Mr. Albert Raneo
Director
Division of Highways & Maintenance
Queen Anne Road
Harwich, MA 02645

Dear Albert:

As recommended by the Harwich Police Department, the Board of Selectmen at their March 15, 1994 meeting, voted to authorize installation of a sign to read "NO PARKING HERE TO CORNER - TOW ZONE" just beyond the driveway in front of #3 Archibald Circle on the east side of the roadway. This sign would be approximately 200' north of the intersection of Lower County Road. This action would relieve the problem that exists there now and would allow access to homeowners to enter and exit their driveways.

Please advise us when the sign has been installed or if you have any questions regarding the installation.

Thank you for your cooperation.

Sincerely,

Allen P. Thompson
