staff reduction of 8.5 Full Time Equivalent positions. The **Monomoy assessment increase for the Town of Harwich is for FY 2020 at 4.47% (FY 19 was 3.99% & FY 18 was 4.0%) in total and in order to meet this the Town will need to fund Capital again and a Transitional year of increase in Special Education from Free Cash.** Monomoy will again be using its excess and deficiency account, they will be able to utilize this for a portion of their capital program. The MRSD Assessment to Harwich has increased above the 3 to 4% range which creates more stress because our initial budget projection was at 3.25%. **Two primary factors** lead to this increase above target. **First, the Special Education** cost has risen this year resulting in the need for an additional \$430,000. Administration plans on funding \$175,000 from Free Cash because the State has two programs that assist in Special Education funding. One is a onetime extraordinary effort fund that is about \$5 million statewide for districts with increased costs. It is uncertain how much MRSD would receive. Second, the States Circuit Breaker program will start to fund the portion of the cost (Allegedly 75% by Regulation but usually in the 50% range after the first approximately \$35,000 per student is paid. *The reason for using the \$175,000 from free cash for FY 20 is that a similar amount of*

state Circuit Breaker money should become available in FY 2021. **Second, the Chapter 70 Foundation Budget Formula calculation** contains two factors. The first is called the Municipal Revenue Growth Factor indicates that revenues grew similarly in both Chatham and Harwich at around 4%. The second factor however is very significant in which based upon the current school age children in Harwich and Chatham. Harwich had an increase of over 50 children in the October 1, 2018 census compared to a decrease of almost 10 children in Chatham. This almost 60 person swing has lead the States Formula per the Assessment Formula to have Harwich increase be 4.47% or \$1,144,886 and Chatham actual decrease because of a decrease in School Age Children by a modest (0.35%) or \$32.661.

Interesting this increase comes at time in which Health Insurance for active employees (a much greater percentage for MRSD) comes in level. Monomoy is also a member of CCMHG. Previous years Health Insurance cost pressures related to Self-Funded rate increases from 5% to 6% range for FY 2019. I do believe that the constructive working relationship between myself and Mr. Carpenter helps to create better fiscal understanding and consensus. You can see a detailed assessment breakdown on the following page.

It would be my strong recommendation to try to reach budget agreement on the assessment as quickly in the process as possible. The education landscape on Cape Cod offers significant opportunities for families to have their children select other public schools or charter schools. These actions can be brought about simply by a crisis in confidence in our system. The financial ramifications can be significant as each student that leaves our system and goes into another public school costs approximately \$5,000; if a student chooses to attend a charter school the cost could be three times that amount. The more stability and confidence that can be utilized in determining the budget the greater the probability for school-age children in the district to choose Monomoy and not depart.

Cape Cod Technical High School overall budget had a very modest increase of 0.96%. The number of students from Harwich has decreased from 77 in FY 2019 to 67 in FY 2020 for reduction of 10 with the overall system decreasing again from 591 in FY 2019 down to 570 in FY 2020 for an overall decrease of 21. Harwich enrollment stayed constant from FY 2018 and FY 2019 at 77 students. Due to our enrollment going down by 10 and the overall system going down by 21 the Town of Harwich assessment actually dropped by 10.1% below last year. The fluctuations caused by enrollment changes on a year to year basis can be dramatic. Last year the increase was up by over 3% and now in FY 2020 we are down by 10%. A double digit swing in one year makes budgeting difficult. I have included and observations in the detailed section.

Cape Cod Technical High School has received a favorable vote on their new facility. The FY 2019 budget cost of borrowing will be absorbed by the tech school budget. The FY 2020 assessment will include some of the borrowing costs related to the project and assessed to each town. The town of Harwich in the October 2017 election did include a debt exclusion which also passed by an equivalent margin. This means that as our assessment increases for the debt portion of the project attributable to Harwich then the tax levy will be

increased to meet this additional assessment cost for the duration of the borrowing. Our anticipated annual assessment cost for debt would be in the \$900,000 range. These numbers are in our projections.

	FY 19 Enrollment	FY 20 Enrollment	% FY 20 Enrollment	Total Assessments		Change		Per Student Cost

Department Requests Reduced

In total, Administration reduced over \$1,000,000 in requests. These are worthwhile concepts that could provide enhancement of services. Balancing a budget is always a difficult endeavor. **Health Insurance reduction was due to the self-funded rates coming in at 0% instead of the projected 10% or \$475,000** due to better loss history and the introduction of High Deductible Plans. I have identified some of the larger items reduced from the original requests. The list below shows some of the EOS Adjustments. Other reductions are shown below.

EOS Department	FY 20 Amount	Purpose
Finance	5,250	Seasonal Intern to assist with Munis implementation
Finance	15,200	Socrata Financial Transparency Software
Finance	5,120	Munis Training
Treasurer/Collector	5,924	Citizen Self Serv Module (split with Water)
IT	69,840	IT Administrator to augment 1 person dept
DPW	71,352	Building Maintenance Position
DPW	65,971	Disposal Area Position
Cemetery	22,610	Part-time Administrative Assistant
COA	9,391	Program Specialist additional 8 hrs per week
Recreation	62,901	Program Specialist - Increase program offerings
Total	333,559	
Funded:		
Treasurer/Collector	5,924	Citizen Self Serv Module (split with Water)
IT	69,840	IT Administrator to augment 1 person dept
COA	9,391	Program Specialist additional 8 hrs per week
Budget Reduction	248,404	

The above consists of adjustments made to the departmental budget recommendations that administration needed to adjust or eliminate. This is not a full comprehensive list as other reductions were made during the individual budget sessions with departments. It shows a reflection of the refinements to go into the budget.

If these balanced budget recommendations are not taken, then the town will need to either increase local taxes or reduce operating costs by a like amount in order to bring the budget back into balance.

4 MAJOR INITIATIVES/THEMES FISCAL YEAR 2020 BUDGET

As in last year's budget message, Administration is attempting to highlight various initiatives or themes in each of the budget cycles. I have selected six Budget Initiatives to discuss in this section including: Maintain and Enhancing Levels of Service in the overall Budget, Education Impacts, Human Resource Elements (Collective

Bargaining and Benefits), Comprehensive Wastewater Management Plan, Overall Financial Management (Capital, Debt and Reserves) and Housing – Need for Affordable Housing Trust.

MAINTAIN AND ENHANCING LEVELS OF SERVICE

Upon my arrival to the organization in December 2013, I encountered a significant demand on the town side to bring levels of service up. This concept emerged from an expectation that the merging of the Chatham and Harwich school systems into Monomoy would realize significant dollar savings and therefore those dollars could be applied to the Harwich town side organization. Chatham did realize savings due more to how school choice is calculated and Harwich had cost avoidance where attempting to build a school on our own as opposed to using MSBA funds; a costly endeavor. Therefore a demand was created where precious dollars were not available. I've attempted in each of the budget messages to try to present modest salary increases, funding to the Proposition 2 ½ limits and not to request overrides, in an effort to modestly meet some of the requests for personnel that come in each of the budget cycles. Fundamentally, I believe that we can add one or two positions per year provided that local receipts continue to grow and costs such as health insurance are modest. In years in which revenues are tepid and health insurance costs bordering on double digits necessitates a maintaining of service levels and not an expansion. The FY 2020 budget has revenue growth and Health Insurance costs for active employees is at zero which would be favorable but a Monomoy Assessment of 4.47% is a significant challenge and the Wage Adjustments are as well both discussed in this section.

EDUCATION (MONOMOY/CAPE TECH AND SCHOOL CHOICE)

Education on Cape Cod is a zero sum game as overall demographics continuing to show a decrease in school-aged population and a very active school choice environment. It is not a surprise in this environment that schools need to maintain viability by updating their academic programs, athletic programs and overall school facilities in which to compete in this highly competitive marketplace that not only pits systems against each other but also having to deal with private sector opportunities. How a school system is viewed is critical.

Monomoy Regional School District is a newer district trying to build a name and reputation for quality with limited class sizes. The construction of the new high school has definitely made people think in the area that Monomoy is a consideration. *Monomoy as a system creates a sense of stability continuing to develop beyond just the new facility into maintaining and enhancing academic programs and athletic offerings.* Harwich is already a home to a charter school and with a charter school in Hyannis that draws much attention. The Nauset school system has a quality reputation and much more established academic and athletic programs. In this competitive environment, currently the town has general fund expenses related to school choice tuitions and charter school tuitions, in fiscal year 2013 those tuitions totaled \$1,780,537 with a continuing modest but progressives climb up to \$2,533,857 in fiscal year 2018 with an anticipated modest decrease in fiscal year 2019 and 2020. *One goal that would help to moderate budgets for the Monomoy system would be to continue to market and retain Harwich and Chatham kids in the system and decrease the significant outflow of money that comes from school choice that could be redirected into the Monomoy system based upon current school choice regulations.*

Monomoy's most recent reports of kids progressing at a faster pace than previously bodes well for continuing the story of a quality first small school environment. The quick evolution of the sports programs and other enrichment activities result in more students retained in the system. This is a short but positive trend.

Demographics of School Age Children requires a deeper dive. I have added a new section six to this section to talk about housing trends on the Cape. The impact of housing going from year rounders' to season is impacting housing stocks and school age children. This is significant for education as we are in a continuing period of lesser school age children and the demand for educational services decrease that seeing educational staff levels will need to be carefully decreased to match.

The ***Cape Tech Regional Vocational Technical School*** has an existing solid track record for their vocational and academic programs but lacks an updated facility to operate said programs. The Tech School was successful before the voters to win support for the construction of a new school on their existing site. Harwich's portion will be a fraction of the total debt service for the project based upon enrollment numbers which are currently estimated for FY 2020 at 11.7% of total enrollment. The Project Construction is underway with the Bonds already sold and the Massachusetts School Building Agency (MSBA) contributing a percentage now set. Our projected payments are known and included in the budget numbers included. The payments maybe adjusted by the enrollment numbers on a year to year basis.

Highlighted in the previous section the overall budget only increased by 0.96% but with our enrollment decreasing and the overall enrollment decreasing our assessment is down by about 11.5% coming off of a year where the increase was 6.3%. Last year's write up included the following passage – "the FY 19 School enrollments raise concern as the overall decrease in students in FY 18 was 7 and now the number is projected at 33. Harwich enrollment has held steady but our assessment has gone up higher because of the overall decrease. FY 19 is 6.3%. This is an area of concern as the overall budget increases are modest but ours have been much higher due to enrollment shifts." The overall trend of going from 654 students in FY 16 down to 570 in FY 20 may be slowed or leveled by the advent of the new school coming on line in a few years. The overall trend may continue.

HUMAN RESOURCES ELEMENTS (STAFFING LEVELS, COLLECTIVE BARGAINING AND BENEFITS)

A strong economy has created a condition in which now other entities and some Towns are going beyond the 2% norm for wages and have been adjusting people to higher levels. The Board of Selectmen and Administration have taken the strong stand that in order to continue and improve our human resources in Town that wage adjustments where necessary need to be made. We have now completed our third year of a Market Analysis of our Management Positions and we are seeing some positions slightly above market (general due to long tenure), many at market rate (when one calculates in the lucrative Longevity clause) and a fair amount of our management personnel are below the market. This has necessitated adjustments up to market for about one third of the positions. Four years of zero and only modest growth has not made up all the ground. Administration focuses on educating employees of not just the base wage but to highlight the longevity benefit and employer health insurance contribution. I have, in my experience, worked in municipal organizations where we became known as a great training ground for other higher paying Towns. We have begun to be acknowledged in the area for stability and professionalism and where a year or so ago we lost at least two employees to neighboring towns with greater compensation. We are retaining people and other Towns have had adversity. Human resources and recruitment will be key items for the next few years.

Administration has decided to look at staffing levels over time in the organization to assess the history of the levels of effort. We did select the FY 2004 budget year because that was a time in which it was a failed override of \$3 million and subsequently a successful override of approximately \$1 million. This sequence of events led to a reduction of \$2 million out of the budget and did have a material effect on staffing levels. We

also show what staffing levels have been over the last few years and project into the FY 2019 budget. You'll see in many cases that we have not returned to those previous service levels. I can assure you that when I started into this profession in 1990 to now government type work has become much more complicated as demands of residents and communities' expectations continue to grow. Strictly from a budgeting perspective, our ability to meet these needs is limited. I have attempted to utilize technology where and when available to increase productivity without new staff. We have automated our sticker identification program at our transfer station and recycling center. This automation has made the process more accurate and more streamlined. Administration does look each year to try to introduce technology where and when available. Reorganizations have also been a focal point as we try to size the organization properly and allow it to be modernized to address the advent technologies. See staffing chart below:

During my time with the town, I have advocated for modest wage adjustments that can be sustained within Proposition 2 ½ without the need for a General Override. This will be my sixth budget message and does not recommend a General Override. The workforce is heavily unionized and requires a more deliberative process of concessions and negotiations to negotiate the changes referenced above as well as negotiating modest wage adjustments. FY 2019 and more prominently in FY 2020 to FY 2022 budgets will be in a period where the inflation factor stays at the 2% but that the market adjustments in many areas are made. A market adjustment based on total compensation is when the salaries of certain positions either fall below or are below the Cape averages adjustments to bring the averages up are made. ***Generally, the Board of Selectmen have endorsed the concept of moving from the bottom third of total compensation average up into the middle third. These adjustments have been made already in individual unionized management positions and with some Unions (Fire across the Board) or Water in selected positions below market where other positions are within the middle third already negotiated.*** In general a review of total compensation shows that wages maybe low and longevity benefits high and Health Insurance competitive.

The chart below shows the current status on collective-bargaining agreements and I am happy to report we're up to date with all eight contracts in FY 2019. Five of the eight units have contracts up to or beyond FY 2020. Administration is in negotiations with Police Patrol, Superiors and Dispatchers for FY 2020 and beyond.

BENEFITS

Health insurance continues to be a significant issue. The town actively participates in the Cape Cod Municipal Health Group (CCMHG) a regional joint purchase consortium. The Town does realize the value of economies of scale by participation in the CCMHG. One of the significant drivers for health insurance costs on Cape Cod is the regional isolation as well as one primary provider - Cape Cod Hospital. The hospital derives a significant portion of its revenue from the Medicare and Medicaid programs, generally are underfunded, and therefore governmental entities and private sector businesses make up for the shortfall in the costs allocated to us for those services. The CCMHG is a self-funded entity with the necessary applicable stop-loss coverage to try to control costs. Whereas, our experience over the last several years (FY 2015 to FY 2017) in terms of utilization and costs as a group have been high in which for each dollar paid in premium we are close to spending a dollar on costs. The group has had prior year surpluses that have been used to offset or subsidize the rates. Those prior year surpluses have now been reduced down to the level of approximately 10% of premiums and within the approved reserve range of between 8% and 12%.

The last eighteen months consisting of the all of FY 2018 fiscal year and so far the first half of FY 2019 have been historically good for our loss ratio dropping from just under a dollar down to 90 cents on the dollar creating the possibility for a very good year (FY 2018) (Seven out of twelve months of FY 2019) this in combination with an audit that showed FY 2018 was a little better than expected allows for ZERO rate adjustment for FY2020 for active employees. The rates are level because experience is so favorable to offset

increases due to medical and pharmacy trend information that continues to rise. The potential exists as well for a repayment of old available funds from Medicare that Administration will put toward OPEB obligations.

The group actively utilizes wellness initiatives and in FY 2018 year has introduced a new high deductible product that has helped to reduce costs for those who choose to enter the voluntary program. The group is now up to 9% of total members enrolled. The High Deductible plan (to which I signed up) is a vehicle that requires paying a large deductible first in return for a reduced premium and the opportunity to receive additional tax benefits. The High Deductible account is also a great savings vehicle for it also acts as a medical IRA if you keep a certain balance in the account.

It has been an honor for me to actively participate in the Steering Committee of the CCMHG, to work on this challenging and complicated issue on not only the behalf of the town of Harwich but also for the over 50 governmental entities that utilize this group on Cape Cod and Martha's Vineyard. Obamacare had an influence on the marketplace, with the change of administrations and a commitment to again modify the health insurance marketplace, the impending decisions will have an impact locally.

The Town does continue to actively fund our Other Post-Employment Benefits by funding within the operating budget an amount and to then supplement as funds are available during times of larger than expected undesignated fund balances in revenue and expense turn backs. During FY 2018 we funded the standard \$100,000 with an additional \$53,000 from available funds. The FY 2019 Budget calls for the start of a ramp up with the \$100,000 moving up to \$125,000. Our one time contribution because of higher free cash is \$625,000. ***The current balance in the OPEB Trust fund is in excess of \$1.7 Million dollars with a Liability of \$40 million. The FY 2020 Budget plans calls for adding \$150,000 from the Health Insurance line plus \$500,000 from Free Cash and any funds from the Cape Cod Municipal Health Group. Adding the additional \$625,000 in FY 2020 will push us over the \$2 million dollar mark. Now with larger funds in the trust our return on investments will continue to climb from our current \$40,000 in investment income to even higher on an annual basis subject to conservative market conditions.***

COMPREHENSIVE WASTEWATER MANAGEMENT PLAN (CWMP) (BUILDING FOR FUTURE)

The Town has completed Phase 1 of the CWMP and last year's budget calls for the first large capital appropriation as the Town commences with constructing sewage sections of the southern Pleasant Bay Watershed, which encompasses most of the eastern portion of the Town. This area was chosen in part because of the opportunity to utilize the existing treatment facility in Chatham and because it is the primary source of the Town's drinking water.

The FY 2020 Budget does not include any significant money toward the CWMP program for this year. The design of the program is to complete in spaced out phases to allot for construction to occur before a new Phase is started. The total ***CWMP Phase 2 final design and regulatory approvals are underway including a State Revolving Loan of ZERO percent instead of the projected 2% because of the regional effort with Chatham and the focus of nitrogen reduction.*** The Phase 2 construction is anticipated to take two years to complete. The Hinckley's Pond Project will be funded from Community Preservation Committee (CPC) funds that are designed to fund environmental and recreational projects. The CPC funds are raised each year as part of your tax bill. The Restoration of Hinckley's Pond. Administration and the Board of Selectmen were successful this time in having this funded through the Community Preservation Fund which has been done in

other communities. The treatment process mirrors the same process used very well in Long Pond several years ago. The installation of a stairway and a covered area along the bike path that borders Hinckley's Pond will greatly improve its use by all residents and visitors.

The CWMP was originally approved back in 2016 and the original cost estimate was a total of \$240 million. The inflationary factors and with updated estimates for 2022 for the next Phases have updated the costs to \$300. Time delays in the phases do come with inflationary consequences. The Board of Selectmen and Administration are working diligently to try to lessen cost of the overall program. We are in active negotiations with the Towns of Dennis and Yarmouth to form the DHY Partnership. Last year Town Meeting approved the concept and we are working on the Legislation to create and the governing documents. If successful the anticipated savings for the share Treatment Plant versus our existing plan is \$40 million dollars with annual savings on treatment operational and maintenance costs.

The FY 2020 Budget does include again money to build up for our eventual tie into Chatham as part of our IMA. Administration has increased this funding up to \$150,000 within the tax base with the idea that the funds will be used for short term costs to fund a Program Administrator to help bring Phase 2 on line (\$100K) and CWMP Revisions to incorporate DHY into approved CWMP (\$25K) and fund DHY efforts during FY 2020 (\$25K) as the Grant to do current efforts expires on June 30, 2019. These short term items will be transitions in subsidy and IMA obligations in FY 21 and 22.

The Sewer Budget also includes an allocation from free cash of \$100K to subsidize the County Septic Loan Program by providing for a low interest Loan for those who qualify for the program of 2% interest for the cost to connect into the Phase 2 program. The details need to be worked out but the idea is to provide a safety net for those most in need. The 2018 Annual Town Meeting did approve Special Legislation that increased the exemption on Taxes to \$1,500 from \$1,000. The Town also voted to accept an "Angel" provision that allows certain residents who qualify for a Senior Work Off program to have some other family member, friend or civic minded person to work for the elder and can receive an additional \$1,500 off of their property tax bill. The only statutory limitation on these two items is that it cannot exceed 90% tax reduction. Even more programs exist with the Assessing Department for those in need.

Administration has been requested, and after designing out some financing concepts, we have engaged Hilltop Securities, our financial advisors, to put together some funding charts. I have enclosed one below. Separate educational materials are available on the overall plan and the request that will be on the Annual Town Meeting Warrant and Election Warrant.

Estimated Tax Impact - Existing, Authorized Unissued & Proposed Debt Per Median Single Family Home - By Project

FINANCIAL MANAGEMENT (CAPITAL, DEBT AND RESERVES)

Financial Management discussion will be specifically discussed in the applicable sections of this budget message. Suffice to say here that with a comprehensive capital budgeting program, a debt plan that looks out over 40 years on the CWMP and other debt as well as a significant uptick in reserves the Town is in an excellent place to consider a Standard & Poor's rating review. Administration has approached S&P for a short term Bond Anticipation Note sale and had a review. The review is included. The review contains completed information from FY 16 and did not give full credit for FY 2017 to 2018 which have been better years. They were very complimentary our Financial Administration of the Town but were concern about our Retirement Funding Plan that we are part of the Barnstable County. They would also like to see greater progress on funding OPEB liabilities. The FY 19 Budget shows progress on the OPEB funding in a much larger way. Overall it was a very good review with a strong and stable rating of AA+ outlook. The rating criteria for an AAA has also changed and the targets of 10% reserves have moved up to now in the 20% range. The good news we are on our way but we are just at the 20% number. See more information in the Reserve Section. We will be going out in the next year or two as projects finish for the long term borrowing as one or two of the larger projects comes on line. The strategy of doing temporary borrowing to ensure that we only borrow for the long term actually what we need is only one tool to mitigate costs.

HOUSING ISSUES: THE 2018 Annual Town Meeting created an Affordable Housing Trust for the Town of Harwich. The purpose of the Trust is to assist in maintaining and expanding housing for individuals and families of certain incomes to be able to stay on the Cape. Harwich like many Towns on the Cape is an area that is

highly desirable throughout the region and larger areas. The housing market place has significant pressure for homes that come onto the market to be attractive to persons and families seeking a season or summer residence. Due to residence regulations these homes go from year round residents to seasonal. The impact of this has some real positives from a budget prospective as the hot market drives prices up and property values follow. The downside is that now families with children that want to stay on the Cape or families desiring to move to the Cape are in direct competition for these homes. The issue is the community feel begins to change. Data provided from the Census from 2010 to estimates of year round household in 2017 show some Cape Town down as low as 24% in Truro with 6 of the 15 Towns below 50%. Harwich is at 53% and Chatham is at 38% which highlights the Education Funding Formula concerns discussed earlier. The trend line for the reduction of year round homes is even worse with all but two Towns (Wellfleet and Bourne) on Cape suffering a reduction of year round homes going to seasonal with the percent change from 2010 to 2017 ranging from low of -1.6% to a high of -18.7% lost. Harwich was -3.7% and Chatham was -4.1%.

The Affordable Housing Trust is only part of the potential solution with Town Owned Property being used for housing hence decreasing property acquisition costs and Accessory Use Dwelling Zoning Bylaws to allow homeowners to rent out their homes to young families trying to save money for a home. This could also allow an older resident to stay in their home longer by supplementing their income revenue.

5 HISTORICAL TAX LEVY DATA

The Assessing Department has prepared several slides included in the presentation that show a fairly high level of consistency in the base levy limit percent increases from Fiscal Year 2009 through Fiscal Year 2019 ranging consistently from 3 ½ to 4% with Fiscal Year 2014 at a higher level due to an override levy. The base limits in dollars also show a steady increase which reflect a strong ability of the town to meet its financial obligations. Finally, the levy limit calculation chart that shows a willingness on the voters part to not only support the Proposition 2 ½ levels but to also approve on a consistent basis both capital and debt exclusions, and on rare occasions, general overrides with the most recent being in Fiscal Year 2014.

Base Levy Limit Percent Increase

FY 2014 Override Levy \$990,193 =

	FY 2010	FY 2011	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	FY 2017	FY 2018	FY 2019
■ % Increase	3.99%	4.15%	3.58%	3.67%	6.51%	3.59%	3.74%	3.71%	3.34%	3.39%

Source:

The above slide shows the components of the Levy Limit including the primary driver the Proposition 2 ½ limit per year. The Growth is the component of land that goes from raw to a constructed state or a home that is extensively remodeled is categorized as new Growth. The exclusions are items voted by the community to go above the Proposition 2 ½ amount for specific purposes. The most commonly used is the Debt Exclusion where that amount increases only during the time that debt in is being paid. When finished it then goes away. Administration tries to time debt so as debt falls off the new debt is brought on line to try to mitigate increases where possible.

The two charts on the next page are first of the total levy raised historically. We did have a circumstance in which we did not raise the levy limit to the full amount and created excess levy of about \$700,000 in FY 2016 and Administration working with the Finance Director utilized that capacity over FY 2017, FY 2018 and have a small capacity to use some toward the FY 2019 Budget. This has acted as a small stabilizer to the budgets as this excess capacity was used over time. The chart also shows the long history of funding close to the limit and not having that capacity which is more of the normal situation. The FY 2019 and 2020 Budgets have only minimal excess levy capacity similar to the long standing practice.

Base Levy Limit in Dollars

Excess Levy Capacity

6 FINANCIAL FORECASTING

The Charter for the Town of Harwich includes a component in which a five-year financing plan is prepared for the Board of Selectmen's review and for planning purposes. This projection was completed and presented to the Board of Selectmen in the late fall. Projections show the opportunity to balance the budget with the growing challenges in the outer years. The finance team and I will continue to work on making the projections as accurate of a tool as possible in order to predict what actions will be necessary in moving the community forward in order to stay within the confines of Proposition 2 ½. As always alternative revenue sources must be explored and cost containment measures taken in order to provide resiliency and improve our ability to balance the budget. As in any revenue and expenditure forecast, the accuracy of the first year is very high, while the accuracy of the out years is lower no person can truly predict or guarantee future developments with great certainty. The transition in the financial management team will give an opportunity to review current models which I believe to be fundamentally sound and make improvements and refinements where possible. *This projection is the one shown in the fall and not adjusted for current budget.*

FIVE YEAR FINANCIAL PROJECTION

9/19/2018		2020 - 2024
		Assumptions Five Year Plan
SOURCES		
Property Tax		
Property Tax (Base)	Prior year ending Tax Levy Limit

7 SPECIFIC BUDGET DATA

Items of significance such as last year's message included an analysis of fringe benefits and other large capital projects such as the SAQ Landside Harbor Project and the Golf Operations Project.

A. Fringe Benefit Analysis

FY19 - Fringe Benefits Analysis - Average Per Full-Time Employee

Position	Total	Fringe Benefits					Fringe Benefits	Percentage
	Avg Wages	Health	Retirement	WC	IOD	UnEmp Comp	TOTAL	
Public Safety (70)	\$ 66,248	\$ 14,985	\$ 9,275	\$ -	\$ 1,325	\$ 199	\$ 25,783	39%
Public Works (36)	\$ 60,697	\$ 16,656	\$ 8,498	\$ 2,252	\$ -	\$ 182	\$ 27,588	45%
Admin/Clerical (60)	\$ 58,836	\$ 15,471	\$ 8,237	\$ 41	\$ -	\$ 177	\$ 23,926	41%
Water ¹ (13)	\$ 62,599	\$ 18,699	\$ 8,764	\$ 1,978	\$ -	\$ 188	\$ 29,629	47%
Harbor/Maint/Parks&Rec/Nurse ¹ (18)	\$ 69,314	\$ 21,109	\$ 9,704	\$ 1,747	\$ -	\$ 208	\$ 32,767	47%

Administration was requested to complete an estimate of fringe benefit costs related to employees. We have attached as part of his presentation in the PowerPoint section a slide that details out some of the costs of those fringe benefits. In order to do a study of this nature, a large number of assumptions need to be made. We did group various positions into employee categories such as public safety which covers police and fire personnel, public works including highway, transfer station, cemetery and parks personnel. Administrative and clerical cover a wide variety of personnel including most of Town Hall and the Library. Water Department personnel were separated off in part because the information is more readily available due to the Enterprise Operation. Lastly, we had another grouping of people as kind of a catchall such as Harbor, Custodial and Maintenance, Recreation and the Public Nurse.

The caveats include a large majority of employees do take health insurance, but not all. The coverage ranges such as individual plans to family plans, as well as from HMO to PPO so a blended rate was derived in order to use one number. Retirement allocation is significantly skewed as we took the retirement allocation of our current assessment and applied it to the current employee payroll list. Employees who have previously retired at a 5% or 7% contribution rate did not pay the full actuarial cost of the retirement. Current employees, on the other hand, fund their retirement at 8% or 9% with a 2% surcharge on anything over \$30,000, from an actuarial perspective these employees provide for their own retirement without any significant subsidization from the taxpayer. Police and Fire personnel, due to their shorter length of service, only cover a portion of their total retirement from an actuarial standpoint. The workers compensation and Injured on Duty are derived from either the state schedule or past history. Unemployment compensation is strictly allocated based upon a budgeted amount versus payroll.

B. Infrastructure Improvement: Harbor, Golf and Fire Operations (Wastewater discussed in this Section 4)

The town has been faced with significant challenges in the form of improvements to its harbors, including the **Saquatucket Harbor** waterside capital improvement project which was voted by the voters at the May 2017 Town Election. Saquatucket Harbor, which is our last harbor to receive renovations, will be completed in a two phase process. The first process is the waterside work has been completed included expanded the number of slips, new floating dock system and American with Disabilities Act work completed. Passengers to Ferry and Boats will now all be able to transition from Parking area onto docks and the Ferry, Charters or Recreational Water Crafts. The project finished in the early summer of 2018. The second phase presented at the 2017 Annual Town Meeting and accepting a \$1 million Seaport Council Grant in 2018 includes the landside work

that focuses on the redevelopment of the purchased Downey property which will include the Harbormaster shop, improvements to the restroom facilities and a small food service facility (Snack Shack) along the waterfront. The landside is currently coming to completion with only landscaping, finished paving and septic system are waiting finalization. Paving and Landscaping due to weather will be completed in spring. We are preparing for all elements on site to be completed including operational Snack Shack (Out to Bid now), all amenities available and the Artisan Shacks solicitations are in process. The 2018 Town Meeting included \$250,000 for sidewalk improvements on Route 28 a State Owned Roadway to make improvements to a sidewalk network that would link Harwichport to SAQ harbor and Outer Cape Health Care facility across Route 28. Due to Maintenance Building being finalized in the late fall the move in has been delayed. A review and appraisal of the old existing Maintenance Building on Bank Street could be sold off with the proceeds to offset the cost of new buildings. Town meeting authorized the sale of this property as well last year.

The **Golf Operation** last year sought and obtained a debt exclusion to complete an update of facilities and parking areas. The \$1.2 million dollar plan calls for the replacement of the antiquated cart barn, reskinning of a maintenance building, reconfiguring some cart paths and the traffic configuration of the traveled lane and the parking areas. The Golf Operation did request, and Town Meeting approved, a new fee to cover the vast majority of costs. The construction work is underway and an additional request to be funded from golf fees for additional parking configuration and landscape design elements is being sought in this town meeting. The regulatory approvals have been received and the Cart Barn is up with electrical elements still pending. The demolition efforts, land and streetscape elements pending spring weather and the Solar Elements on the roof of new Cart Barn are out to bid with CVEC doing the bids.

The **Fire Department** last year was approved for design and construction renovations to station two located on Route 137. The construction is underway on a building over \$6 million has been approved by the Board of Selectmen. The fire station will now be located off of Route 39 instead of Route 137. Planning Board has approved the new facility on the relocated on the existing location.

C. Review Of Departmental Operations For Self-Sufficiency

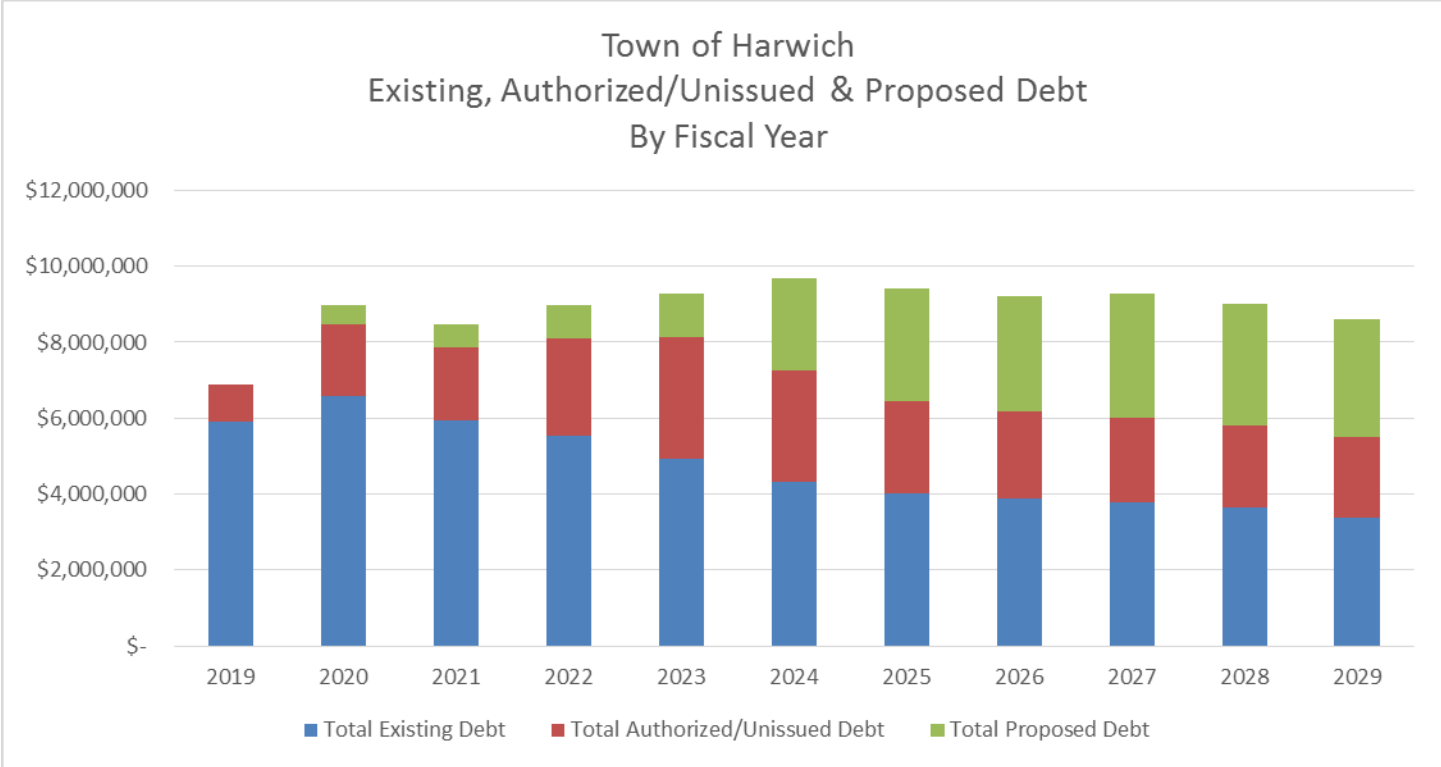

The town has made use of Massachusetts General Laws Chapter 44, Section 53 with all of its subsections to make use of self-supporting or enterprise types of operations. The Finance Director will be working with Administration to continue the work that has been started on this topic and to raise the awareness of departments that have the ability to become more self-sufficient to do so. Transitions in Administration and other issues around personnel settles itself out Administration hopes to return to focus in this area.

8 DEBT STRUCTURE

Any good financial planning document will include how the town structures and funds its debt. Now that some of the initial payments of the Monomoy Regional School District project exclusion payments have been made in FY 2016, I believe that we will see some moderation in the rates as that debt service begins to decline as well as other items come to conclusion. The SAQ harbor water side project will add to the debt; however, this should be moderated as a large portion of this should be paid with harbor receipts in lieu of general taxation. The implementation of Phase 2 of the CWMP is adding additional costs to the debt service. Cape Tech Debt Service voted as a Debt Exclusion is coming on line. The borrowing was done early to capture the favorable

borrowing environment. The borrowing costs came in less than anticipated and the State Reimbursement was higher than anticipated.

The funding of the Wastewater Implementation Plan will be significant and need to be funded over a multi-decade period of time. Administration had hoped and now we have been successful that instead of a State Revolving Loan Fund projection of 2% over 30 years on around \$20 million dollars has been approved for Zero percent savings millions of Taxpayer dollars due to a Regional Project (with Chatham) and Nitrogen reduction. Administration and Finance Department working closely with our Financial Advisor (Hilltop Securities) has prepared Debt Impacts for all Existing, Authorized and proposed in Capital Plan are include. Borrowing amounts and percentages known are included and estimated in the pending cases. The below chart shows a potential costs with all projects (Only includes Phase 2 of the CWMP)

Water is an Enterprise Operation and shows some of the first significant debt falling off occurring in FY 2023. It is a plan that as debt falls off additional capital projects will be pursued and use the available cash to meet the needs of the capital program of the water system. .

9 CAPITAL BUDGET

The FY 2020 Capital Budget process went pretty smoothly as the forms have now become more commonplace and the early information on the amount of Free Cash that is available has allowed for decisions to be made on funding. I do greatly appreciate the efforts of the Capital Outlay Committee on determining prioritization of the requests. I have attached the latest version of the Capital Budget Request Summary that covers from FY 2020 to FY 2026. I believe the departments did a very good job in providing a seven-year look ahead for the needs of the community.

The capital budget component will be broken down based upon funding sections that include utilization of Free Cash, General Fund borrowing capacity, Capital Exclusions, Debt Exclusions, Golf Maintenance Fund, Chapter 90, Water Enterprise and other funding mechanisms. The funding is predicated upon the recommendations of the Town Administrator and do match up with the recommendations of the Capital Outlay Committee.

Please see below the funding plan included in the Capital Plan for FY 2020. Debt Exclusions are borrowing authorizations that may take several years before final borrowing. Please see Detailed Capital Outlay Forms attached.

Debt exclusions

• Public Works	Five-year road maintenance program(Lower County)	\$ 700,000
• Public Works	Lower County Road	\$ 4,560,475
Total		\$ 5,260,475

The FY 19 funding plan does also call for funding several operating budget small capital items from free cash totaling **\$50,000**.

<u>Project</u>	<u>TA Rec</u>
<u>Funding Summary</u>	
FC - Free Cash	\$ 1,472,099
Community Preservation Funds	\$ 822,450
Cemetery Revenue (Revolving/General Fund and Debt Exclusion)	\$ 161,110
Debt Exclusion	\$ 5,260,475
Grants	\$ 95,000
Golf Funds (Maintenance/Operating/Etc)	\$ 247,050
Chapter 90	\$ 700,000
Water Enterprise - Retained Earnings	\$ 505,551
OB - Operating Budget	\$ 160,000
Confirmation Total	\$ 9,423,735

Small Capital to be Funded From Free Cash

CDP	Cape Housing Institute	CPC	\$ 7,500
TOTAL INCLUDING Non-Town/Private			\$ 822,450

10 RESERVE FUND BALANCES

Administration considers reserves in a general way to include in part available undesignated fund balance otherwise known as "Free Cash", Stabilization Fund, OPEB Trust Fund and any other sources applicably recognized by the various bond rating agencies such as Standard & Poor's. It continues to be the intent of this Administration to move reserves to the range of 8% to 12%. You will see for FY 2016 and 2017 have made it up to the target range of over 10%. Prior levels were around 5.4%. The Town continues to improve its fiscal situation to the new bond rating of 20% for reserves. Sustaining these numbers will be key and creating better stability of the Administrative and Finance Team will also be crucial to the bond rating agencies. This FY 2020 budget recommendation adds \$384,000 to our Stabilization Fund, increases our OPEB funding by an additional \$500,000 plus operating budget amount of \$150,000 and provides snow and ice reserve of \$325,000.

Reserves with AA & AAA Target

OPEB Liability	As of June 30, 2018	41,198,362
OPEB Trust Balance	As of Jan 31, 2019	1,706,552
Proposed OPEB Funding	FY 20	675,000
Total Actual & Proposed OPEB Funding		2,381,552
% Funded		5.78%

	Reserves		
	Free Cash	Stabilization	OPEB Trust
FY 2010	\$442,284.00	\$898,298.00	\$300,000.00
FY 2011	\$1,535,321.00	\$980,855.00	\$300,000.00
FY 2012	-\$132,664.00	\$990,411.00	\$300,440.00
FY 2013	\$1,453,985.00	\$993,730.00	\$300,440.00
FY 2014	\$445,804.00	\$1,099,244.00	\$303,512.00

FY 2017	\$1,984,792.00	\$1,101,635.00	\$667,252.00
FY 2018	\$3,576,156.00	\$2,855,862.00	\$866,987.00
FY 2019 Est	\$3,492,074.00	\$3,355,862.00	\$1,716,987.00

11 ECONOMIC DEVELOPMENT STRATEGY

Administration will continue to review current practices and adopt a multifaceted economic development strategy over the next several years. The essential elements of the strategy include:

- Advocate for single tax rate stability, tax policy and water fee policy
- Promote pro-business from the environment businesses seeking to come to town. Research efforts of the Chamber of Commerce, the County and various state agencies to seek out opportunities.
- Continue to support efforts to promote the town in general and enhance tourist efforts.
- Actively market surplus property for sale such as the middle school and promote business development utilizing in part local newspaper stories
- Review and/or expand our pro-business incentives.
- Keep up with infrastructure repairs, promote benefits of town services, including schools.
- Continue to work to develop new business strategies for promoting solar businesses and fiber loops.

The FY2020 budget includes a proposed increase in the Room Tax from 4% to 6%. The opportunity to stabilize our finances and continue to avoid a General Override for general operations subject to year to year pressures. Last year's comments included " Two years ago Administration did look carefully at expanding the Room Residency Tax as a form of creating greater equality between hotels and second homes that are used

for rental purposes. Now that the Legislature of the Commonwealth is looking at this and it was included in the Governor's Budget it may be worthwhile to explore this concept again." Now a Short Term Rental Tax has been approved and is going to be implemented this calendar year.

12 CONCLUSION AND THANKS

The FY 2020 budget is balanced and I believe the suggestions included in this message will strengthen the town financially economically and improve our overall operational resiliency.

Lastly I would like to express my sincere appreciation to the financial management team. I would like to thank Carol Coppola for her considerable efforts on the FY 2020 Budget development. I believe that Amy Duffy Town Treasurer/Collector continues to be a great contributor to the team. I would also like to thank the other team members who have been instrumental in the development of this year's budget, Donna Molino, and Foster Banford for their assistance. Sandy and Ann for their exceptional work in coordination and oversight of the process of developing the 2020 budget. I also appreciate all of the Department Heads in their efforts in submitting thoughtful capital and operating budgets and working with administration to provide a high level of services. I wish to also thank Norm Clarke, Fire Chief; Lincoln Hooper, DPW Director; John Rendon, Harbormaster and Roman Greer and Shawn Fernandez, Golf who all along with their people not only manage their own Departmental Operations but also to take on Capital Projects!

Most important, I wish to thank the Board of Selectmen and the residents of the community for their continuing support that I have been given to this point and I look forward to continuing to work with both in the adoption of the Fiscal Year 2020 Budget and organization to continue to provide a higher level of service to the community at large.

Budget Discussion at School Committee Meeting	December 13, 2018
Budget Discussion at School Committee Meeting	January 10, 2019
First Draft Budget provided to Towns and placed in Libraries	January 15, 2019
Budget Presentation at School Committee Meeting	January 31, 2019
Presentation to Harwich BOS and FinCom	February 4, 2019
Community Forum at the Harwich Community Center	February 5, 2019
Presentation to Chatham BOS and FinCom	February 11, 2019
FY20 MRSC Budget Public Hearing	February 12, 2019
FY20 MRSC Budget Vote	March 14, 2019
Submit MRSC approved FY20 budget to both Towns	March 15, 2019
Harwich Town Meeting	May 6, 2019 ⁵⁰
Chatham Town Meeting	May 13, 2019

Monomoy FY20 DRAFT Budget

The 30,000 foot view

- ◆ Significant unavoidable and unpredictable Special Ed Out-of-District (OOD) driver, resulting in an overall 3.0% budget increase
- ◆ Without the OOD increase, the remainder of the **budget increases at 1.96%**
- ◆ Reduced staff budget, without reduction in services or any programs
- ◆ Health insurance, bus transportation, and contract negotiations have help support this low budget increase
- ◆ The declining number of children in Chatham is largely responsible for a minimum contribution shift towards Harwich

State Aid and Minimum Required Contribution

Chapter 70 Statutory Funding

- ◆ Chapter 70 is the Commonwealth's formula which defines the "foundation budget," the amount which needs to be spent to provide children an adequate education – this can vary based on the demographics and programs offered in districts. The foundation budget is adjusted annually by an "inflation factor."
- ◆ Within this formula is a minimum required contribution, based on a city or town's fiscal ability to provide its children an adequate education. The minimum required contribution is based on a combination of property value and income within the community. The minimum required contribution is adjusted each year by the Municipal Revenue Growth Factor, determined by the State, which is a measure of a community's change in annual revenues.
- ◆ Chapter 70 Aid from the state augments the community's "required minimum contribution" to bring the minimum school funding up to an adequate level (the foundation budget). Many municipalities, like Chatham and Harwich, choose to spend more on schools than their minimum required contribution.
- ◆ $\text{Foundation Budget} = \text{Minimum Required Contribution} + \text{Chapter 70 Aid}$

State Aid Trends

Trajectory of Chapter 70 State Aid FY13-FY20

Minimum Required Contribution Trends

Minimum Required Contribution Trends FY13-FY20

Foundation Enrollment Trends

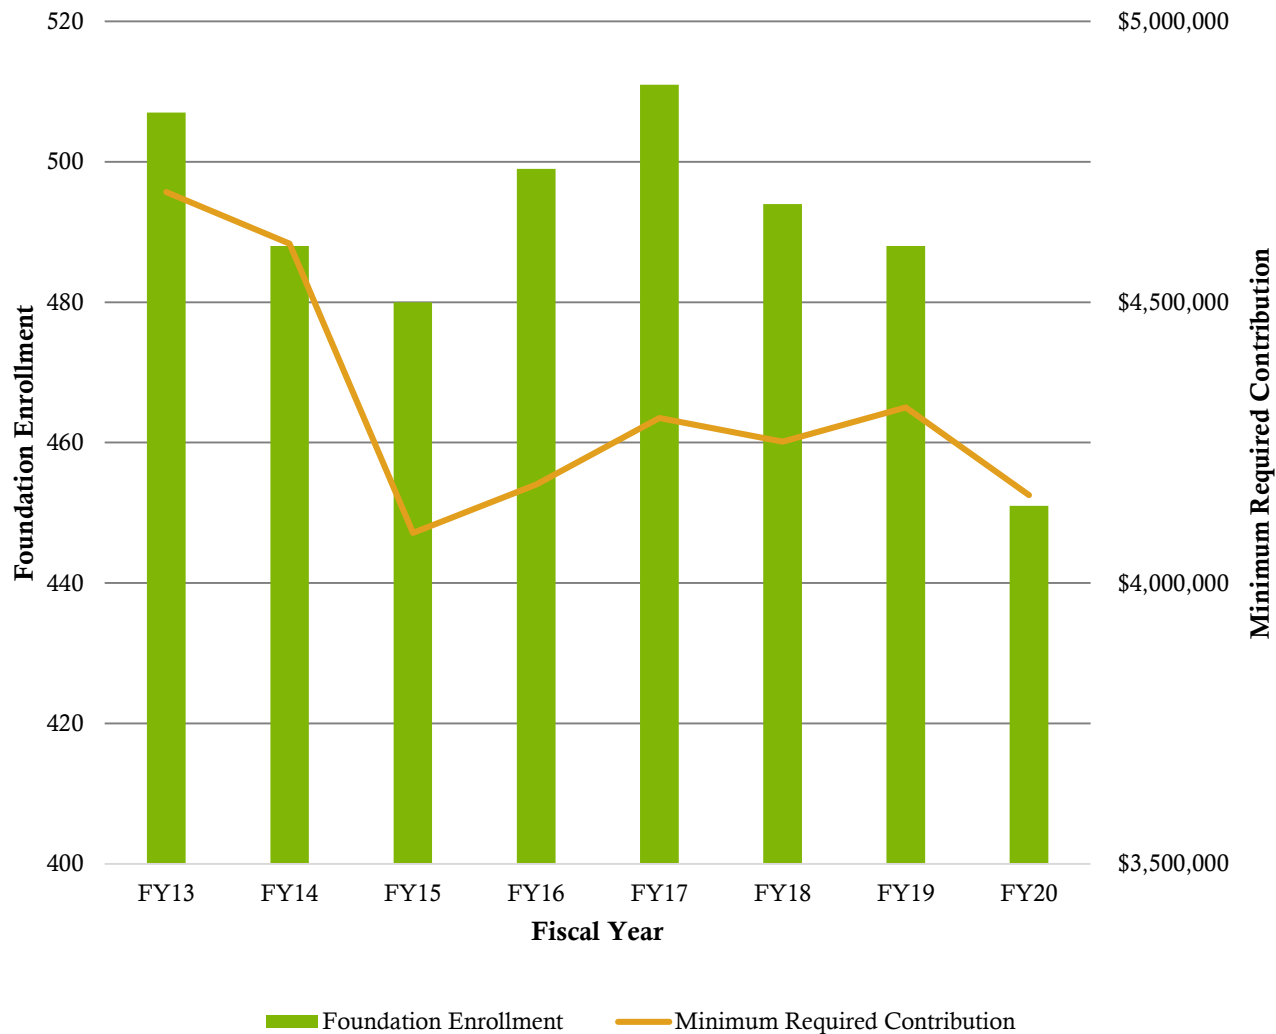

The three-year rolling average for foundation enrollment is used to calculate the Assessment -- this does not include school choice students coming into the district. Foundation enrollment does include school choice students, attending other districts and charter schools, who live in Chatham and Harwich.

Behind the FY20 Budget is a three-year rolling average enrollment split 73.45% Harwich and 26.55% Chatham.

Three-Year Rolling Average of Foundation Enrollment Percentages FY13-FY20 Used in Calculating Assessments

Chatham Foundation Enrollment vs. Minimum Required Contribution FY13-FY20

Harwich Foundation Enrollment vs. Minimum Required Contribution FY13-FY20

Guidelines and Assumptions

Budget Development Guidelines

- ◆ Support the district's Mission Statement
 - ◆ *Monomoy Regional School District is a community of learners of all ages focused on building knowledge, positive character, and resiliency in a safe, supportive, creative, and challenging environment*
- ◆ Support advancement of the district's new 2018-2022 Strategic Plan Objectives
 - ◆ Expand Community Engagement and Partnerships
 - ◆ Strengthen Social and Emotional Well-Being
 - ◆ Close the Achievement Gap
 - ◆ Improve Curriculum, Instruction and Assessment for All Learners
- ◆ Maintain programs across the grade-levels and educationally supportive class size guidelines of 19 ± 2 students per class at the middle & high school level 18 ± 1 at the elementary level
- ◆ Complementary to the budgets and fiscal circumstances of the Towns of Chatham and Harwich.

FY20 Budget Assumptions

This is a Reduced Staff Budget with Level Services

- ◆ Projected level enrollment for the upcoming fiscal year, in light of a **58 student decline since FY16**
- ◆ **Where appropriate, reduce staffing to mirror the enrollment decline, without impacting the educational program**
- ◆ Advance staff with contractually-obligated steps and lanes
- ◆ **Ratification of the agreement reached with the Monomoy Regional Education Association** (Units A & B, anticipated vote on February 12)
- ◆ Chapter 70 State Aid using the FY20 Governor's numbers 1/23/19
- ◆ Minimum required contributions for each town as posted on DESE website 1/23/2019
- ◆ Three-year rolling average for Transportation shifts modestly towards Harwich by .11%
 - ◆ 25.70% (C) 74.30% (H)
- ◆ Three-year rolling average for Operations and Debt shifts modestly again towards Harwich by .20%
 - ◆ 26.55% (C) 73.45% (H)
- ◆ District's OPEB funding at same level as FY19 at \$100,000

Important Factors Behind School Budgets

- Enrollment
- Class Size
- Staffing
- Out-of-district Placements
- School Choice and Charter School

District Enrollment

The three-year rolling average for foundation enrollment is used to calculate the Assessment -- this does not include school choice students coming into the district. Foundation enrollment does include school choice students, attending other districts and charter schools, who live in Chatham and Harwich.

Monomoy Enrollment 2018-2019

District Enrollment Trend

**Monomoy October 1 Enrollment FY13-FY20
(includes Preschool and SPED 18-22)**

There has been a 58 student reduction in students attending Monomoy schools since FY16, which mirrors the overall decline in school-aged children on the Cape. The staff reduction in the FY20 Budget parallels the decline in students, maintaining level services and all programs and opportunities.

Staffing Comparisons

FTEs by Category	FY20	FY19 Budget	FY18	FY17	FY16	FY15

School Choice and Charter School Enrollment Trends

School Choice and Charter School Enrollments FY13-FY19

Budget Offsets & Expenses

- Excess & Deficiency
- School Choice
- Circuit Breaker
- School Choice and Charter School Tuitions

Excess and Deficiency

At the end of every fiscal year, any surplus or deficit in the district's general fund are closed out to the Excess & Deficiency fund (E&D). These are certified by the Department of Revenue annually. If the certified balance exceeds 5% of the proposed budget, the regional school committee must use the amount in excess of 5% as a revenue source to offset its proposed budget.

Fiscal Year	E&D	E&D Used	Fiscal Year offset by E&D (2 years later)
FY13	\$514,648		
FY14	\$1,401,630	\$600,000	to support FY16 Budget
FY15	\$967,615	\$331,821	to support FY17 Budget
FY16	\$1,665,707	\$371,326	to support FY18 Budget
FY17	\$1,891,678	\$705,000	to support FY19 Budget
FY18	\$1,592,984	\$550,000	proposed to support FY20 Budget

School Choice

School Choice	FUND BALANCE	FY13	FY14	FY15	FY16	FY17	FY18	FY19 Projected	FY20 Projected

FY20 Budget Drivers over the FY19 Budget

- Increases in contractually obligated lines
- Continuation of strategic initiatives
- New strategic improvements

Budget Obligation Drivers

Staff Contractual Obligations	\$369,000
Out-of-District Special Education Tuitions	\$432,500
Health Insurance Retiree – 3.7%	\$35,780
Insurance – Unemployment, Property, Liability, Workers Compensation	\$202,724
Barnstable County Retirement	\$77,220
Essential School Health Grant ends	\$37,981
New Transportation Contract	\$157,977
Final Financing of High School Construction Project (3-Year State House Note)	\$56,780

Compared to past budgets, the FY20 DRAFT Budget greatly benefits from the vote taken January 30 by the Cape Cod Municipal Health Group Board to have a 0% increase in Active employee health and dental insurance for the fiscal year.

Continuation of Strategic Initiatives

Community Engagement Coordinator (and Monomoy Website Manager) – Enhancing communication with our stakeholders, while expanding volunteerism and mentoring within our schools

- Maintain and update the district website, including calendar of events, sports schedules, news, recognitions, and more, and trains staff in the use of this technology
- Ensuring that the entire community is kept up to date on activities happening in the schools, both through the district's own communications and working with local media
- Volunteer recruitment and organization for events and activities within our schools
- Tracking of volunteer hours, both as a way to recognize and celebrate the work done by volunteers in our schools and to quantify that time for potential grant funding
 - More than 700 hours have been donated by school volunteers on the first semester
- Coordination of donations from community organizations, businesses, and individuals for school events and activities
 - For example, local restaurants will be donating food for the MRMS Community Heroes Luncheon in February
- Creation of the Monomoy Lighthouse Leader mentoring program, which matches students with caring adults from the community for one-on-one mentoring.
 - A partial-year pilot program has launched for this school year, and mentor and mentee recruitment will continue over the spring and summer for an even more robust program in the 2019-2020 school year
- Support and facilitation of service projects for students, both within the district and with community organizations.
 - For example, coordinate the MRHS National Honor Society students tutoring before and after school at MRMS

Part of the FY19 Budget Presentations, coupling contractual services funding for website management with \$20,000 in new funds in FY19 to expand to Community Engagement

Expansion of Guided Reading resources to support greater differentiation in English Language Arts instruction at the elementary level, a continuation of K-4 ELA curriculum improvements highlighted in the FY19 Budget

Harwich Elementary \$14,000
Chatham Elementary \$7,850

Strategic Improvements in FY20 DRAFT Budget

Improve district's Science/Engineering focus by shifting from World Language to Science "special" at Elementary level. This will better align our curriculum with the Massachusetts Science and Technology/Engineering Curriculum Framework.	Staffing cost neutral, with science material costs: HES \$10,000 CES \$5,850
Bolster middle school clinical support by expanding position to a full-time clinical counselor (.6 → 1.0 FTE)	\$34,107
Improve special education support at the middle school expanding to a full-time Team Chair (.5 → 1.0 FTE)	\$39,842
Enhance English Language Learner (ELL) supports by adding an additional high school ELL teacher	\$58,015
Additional funding for summer professional development opportunities for teachers, focused on differentiation skills, guided reading proficiency, social-emotional repertoire, and multicultural awareness	\$18,000
Add translation and interpreter services to the school district's budget to support our growing number of ELL families	\$15,000

Budget Increase Over Prior Fiscal Year

FY20 Draft Budget		FY19 Budget	Δ	%
\$38,289,139	Operating	\$37,119,578	\$1,169,561	3.15%
\$355,000	Capital	\$355,000	\$0	0.0%
<u>\$2,257,343</u>	MRHS Debt	<u>\$2,233,776</u>	<u>\$23,567</u>	<u>1.05%</u>
\$40,901,482		\$39,708,354	\$1,193,128	3.00%

Excluding the unpredictable and unavoidable Out-of-District increases of \$432,500 within this unique budget year, this is only a 1.96% budget increase.

Moving from Budget to Assessment

The district's \$40,901,482 budget does not cost the towns \$40,901,482.

Budget vs. Assessment

- ◆ The Monomoy FY20 Budget is how much it costs to fund the education of children in Harwich and Chatham.
- ◆ The Assessment is how much each town pays to fund the Monomoy Regional School District according to the formula in the district's Regional Agreement.
- ◆ Chapter 70 State Aid is anticipated to offset the cost of funding our schools by almost \$3.24M. The school district also receives funding from the state to defray the cost of bus transportation, expensive Special Education placements (Circuit Breaker), and a small portion of charter school tuitions.
- ◆ Each town also has a “minimum required contribution,” calculated by the State, using the number of school aged children in the town attending public schools and real estate and income wealth within the town.
- ◆ The enrollment of students attending public schools in each town is calculated using three-year rolling average of the enrollments to determine how much each town pays for the Operating, Transportation, Debt, and Capital portions of the Monomoy budget.

FY20 Assessment Drivers

Disproportionately Impacting Harwich

- While there is a slight increase in the three-year rolling average in enrollment for Harwich, there is a significant increase in the Harwich's foundation enrollment (based on October 1, 2018 enrollments) used to calculate minimum required contribution.
- This causes Harwich's FY20 Assessment percentage increase to be significantly more than Chatham's.

	FY20 Minimum Required Contribution	FY19 Minimum Required Contribution	Increase/Decrease
Chatham	\$4,156,810	\$4,309,339	-\$155,764
Harwich	\$12,839,288	\$12,167,534	\$638,961

FYI: How the State Calculates Minimum Required Contribution

FY20 Chapter 70 Determination of City and Town Total Required Contribution

55 Chatham

Effort Goal

1)2018 equalized valuation	7,374,670,100
2)Uniform property percentage	0.3418%
3)Local effort from property wealth	25,205,469
4)2016 income	329,994,000
5)Uniform income percentage	1.4816%
6)Local effort from income	4,889,253
7)Combined effort yield (3 + 6)	30,094,722
8)FY20 Foundation budget	5,180,612
9)Maximum local contribution (82.5% * 8)	4,274,005
10)Target local contribution (lesser of 7 or 9)	4,274,005
11)Target local share (10 as % of 8)	82.50%
12)Target aid share (100% minus 11)	17.50%

FY20 Increments Toward Goal

13)Required local contribution FY19	4,410,094
14)Municipal revenue growth factor (DOR)	4.36%
15)FY20 preliminary contribution (13 raised by 14)	4,602,374
16)Preliminary contribution pct of foundation (15 / 8)	88.84%
<i>If preliminary contribution is above the target share:</i>	
17)Excess local effort (15 - 10)	328,369
18)100% reduction toward target (17 x 100%)	328,369
19)FY20 required local contribution (15 - 18), capped at 90% of foundation	4,274,005
20)Contribution as percentage of foundation (19 / 8)	82.50
<i>If preliminary contribution is below the target share:</i>	
21)Shortfall from target local share (11 - 16)	
22)Added increment toward target (13 x 1% or 2%)*	
*1% if shortfall is between 2.5% and 7.5%; 2% if shortfall > 7.5%	
23)Special increment toward 82.5% target**	
**if combined effort yield > 175% foundation & target local share = 82.5%	
Combined effort yield as % of foundation	
24)Shortfall from target after adding increments (10 - 15 - 22 - 23)	
25)FY20 required local contribution (15 + 22 + 23)	
26)Contribution as percentage of foundation (25 / 8)	

****The Required Minimum Contribution Amount includes Cape Cod Tech For FY20 the amount is Monomoy \$4,156,739 + Cape Tech \$117,195 = \$4,274,005**

Summation by fiscal year calculated for each issuance of debt, details available for review upon request

Median Residential Tax Impact -
Existing, Authorized/Unissued & Proposed Debt

TOWN OF HARWICH
FISCAL YEAR 2019
Residential Properties Only
Median & Average Values

Total Number of Parcels		9,733
Total Value of Parcels		\$5,124,091,600
Estimated Residents		5,173
Total Resident Taxable Value		\$2,335,656,300
Resident Median Value		\$374,700
Resident Average Value		\$451,509
Estimated Non-Residents		4,560
Total Non-Resident Taxable Value		\$2,788,435,300
Non-Resident Median Value		\$403,850
Non-Resident Average Value		\$611,499
Median Single Family Value		\$394,700
Average Single Family Value		\$541,900

This information is based on single family homes, condominiums, 2 and 3 family homes and more than one residential dwelling on a lot.

The data was compiled by the properties mailing address. Properties that have out of town mailing addresses are assumed to be non-resident and properties that have a Harwich mailing address are assumed to be resident.

This information is compiled on the above criteria.

	H3/6 Facilities Maintenance Working Foreman					
	\$31.51*40*52.4					
	With the addition of the Cultural Center, this position would primarily manage and coordinate the Town's Custodial unit of 5 full-time and several substitute custodians, as well as perform other Facility Maintenance activities. The maintenance of this building consumes nearly half of the Facility Maintenance Dept's time, leaving the maintenance of other Town buildings lacking.					
	OT - NEW BUILDING MAINTENANCE POSITION		65.00	47.27	3,072.55	
	H3/6 Facility Maintenance Working Foreman

		19 HRS X 22.71 X 52.4 WEEKS 22,610.07				
		Due to an increase in deaths, there is a much greater need to survey old family lots to use for cremation burials. This requires indexing and verifying the searchable database to fill this increase in demand. Cemetery admin must currently work on vacation, personal and sick days as there is no one else to coordinate burials during this time. It is impossible for one person to be on call 24/7/365 and this creates coverage gaps for a service that needs to be addressed immediately.	1.00	.00	.00

FY20 Budget Cost Drivers

Budget Cost Drivers	
Salaries and Benefits	\$11,552,677
Materials and Services	\$1,541,018
Capital	\$395,000
Other	\$1,598,305

Salaries & Benefits account for 76% of the FY20 budget

Other Post Employment Benefits (OPEB)

In 2015, Cape Cod Tech joined the Plymouth County OPEB Trust, an IRC Section 115 multiple-employer, irrevocable trust program established by Plymouth County and the County Treasurer to assist public entities in Plymouth County and neighboring counties pre-fund retiree healthcare liabilities. This provides the benefit of a lower liability and large investment pool.

Unfunded Actuarial Accrued Liability	(2017 GASB Audit)	\$19,310,617
Balance of OPEB Reserve		\$660,931
Proposed FY20 Funding		\$100,000
