And if you cannot find sufficient goods and chattels belonging to the person assessed whereon to make distress, you shall take the body of the said person and him commit to one of the common jails in the county in which you shall arrest him, there to remain until he shall pay said tax, interest, charges, and fees, as allowed by law; or until he shall be discharged therefrom by due course of law: provided, however, that you may at your discretion, after the service of this warrant, allow such person to go free for a period not exceeding fourteen days after said service, at which time if said person does not pay his tax with all fees and charges due thereon you shall then arrest said person and commit him to jail as aforesaid. But if you shall commit such person for the non-payment of a poll tax only he shall not be detained in jail more than seven days. And in case you shall commit said person to jail by virtue of this warrant, you are required to give the keeper of the jail wherein he may be so committed a certificate under your hand, setting forth that for want of goods and chattels of the said person whereof to make distress, you have taken his body and committed him to jail as aforesaid; and also setting forth the amount said person is to pay as his tax, interest, charges, fees and travelling expenses as provided by law.
