East Harwich Dec 29. 1875 -

met agreeable to Adjournment with Wm N. Stet in the Chair - as Moderator - a vote was then taken to act on the 5th article in the Warrant - the Treasurer made his Annual report which was accepted - voted to hear the Report of the Superintendent - of which the following is a correct copy, and which was voted to be recorded in full in the Clerks Book.

Mr Moderator and Gentlemen -
as Superintendent of your Corporation it becomes a pleasant duty to me, to submit the following Report. at our last Annual meeting various Improvements were voted for - such as adding two Acres of Land to our Cemetery - Removing Stumps - Grading Avenues - Setting Trees - Laying out and Grading Park - Raising Avenues. Establishing new corner Stakes to all the Lots - with appropriate Scripture passages &c. this Duty or Amount of labor was placed in charge of your Superintendent with the Impression that the whole work could be accomplished for some five or Six Hundred Dollars - the expenses incurred in carrying out the vote of the Corporation, seems to call for an explanation from me. The Land was procured at the Price indicated \$30 - per Acre. of David Kendrick and Charles M. Holmes - Deeds for the whole Property have been Executed and Recorded. the Expense of Removing Stumps \$50 - was paid to J. Buck agreeable to contract. And at a

Loss of about Eleven Dollars to the Contractor -

The Lumber Bill. Estimated by Carpenters to be about Ninety Dollars. Amounted to almost three Hundred Dollars - the Carpenter bill of labor was about as expected - in removing the Old Fence the Posts proved to be in a worse Condition than Anticipated. And was the means of swelling our Lumber Bill - The Bill for Trees \$140 - was about as Anticipated. While the Labor in preparing Beds for the Trees and Carting in suitable soil was far in excess of what had been expected. Now each tree has a bed of Rich Soil in which to Commence its new growth - for the Soil. we are under Obligations to Capt Ensign L. J. Saunders - all the Stakes and Sign Posts in the Cemetery - are coated with Coal Tar below the Surface of the Ground -

The Fences are now in excellent Condition and will probably want no expense for years to come with the exception of Whitewash and Paint as required by our By Laws - the House in the Park is built of good material, Shingled with Best quality Cedar Shingles. Insuring no Expense for Repairs for years to come - the Grading of the Land inside of the Park fence, was Completed at the Expense of your Superintendant - and it may not be poor of place if I should here say that this cost to me was about \$26 -

Finding our Bills come swelling to nearly double the Amount expected. I have paid for Grading Avenues and various other Improvements about \$100 - for which I have made no charge to the Corporation. Anxious to have the improvements "to my own satisfaction" carried out. I have labored hard and expended about \$160 - in time and money which the Corporation will please Accept as a Gratuity from me. With the Request should I die and my Children be left poor with Assessments on Lots occupied by me said Assessments may be remitted -

Our Bills amount to about \$1080 - as per Treasurers Report to cancel this in part we have sold lots amounting to \$480 - and collected on former lots by Subscription for Treas. \$33 - which leave our Financial Affairs in an easy condition -

Land having ^{been} procured around the Cemetery outside the fence twenty five feet in width for Side walk and Road. Making the outside Lots more desirable for Burial purposes. I would recommend that these Lots remaining unsold be Appraised at \$15. each -

In conclusion I would say our Cemetery is fast gaining Public favor with flattering prospects of soon selling a sufficient number of Lots to meet all our liabilities -

When we shall have Lots left to the amount of \$700 - Sales of Lots have exceeded our most sanguine expectations. I congratulate the Corporation on its success and kindly thank all for words of encouragement while Improvements were advancing - I feel under especial Obligations to Mr Henry Chase and Herman Chase for their Interest and care in helping me through with the labors of the past Season -

I would recommend a Labor tax be Assessed Annually on each Lot under the Supervision of the Superintendent for general improvements on the Cemetery - Also that one week in the Month of May Annually may be designated by the Superintendent for Special labor on Lots. Clearing them of Grass Weeds &c.

When all is finished I shall feel justified in pointing with Commendable pride to the Best located and most Attractive Cemetery in Barnstable County - And where 'Gods grace' we may all rest in peace.

Jonathan Buck. Superintendent

Voted to accept the Superintendents Report -

and passed a Vote of thanks to Jon^d Buck Esq Superintendent for his Care. Labor and Expense he has bestowed so generously on our Cemetery for the good of the Corporation - Also Voted that no Tax be Assessed on his Lots until they are occupied -

Committee Report - Continued.

June 12, Committee met - Mr. J. H. Jenkins on the premises, and voted unanimously, to accept the fence from Mr. Jenkins. And authorized the Treasurer of the Corporation to pay him (Jenkins) from the funds of the East Harwich Cemetery Corporation the sum of Six hundred & sixty eight dollars and thirty three cents, (\$668.33) the amount at price agreed to in contract.

At a meeting of the Directors of the East Harwich Cemetery Corporation held April 8th, 1899. Your committee was ordered by that board to lay out new lots when the fence should be completed. Your committee have laid out forty-two (42) lots: Twenty-six on the south side and sixteen on the west side.

The same was accepted by the Board of Directors Nov 25, 1899

Your committee has finished the work given them to the best of their ability. Each member of it was an entire stranger to that kind of work. Therefore labored under some disadvantages especially at the beginning, and had to take steps cautiously. The Committee have done a little grading of the grounds which seemed to be necessary to a full completion of the work. The fence you have caused to be erected, not only adds strength and durability, but also imparts a degree of beauty to the grounds in which our dead lie buried. And will stand a monument to the loyalty to all those who caused it to be erected. When they too, shall sleep within the sacred enclosure. All of which is respectfully submitted.

The above was the last entry made
by Mr. Kendrick before he fell ill and
after a long illness died in Cape Cod
Hospital in Hyannis, Mass in October 1954
Apparently no formal meetings were held
during this period in the absence of the
Clerk since all hoped for his recovery
and for his return to his place and duties
he had held since Dec. 19th 1903 and most

faithfully performed. Mr. Kendrick will be long remembered by all who knew him for his abilities and for the hand which was ever ready to reach out and help any and all who needed help.

During his last illness he asked that one Island H. McKenney be appointed to fill his position but faithful to their old friend the Board of Directors, although assenting in principle, refused to elect another clerk until after Mr. Kendrick had gone to his reward. Requiescat in Pace.

May 1 1956

Report of Meeting of Board of Directors

2. It was agreed to elect Mr. Thomas K. Kendrick to the Board to replace his father Reuben D. Kendrick whose resignation for ill health was accepted with deep regret.
3. It was agreed to insert into the records of the Corporation a memorial to T. B. K. for his long & generous service.
4. After discussion of funds it was agreed to carry on at discretion of Superintendent.

The above is reported to the Clerk of this date May 1 1956 and is verified by those who were present at meeting.

The clerk was instructed in some of his duties in regards to placement of bodies brought to the cemetery for burial.

Treasurer Ralph Cashen reports an offer of Mr. Harold Noreen of Warwick to purchase the stone posts which ~~were~~ were removed from the north side fence when cemetery was extended. After a short discussion it was voted not to ~~sell~~ the posts and the Supt. was delegated to inform Mr. Noreen of the decision.

In formal meeting the following articles were brought up.

Art. 1. To see if Board will confirm action of informal meeting held in Nov. 1954 (as presented).

Art. 2. To see what action shall be taken to prepare the cemetery for May 30.

The records of last meeting were read and a vote was taken to accept them. Treasurer Cashen reports all bills paid with the exception of that of Mr. Harold Noreen. He also reported that all the Perpetual Care banks books had been turned in to be replaced by new type books. He reports cash on hand as \$245.00. He reports money received for a lot from Mr. R.
