EXPLANATION OF TABLE OF AGGREGATES.

The figures entered in this table are to be derived from those entered in the Valuation List. They should represent polls and property actually assessed for tax in money, and should include nothing which has been exempted from taxation.

The figures in Columns One, Two, Three, Six, Seven and Nine should each respectively be the sum of the figures above in the same column.

In Column Three the number of persons assessed "On Property" (item 3) should be the sum of the totals of Column One (item 1) and Two (item 2).

In Column Eight the number entered should be the sum of the totals in Columns Six and Seven.

In Column Nine (percent for state and city or town purposes) as may be caused by assessing the tax "On Personal Estate" will be the sum of the total of Column Six and "On Real Estate" will be the sum of the total of Column Seven, and "On Polls" will be the number in Column Three multiplied by 25.00.
