TOWN OF HARWICH

ASSESSORS NOTICE

Pursuant to the provisions of Section 29, Chapter 59, General Laws, all persons, firms and corporations, domestic or foreign, subject to taxation in the town of Harwich are hereby notified and required to bring into the assessors of said Town

On or before the 15TH DAY OF MAY NEXT

true lists. In case of residents a true list of all their polls and personal estate not exempt from taxation, of which they were possessed on the first day of April in the current year, and in case of non-residents and foreign corporations a true list of all their personal estate in said town not exempt from taxation, and all persons, firms and corporations, domestic or foreign, are hereby notified and required to include and set forth in said lists their real estate subject to taxation in said town, which lists must be verified by oath as required by section 31 of Chapter 59, General Laws.

Under the provisions of Sections 29 and 30, Chapter 59, General Laws, the above-mentioned lists must be in form prescribed by the Commissioner of Corporations and Taxation of the Commonwealth. These blank forms may be had at the Assessors' office, or will be mailed to any address upon application.

Section 34, Chapter 59, General Laws. A mortgagor or mortgagee of real estate may bring into the assessors of the town where it lies, within the time prescribed by the notice under section twenty-nine, a sworn statement of the amount secured thereon or on each separate parcel thereof, with the name and residence of every holder of an interest therein as mortgagor or mortgagee. If such property is situated in two or more places, or if a recorded mortgage includes two or more estates or parts of an estate as security for one sum, such statement shall include an estimate of the interest of the mortgagee in each estate or part thereof. The assessors shall, from such statement or otherwise, ascertain the proportionate interests of the mortgagor or mortgagee respectively in said estates, and shall assess the same accordingly. If, in any year, such statement is not brought in, the tax for that year on such real estate shall not be invalid merely for the reason that the interest of the mortgagee therein has not been assessed to him.

In accordance with Section 29 aforesaid, all persons, except corporations making returns to the Commissioner of Insurance as required by section 38, Chapter 176, General Laws, are hereby required to bring in to the assessors, on or before the 15th day of May next, true lists of all real and personal estate held by them, respectively, for literary, temperance, benevolent, charitable, or scientific purposes on the first day of April, in the current year, or at the election of such corporation on the last day of its fiscal year last preceding said April first, together with statements of the amounts of all receipts and expenditures for said purposes during the year last preceding said days; such lists and statements to be in accordance with blanks furnished by the Commissioner of Corporations and Taxation.

EXPLANATION OF TABLE OF AGGREGATES.

The figures entered in this table are to be derived from those entered in the Valuation List. They should represent polls and property actually assessed for taxes in money, and should include nothing which has been exempted from taxation.

The totals in Columns One, Two, Three, Six, Seven, and Nine should each respectively be the sum of the figures above it in the same column.

In Column Three the number of persons assessed "On Property" (item g) should be the sum of the totals of Columns One (item c) and Two (item f).

In Column Eight the amount entered should be the sum of the totals in Columns Six and Seven.

In Column Nine (except for such slight variations as may be caused by fractions) the item "On Personal Estate" will be the tax on the total of Column Six, the item "On Real Estate" will be the tax on the total of Column Seven, and the item "On Polls" will be the number in Column Four, multiplied by $3.00.

COUNSELLOR AT LAW

November 8, 1923.

J. Freeman Ryder, Esq.,
North Harwich, Mass.

Dear Freeman:

I went to the town office to pay my tax a few days ago, but found several apparent mistakes in your assessment of the Ayer property.

Your assessment includes the following:

Mill	$150.
New building	3200.
Cottage	2500.
Lot 75	100.
Six lots	780.
Eleven lots	480.
One lot	80.
Land F. W.	100.
Cottage lot	80.
Barn lot	250.

I own none of the above mentioned property excepting possibly the "barn lot". As you have assessed 1 3/4 acres for homestead lot, 2 1/2 acres beach land, and 20 acres for adjoining land, which is a considerably larger area than I own, I am wondering where the barn lot comes in.

Can you straighten this matter out for me so that the Treasurer can send me a new tax bill, or will it be necessary for me to meet you at the town office? If you could save me the trouble of arranging for a meeting just at this time, I should appreciate it.

Respectfully yours,

GLW:Z
