(h) Bonds of private corporations and scrip of insurance and other companies, including those pledged as collateral, at their fair cash value.

(i) Debts due from persons, copartnerships and corporations not included above.

(From such debts there may be deducted debts legally due by the tax-payer on April first; but no debt is to be deducted which is secured by mortgage of real estate situated in the Commonwealth, nor any debt or liability as member of a firm, nor any contingent liability which the tax-payer has assumed or become liable for as maker—for the accommodation of any person, company or corporation—or negotiable paper, or as acceptor or endorser thereof, or as bail or surety.

(j) Cash on hand on April first, including checks and drafts payable on that day.

(k) Deposits in trust companies which can be withdrawn on demand or upon notice not exceeding ten days, and deposits in national banks. The amount returned as cash on hand or as deposits is not to be reduced by any debts or liabilities of the tax-payer.

Excess above \$2,000.—

(p) Income from annuities.

(q) Vessels and parts of vessels with their stores and appurtenances at their fair cash value, excepting only those actually engaged in the foreign carrying trade within the meaning of section seven of Part One of chapter four hundred ninety of the Acts of 1900, and which have been returned for tax under said section seven; amount not to be offset by deducting the fair value of any vessel or part thereof sailing under any foreign flag, but controlled or run in whole or in part for the benefit of the tax-payer.

(r) Mules, horses and vehicles of every description, and neat cattle not less than one year old and swine and sheep not less than six months old.

(s) Household furniture exceeding one thousand dollars in value, including library, pictures, statuary, etc.,

Excess above \$1,000.—

(t) Shares in all incorporated companies, except national banks wherever located, chartered by or organized under the laws of any state or nation other than the Commonwealth of Massachusetts. This class of property is not to be decreased by the temporary transfer of the shares of any corporation, but is to be a full return of all shares, including those pledged as collateral, owned or held by the tax-payer, without deduction or offset.

(u) Public securities, including the bonds of all nations (except the United States and bonds or certificates of indebtedness by the Commonwealth of Massachusetts issued subsequent to Jan. 1, 1906, bonds, notes and certificates of indebtedness of any county, fire district, water supply district, city or town in the Commonwealth issued on or after May 1, 1908) and of all states, counties, cities or towns; also bonds of all railroads, including street railways and those pledged as collateral. No part of this description of property is to be classed as money at interest or debts due; nor is the value to be decreased by any liability or offset in any way whatever.

(v) All other personal property which has not been specifically exempted by law from taxation.

Acts of 1900, Chap. 490, Part One, Section 72. A person aggrieved by the taxes assessed upon him may, within six months after the date of his tax bill, apply to the assessors for an abatement thereof; * * *

Section 73. A person shall not have an abatement, except as otherwise provided, unless he has brought in to the assessors the list of his estate as required by section forty-one. An executor, administrator or trustee after three years from the date of his appointment, or a tenant of real estate paying rent and under obligation to pay more than a moiety of the taxes thereon, may have an abatement although no such list was brought in. If such list is not filed within the time specified in the notice required by section forty-one, no part of the tax assessed upon the personal estate shall be abated unless the applicant shows to the assessors a reasonable excuse for the delay or unless such tax exceeds by more than fifty per cent the amount which would have been assessed upon such estate if the list had been seasonably brought in, and in such case only the excess over such fifty per cent shall be abated. If the applicant was not required by said notice to include his real estate in said list, and has not done so, he shall, if he seeks an abatement of the tax on his real estate, file with his application a list verified as provided in section forty-three, of his real estate, with an estimate of the fair cash value of each parcel.

The foregoing schedule comprises all of the ["Real Estate" if required by the assessors to be returned, "and"] personal property of every kind and description either within or without the Commonwealth owned or held by me on the first day of April of the current year subject to taxation by the assessors of the _____ of _____, under the laws of the Commonwealth of Massachusetts according to the instructions hereinbefore given; and the several items thereof have been computed in the lawful money of the United States, and all the statements in connection therewith are full, true and correct according to my best knowledge and belief.
