This directory was created by the Schools of the 21st Century - Advisory Committee  
The Harwich Public Schools has a formal affiliation as a demonstration site with the Yale Bush Center School of the 21st Century Project. The Harwich Public Schools is one out of 1300 across the country. The 21st Century Advisory Committee meets regularly to dialogue regarding progress and enhance plans for services for Harwich families and children from birth through 12th grade. The School of the 21st Century (21C) is a community school model that incorporates childcare and family support services into schools. Its overall goal is to promote the optimal growth and development of children beginning at birth. Additions/changes or deletions are WELCOMED! email changes to 21st Advisory Committee in care of aemerson@harwich.edu
