EXPLANATION OF TABLE OF AGGREGATES.

The figures entered in this table are to be derived from those entered in the valuation lists. They should represent polls and property actually assessed or exempted from taxation, and should include nothing which has been exempted from taxation.

The figures in Columns One, Two, Three, Six, Seven, and Nine should each represent the sum of the figures above in the same column.

In Column Three the number of persons assessed "On Property" (Item 3) should be the sum of the figures in Columns One, Two, and Four.

In Column Four the amount entered should be the sum of the totals in Columns Six and Seven.

In Column Nine except for such slight variations as may be caused by rounding the tax "On Personal Estate" will be the tax on the total of Column Six and Seven "On Real Estate" will be the tax on the total of Column Seven, and the tax "On Polls" will be the number in Column Four multiplied by \$5.00.

JAMES H. FOSTER
PRESIDENT

Town of Harwich,
Harwich, Mass.

Gentlemen:

I just received my bill for taxes and think some error must have been made.

Your committee called at my place and went over the matter thoroughly with me and arrived at a valuation of \$30,000 to cover the real estate and personal property. At the new rate of \$27 per thousand, this would make my tax bill \$810.

into
Will you please look/this and advise me.

Yours very truly,
