Please be advised that the Harwich Board of Health has directed staff to not place any hearings and/or variance requests on an agenda until the engineer or representative has had a preliminary project review with the Health Director. It is hoped that this process will eliminate the need for continuances at meetings due to design omission or incomplete submittals, and to help streamline a complicated process. Please call 508-430-7509 to schedule an appointment.

Hearing Fees (Variances, Modifications to Title 5 etc.) \$125 - Environmental Impact Review/Wastewater Treatment Project Review \$300

Verification of abutters' notices should be brought to the hearing

**Please Note: For abutter notification purposes** - Notices should be posted for 7:00 pm when the meeting begins at 6:30 pm.

The Board schedules a work session for the first 30 minutes of each meeting and **hearings begin after the 30 minute Board of Health work session.**
