

Support Our Troops this Holiday Season!

The Harwich Community Center
will be partnering with
Cape Cod Cares for Our Troops
to hold a collection drive for our troops!

Cape Cod Cares for Our Troops has been sending care packages to our deployed troops since 2005, supporting our Blue Star Families, Veterans, Wounded Warriors, and honoring our Gold Star Heroes and their families.

We need your donations to show our Soldiers, Sailors, Airmen & Marines they are not alone!

**We welcome any donation that
you are able to contribute!**

*(Suggestions of items we will be accepting
can be found in the Wish List below)*

Donation Collection end date is Nov 14th

We also encourage donors to include **personal letters of appreciation**. These are often the most cherished items in our care packages.

You can drop your donations off at the
Community Center in the specified donation
boxes located in our front lobby.

If you have any questions, please call us at 508-430-7568.
