Joe McNulty and Dennis Hoye have a lot of vacation time to be taken before they lose it so over the next few weeks they will take a day here and there.

Dennis will be going to the PGA show in Florida Jan 22-24. This is an event that he pays for himself so he will be the only one going this year.

The last week of November the Range will be closed to tear up the Tee and re-sod it

Bob Kingsbury would like to see a line item in the next budget for furthering education that may be outside of the New England area

Dennis Hoyer has been approached by a company called Golf Pipeline and would like the committee to check it out on line to get their thoughts on it. It is a company that does social media advertising with group Tee time and such.

### **Public Comment:**

Bob Plienes - The Sr. members would like to see if possible something like a punch card possibility. Some can't play all 18 holes and some can only play in the afternoon. Something like a punch card would make this possible for them rather than paying the full membership fee.

Joe Sweeney would like to see a Sr. Tee added to the course. Feels as though the men shouldn't have to play from the woman's tees and would like their own set up.

Sori Belz would like to be at the meeting Dennis Hoyer has with Sean Libby about the bathroom renovations.

Meeting Adjourned motion by John Moretti second by Martha Duffy Vote unanimous

Respectfully submitted,

*Jenn Heath, Sec. HGC*
