		Ephraim A close-up photograph of a weathered, grey granite gravestone for Ephraim Doane. The stone is heavily covered in bright orange lichen. The inscription is carved into the stone and reads: "EPHRAIM DOANE", "Died", "Sept. 1. 1873.", "Aged 83 yrs.", followed by several lines of smaller, less legible text.	Cracks A full-length photograph of the same gravestone for Ephraim Doane. The stone is a simple, upright, rectangular shape with a slightly arched top. It is heavily covered in bright orange lichen and shows signs of weathering and cracking. The base is set into the ground.
		Polly A close-up photograph of a weathered, grey granite gravestone for Polly Doane. The stone is heavily covered in bright orange lichen. The inscription is carved into the stone and reads: "POLLY", "Wife of", "EPHRAIM DOANE", "Died Feb. 26. 1865.", "Aged 74 yrs.", followed by several lines of smaller, less legible text.	Cracks A full-length photograph of the same gravestone for Polly Doane. The stone is a simple, upright, rectangular shape with a slightly arched top. It is heavily covered in bright orange lichen and shows signs of weathering and cracking. The base is set into the ground.
		Calvin A close-up photograph of a weathered, grey granite gravestone for Calvin Doane. The stone is heavily covered in bright orange lichen. The inscription is carved into the stone and reads: "CALVIN DOANE", "Died", "June 3. 1873.", "Aged 74 yrs.", followed by several lines of smaller, less legible text. Below this, it reads: "Memory of", "CALVIN N. & LEWIS P.", "DOANE", "Lost at Sea Oct. 1851.", "Aged 19 & 17 yrs.", followed by several lines of smaller, less legible text.	Cracks A full-length photograph of the same gravestone for Calvin Doane. The stone is a simple, upright, rectangular shape with a slightly arched top. It is heavily covered in bright orange lichen and shows signs of weathering and cracking. The base is set into the ground.
