HISTORIC DISTRICT AND HISTORICAL COMMISSION

2006 ART 50 / \$25,000 / Update Town Historic Property Inventory:

Project Update

March 12, 2015

On February 28th, staff was able to secure all of the documentation (in various stages) that was part of the original consultant's [Jonathon Hale, Architect] contractual agreement.

On March 9, 2015 a contract was executed between the Town and Mirande Dupuy DeWitt of Dupuy Preservation Consulting, for a specified amount. The completed contract is on file with the Administration Office.

Summary of Contract:

Basically there are three categories of work to fulfill in the contract.

a.) Compilation of the parcels/properties that are subject to Chapter 131 of the Town code - Historic Preservation and numbers more than 750 parcels.

b.) From the 'a' list above 250 parcels/properties will be documented. From specified criteria the documentation will include an architectural narrative along with photos and mapping of the parcels / properties.

c.) From the 'b' list above a minimum of 25 parcel/properties worthy of designation will have a completed Massachusetts Historical Commission Survey and Inventory Form, more fondly known as a 'Form B'.
