Project Information

Project Title: Harwich Affordable Housing Trust Fund/ Part Time Housing Coordinator

Project Amount Requested: \$500,000.00

Project Description:

A priority goal for the Town of Harwich is to create, support and preserve safe and decent housing affordable to our residents, while maintaining the quality of life for all residents.

The 2010 Census shows that families continue to leave the Cape. The cost of housing is a major factor causing this exodus. While house prices declined somewhat since the recession, the market has been rebounding and values are approaching pre-recession levels, out of reach for many year-round residents.

The Affordable Housing Trust allowed under MGL Chapter 44, Section 55 C (attached Exhibit A) would expedite the Town's ability to partner with private developers and convert existing housing to affordable housing. The purpose of the Trust is to provide a public benefit and a suitable living environment by increasing the access to and availability of safe and decent affordable housing to Harwich residents, while maintaining quality of life for all. Additionally, the Trust will provide for the creation and preservation of affordable housing in municipalities for the benefit of low and moderate-income households. Yarmouth, Norwell, Lincoln, Dartmouth, Cambridge, Upton, Sudbury, Georgetown and Scituate are some examples of successful Affordable Housing Trusts funded by CPA.

01-H3

A key part in establishing the Trust and one of the most effective ways our community can jump-start a housing effort is to fund the hiring of a part time Housing Coordinator (attached Exhibit B). Funding is allowed under the "support" verb on the CPA allowable uses chart. The Housing Coordinator would support services for housing-related programs, projects, and affordable housing initiatives. Yarmouth, Dennis, Brewster and Provincetown Town are some successful examples of Affordable Housing Coordinators on the Cape. Additionally, the Town is hoping to partner with Chatham, Brewster and Orleans to share a full-time housing coordinator. If we do partner, the requested amount of \$30,000.00 would be our share for the position.

How the trust is set up:

Appointments- As authorized by Chapter 44, Section 55C, the Board of Selectmen shall appoint 5 Trustees, one of whom shall be the Harwich Town Administrator who shall act as Chairman and shall have a vote. The remaining 4 Trustees shall be appointed for two year staggered terms.

Duties and Responsibilities- The Trust shall have the authority as outlined in MGL Chapter 44, Section 55C:

1. Accepts real property, personal property and other contributions;
2. Purchases real or personal property;
3. Sells, leases, exchanges, transfers or conveys property; or
4. Borrows money.

In addition, the Affordable Housing Trust shall have the following duties:

1. The Trust shall oversee such funds and use the funds to create and preserve affordable housing opportunities in the Town of Harwich;
2. The Trust shall work with the Town's Affordable Housing Committee to develop an affordable housing plan, which shall be updated each year and a copy presented to the Board of Selectmen.

CPC CATEGORY: APPLICANTS PLEASE TAKE NOTE (circle all that apply)

Open Space: This application is for the "acquisition, preservation, rehabilitation and/or preservation of open space".

Historic: This application is for the "acquisition, creation, preservation and/or support of community housing".

Community Housing: This application is for the "acquisition, creation, preservation and/or support of community housing".

Recreation: This application is for the "acquisition, creation, preservation, rehabilitation and/or restoration of land for recreation use".

How does this project fit into Harwich's Local Comprehensive Plan and/or other Plans?

The Local Comprehensive Plan, the Housing Production Plan and the Cape Cod Commission's Regional Policy Plan all highlight the dire need to promote and create affordable housing. The best way to reach the State's mandate 10% goal is to use a range of housing strategies. Creating an Affordable Housing Trust along with hiring a part-time Housing Coordinator would increase and expiate the ability to allow the Town to create affordable housing.

Harwich's Local Comprehensive Plan: (Page 29- Objective 6.2) identifies "affordable housing projects, funding sources" as a goal. The plan also encourages public and private workforce housing (defined as housing for those earning between 80% and 120% of area median income) and other low-cost housing regardless of eligibility for the Subsidized Housing Inventory.

Harwich's Housing Production Plan: (Page 8) recommends hiring a part-time Housing Coordinator that has the necessary expertise to provide ongoing support to effectively coordinate the implementation of various components of the Housing Plan. Additionally, the Housing Production Plan states that (Page 50) "The town needs to produce at least 269 more affordable units to reach the state's 10% goal based on the existing housing stock. Because the number of year-round units is based on the decennial census figure, it will change when the 2020 census figures are released and thus the 10% state threshold is a moving target." The Housing production plan recommends a multi-tier approach so that the town to reach the required 10%.

The Cape Cod Commission's Regional Policy Plan: has identified the following as a goal "To promote the provision of fair, decent, safe, affordable housing for rental or purchase that meets the needs of present and future Cape Cod residents. At a minimum, each town should seek to raise its affordable housing stock to 7.5 percent of all year-round units by 2010, and 10 percent of all year-round units by 2015." Harwich's level of housing stock restricted as affordable is 5.40%.

How does this project benefit the citizens of Harwich? If appropriate, has the applicant sought public option or input?

The state of Massachusetts requires each community to have at least 10% of their housing stock be restricted as affordable. Currently, Harwich's level of affordable housing is 5.40%.

Harwich's small town character, extensive shoreline, rich historical connection to the sea, and rural nature have continued to lure visitors over the years- some who arrive for extended periods in the summer, other who have decided to purchase second homes, and those searching for a place to retire. But like most communities on the Cape, living in Harwich is expensive. As stated above, while house prices declined somewhat since the recession, the market has been rebounding and values are approaching pre-recession levels with the median single-family house priced at \$350,000, still out of reach for many year-round residents.

By providing safe and decent affordable housing, the Trust along with a Housing Coordinator will provide increased opportunities for Harwich residents to remain in Harwich in a suitable living environment, and bolsters the local economy by providing a stable workforce jobs.

Housing Coordinators: Making Waves Across The Commonwealth!

March 1, 2012: One of the most effective ways CPA communities can jump start their community housing effort is to fund the hiring of a 'housing coordinator' for the municipality. By funding such a position under the "support" verb on the CPA allowable uses chart, even semi-rural communities, which often struggle with how to create community housing, are having great success.

The idea of using CPA funds to hire housing coordinators in Massachusetts municipalities, including Elizabeth Barnett in Carlisle, is relatively new. Elizabeth's many roles show just how valuable a dedicated housing staff member can be for cities and towns. While working just 29 hours per week, she staffs the Affordable Housing Trust and supports the local Housing Authority, in part by monitoring the community's deed restricted affordable housing units. Organizing stakeholders around local affordable housing developments, she also spearheads a local task force considering family housing on public land. For families facing foreclosure, senior citizens, and individuals with disabilities in need of literature and resources, Elizabeth is the contact person. The Housing Planner/Coordinator Network, a group that meets monthly, was also started by Elizabeth.

While she is quick to deflect praise onto elected town officials, there is no doubt that Elizabeth's work has evolved into a crucial and increasingly important role in town.

"Developing affordable housing takes a complex tool kit," says Barnett, who also helped to update Carlisle's Housing Production Plan. "The housing coordinator needs to be someone who understands how it all fits together and can work with existing boards and committees."

In Carlisle, the focus is on keeping existing, income-eligible residents in their homes, as well as creating new community housing options. Barnett, and housing coordinators in other communities, are knowledgeable about the latest local, state, and federal housing regulations, attend trainings, and work with local committees to find creative solutions to local housing challenges.

As a result, the housing coordinator can become a spokesperson for the housing needs of residents. Development projects are complex and sometimes options for affordable housing are overlooked. Fran Stanley, Housing Coordinator in Groton, points out that the housing coordinator can be the town employee who focuses on keeping the need for diverse housing options on the table. "In my role as the housing coordinator, I have helped the town realize small victories and progress on affordable housing, and hopefully there will eventually be a big success!" Fran's 19-hour per week position is also funded by CPA.

For communities that will fund the Housing Coordinator position 100% with CPA dollars, there's an important caveat: per the CPA legislation, the coordinator will be limited to working on housing issues for residents who earn up to 100% of the areawide median income (AMI). If the desire is to have the coordinator support residents or housing developments at income levels above 100% of AMI, their salary should be funded in part by non-CPA funds. Similarly, the Housing Coordinator, if funded solely with CPA funds, would be limited to working on projects eligible for CPA funding.

Given the complexities of affordable housing and the inevitable limitations of even passionate, effective volunteers, using CPA funds for a housing coordinator can make a lot of sense. When a town is committed to providing housing that meets the needs of a wide array of household incomes, a housing coordinator can be instrumental in moving solutions forward.

Using CPA Funds For Housing Trusts And Conservation Funds

December 2008: Does your community need the flexibility to purchase open space when it comes on the market, *without having to obtain Town Meeting or City Council approval*? Or, be able to acquire land for affordable housing without having to wait for your municipality's legislative body to vote on each opportunity that arises? It's important to react quickly when real estate opportunities arise or your community may risk losing the deal. One way to do this is to establish a Conservation Fund and/or an affordable housing trust, both of which can be funded with CPA appropriations.

What is a Conservation Fund?

A Conservation Fund, established by MGL c.40 section 8(c), enables a municipality to appropriate monies which the conservation commission may then spend without further action from the municipality's legislative body. As clarified in a letter from the Department of Revenue to the Town of Duxbury, CPA funds may be appropriated into the Conservation Fund and be spent on CPA-eligible uses. The expenditure of these funds is subject to the restrictions imposed by the CPA, such as the requirement that deed restrictions be placed on properties that are acquired.

What is an affordable housing trust?

There are a few different types of housing trusts: municipal trusts created by home rule petition, private-non-profit trusts, and Municipal Affordable Housing Trusts, under MGL Chapter 44, Section 55C, which was signed into law by Governor Romney in January 2005.

The CPA law states specifically in Section 5(f) that "A city or town may appropriate money in any year from the Community Preservation Fund to an affordable housing trust fund." Such trusts can have the power to purchase, sell, lease, manage, and improve real property for the purpose of creating and preserving affordable housing. At least 11 communities have appropriated CPA funds to an affordable housing trust.

Yes, you can

CPA funds can be appropriated to both affordable housing trusts and to Conservation Funds as long as any ultimate expenditure of those funds is for CPA-eligible uses. Therefore, it is recommended that CPA appropriations to these trust funds be tracked separately from monies generated from other sources to ensure proper accountability of CPA funds.

Who's doing it?

Norwell: The Town of Norwell has appropriated CPA funds for both its Municipal Affordable Housing Trust and Conservation Fund. Thanks to CPA funds, Norwell's Conservation Fund contains \$100K for protection of open space. Charles Markham, member of the CPC, is glad the town has some preliminary funds available so that they can act quickly to protect open space when it comes on the market.

Norwell has also appropriated \$500K in CPA funds to its Municipal Affordable Housing Trust. Norwell's housing trust has greater oversight by Town Meeting than required by the statute. As Mr. Markham explains, "We set about creating a trust that nobody could argue about." The Trust is authorized to purchase, rehabilitate, and resell existing housing units for affordable housing as well as to create soft-second loans for income-eligible home buyers. Outside of these powers, the Trust would need Town Meeting approval before funding other types of projects.

Harvard: Other communities have also put CPA funds into housing trusts and Conservation Funds. For example, the Town of Harvard, in Worcester County, appropriated over \$250K for its housing trust and makes annual contributions to its Conservation Fund ranging from \$90K to \$200K.

Lincoln: The Town of Lincoln also used CPA funds for its housing trust. The town established a trust with broad powers that align with the state statute. However, when the town appropriated CPA funds to the trust, it tied the funds to a specific use (establishing a buy-down program) through a grant agreement between the CPC and the Board of Trustees. PROJECT INFORMATION

PROJECT TITLE: Harwich Affordable Housing Trust Fund/ Part Time Housing Coordinator

PROJECT AMOUNT REQUESTED: \$340,000

PROJECT DESCRIPTION:

The 2010 Census shows that families continue to leave the Cape. The cost of housing is a major factor causing this exodus. While house prices declined somewhat since the recession, the market has been rebounding and values are approaching pre-recession levels, out of reach for many year-round residents.

At the 2018 ATM, the Town Approved the creation of the Affordable Housing Trust, including the establishment of the Housing Trust, and funding for a Housing Coordinator. This was and continues to be a priority goal for Harwich. These additional funds, \$310,000 for the Trust and \$30,000 for the Coordinator, would continue the efforts to create, support and preserve safe and decent housing affordable to our residents, while maintaining the quality of life for all residents.

ESTIMATED STATE DATE: July 2019, when the additional funds would be available.

ESTIMATED COMPLETION DATE: The intent is for this to be an ongoing project.

**Three years from the release of funds (July 2019) funds may be rescinded automatically;
waivers may be sought.**

How does this project fit into Harwich's Local Comprehensive Plan and/or other Plans?

The Local Comprehensive Plan, the Housing Production Plan and the Cape Cod Commission's Regional Policy Plan all highlight the dire need to promote and create affordable housing. The best way to reach the State's mandate 10% goal is to use a range of housing strategies. Creating an Affordable Housing Trust along with hiring a part-time Housing Coordinator would increase and expiate the ability to allow the Town to create affordable housing.

Harwich's Local Comprehensive Plan: (Page 29- Objective 6.2) identifies "affordable housing projects, funding sources" as a goal. The plan also encourages public and private workforce housing (defined as housing for those earning between 80% and 120% of area median income) and other low-cost housing regardless of eligibility for the Subsidized Housing Inventory.

Harwich's Housing Production Plan: (Page 8) recommends hiring a part-time Housing Coordinator that has the necessary expertise to provide ongoing support to effectively coordinate the implementation of various components of the Housing Plan. Additionally, the Housing Production Plan states that (Page 50) "The town needs to produce at least 269 more affordable units to reach the state's 10% goal based on the existing housing stock. Because the number of year-round units is based on the decennial census figure, it will change when the 2020 census figures are released and thus the 10% state threshold is a moving target." The Housing production plan recommends a multi-tiered approach so that the town to reach the required 10%.

The Cape Cod Commission's Regional Policy Plan: has identified the following as a goal "To promote the provision of fair, decent, safe, affordable housing for rental or purchase that meets the needs of present and future Cape Cod residents. At a minimum, each town should seek to raise its affordable housing stock to 7.5 percent of all year-round units by 2010, and 10 percent of all year-round units by 2015." Harwich's level of housing stock restricted as affordable is 5.40%.

ATTACHMENT B

How does this project benefit the citizens of Harwich? If appropriate, has the applicant sought public option or input?

The state of Massachusetts requires each community to have at least 10% of their housing stock be restricted as affordable. Currently, Harwich's level of affordable housing is 5.40%.

Harwich's small town character, extensive shoreline, rich historical connection to the sea, and rural nature have continued to lure visitors over the years- some who arrive for extended periods in the summer, other who have decided to purchase second homes, and those searching for a place to retire. But like most communities on the Cape, living in Harwich is expensive. As stated above, while house prices declined somewhat since the recession, the market has been rebounding and values are approaching pre-recession levels with the median single-family house priced at \$350,000, still out of reach for many year-round residents.

By providing safe and decent affordable housing, the Trust along with a Housing Coordinator will provide increased opportunities for Harwich residents to remain in Harwich in a suitable living environment, and bolsters the local economy by providing a stable workforce jobs.

8. Independent Status. The TRUST acknowledges and agrees that it is acting in a capacity independent of the TOWN.
9. Indemnification. The TOWN shall have full and free access to such records and may examine and copy such records. The TRUST further agrees to meet from time to time with the COMMITTEE or its designee(s), upon reasonable request, to discuss expenditures of the Project Funds.
11. Successors and Assigns. This Grant Agreement is binding upon the parties hereto, their successors, assigns, and legal representatives. The TRUST shall not assign or otherwise transfer this Grant Agreement, in whole or in part without the prior written consent of the TOWN.

Any such notice or correspondence shall be deemed given when so delivered by hand, or if so mailed, when deposited with the U.S. Postal Service or if sent by private overnight or other delivery service, when deposited with such delivery service.

15. Severability. If any term or condition of this Grant Agreement or any application thereof shall to any extent be held invalid, illegal or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining terms and conditions of this Grant Agreement shall not be deemed affected thereby unless one or both parties would be substantially or materially prejudiced.

16. Governing Law. This Grant Agreement shall be governed by, construed and enforced in accordance with the laws of the Commonwealth of Massachusetts and the TRUST submits to the jurisdiction of any of its appropriate courts for the adjudication of disputes arising out of this Grant Agreement.

SECTION 1

Is Our Project Allowable?

The following is taken from the Community Preservation Coalition Website. It has been edited to provide pertinent content.

For more information please visit the Website at <http://www.communitypreservation.org/>

Is Our Project Allowable?

The chart below demonstrates the allowable uses of CPA funds in each of the CPA project categories: open space, recreation, housing, and historic preservation. This chart is critical for determining whether a proposed project is eligible for CPA funding.

Projects are only eligible for CPA funding if they fit in a **green** box below.

	OPEN SPACE	HISTORIC	RECREATION	HOUSING
ACQUIRE	YES	YES	YES	YES
CREATE	YES	NO	YES	YES
PRESERVE	YES	YES	YES	YES
SUPPORT	NO	NO	NO	YES
REHABILITATE AND/OR RESTORE	YES, IF ACQUIRED OR CREATED WITH CPA FUNDS	YES	YES, (NEW 07/08/2012)	YES, IF ACQUIRED OR CREATED WITH CPA FUNDS

Chart adapted from "Recent Developments in Municipal Law", Massachusetts Department of Revenue, October 2012.

A DEEPER LOOK INTO CPA'S PROJECT CATEGORIES

The CPA requires that communities spend, or set aside for future spending, a minimum of 10% of their annual CPA revenues for each of the three following categories: open space/recreation, historic preservation, and community housing. The remaining 70% of the funds are undesignated, and can be used for any allowable project in any of the CPA categories. This gives each community tremendous flexibility to determine its own priorities. Read on for a general overview of each of these categories; a decision on the allowability of specific projects in each community is determined locally by municipal counsel.

Open Space

Section 2 of the CPA legislation defines open space. It includes, but is not limited to, the following:

- Land to protect existing and future well fields
- Aquifers, recharge areas, and watershed land
- Agricultural land
- Grasslands, fields and forest land
- Fresh and salt water marshes and other wetlands
- Ocean, river, stream, lake and pond frontage
- Beaches, dunes, and other coastal lands
- Lands to protect scenic vistas
- Land for wildlife or nature preserve
- Land for recreational use (see separate category information, below)

CPA funds may be spent on the acquisition, creation, and preservation of open space, and for the rehabilitation or restoration of any open space that has been acquired or created using CPA funds. It is important to note that a permanent deed restriction is required for all real property interests acquired under CPA. This restriction must be filed as a separate instrument, such as a Conservation Restriction (CR) or Agricultural Preservation Restriction (APR), and until this step has been completed, the terms of the CPA acquisition have not been technically fulfilled.

Historic Preservation

Section 2 of the CPA legislation defines historic resources, preservation, and rehabilitation as follows:

“Historic resources”, a building, structure, vessel real property, document or artifact that is listed on the state register of historic places or has been determined by the local historic preservation commission to be significant in the history, archeology, architecture or culture of a city or town.

“Preservation”, protection of personal or real property from injury, harm or destruction.

“Rehabilitation”, capital improvements, or the making of extraordinary repairs, to historic resources, open spaces, lands for recreational use and community housing for the purpose of making such historic resources, open spaces, lands for recreational use and community housing functional for their intended uses, including, but not limited to, improvements to comply with the Americans with Disabilities Act and other federal, state or local building or access codes; provided, that with respect to historic resources, “rehabilitation” shall comply with the Standards for Rehabilitation stated in the United States Secretary of the Interior’s Standards for the Treatment of Historic Properties codified in 36 C.F.R. Part 68; and provided further, that with respect to land for recreational use, “rehabilitation” shall include the replacement of playground equipment and other capital improvements to the land or the

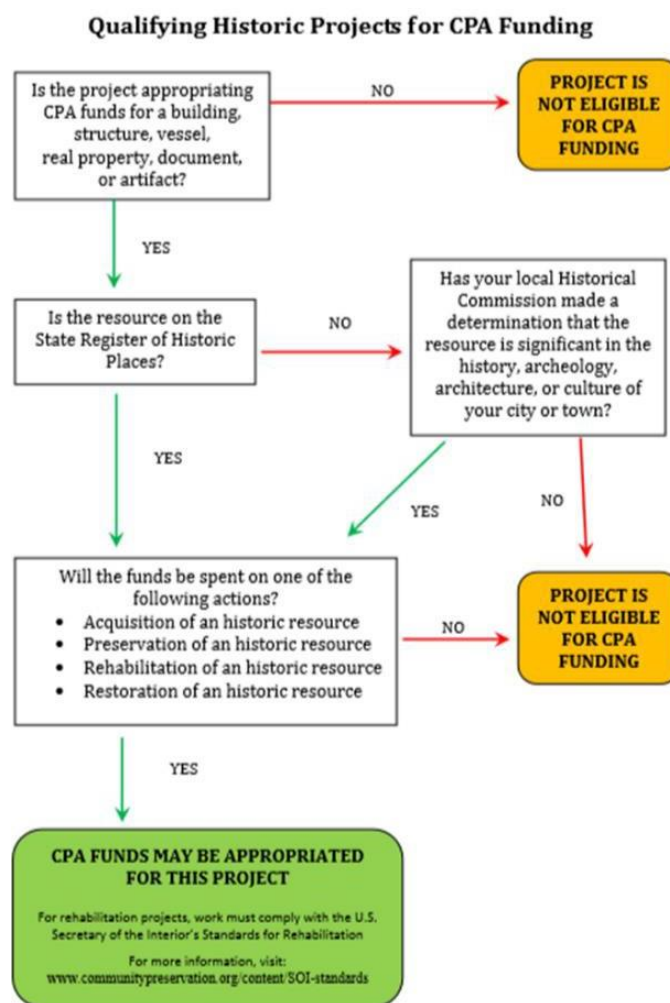

facilities thereon which make the land or the related facilities more functional for the intended recreational use.

Under CPA, an historic resource is defined as a building, structure, vessel, real property, document or artifact that is either:

- listed on the State Register of Historic Places; or
- determined by the local Historic Commission to be significant in the history, archeology, architecture, or culture of the city or town.

CPA funds may be spent on the acquisition, preservation, rehabilitation and restoration of historic resources. Communities using CPA funds on historic resources must adhere to the United States Secretary of the Interior's Standards for the Treatment of Historic Properties.

The chart below details the steps to determining whether your historic project qualifies for CPA funding. You can also read the article from Community Preservation Coalition newsletter, *CPA Update*, entitled “Which historic projects qualify for CPA funding?”

Community Housing

Section 2 of CPA defines community housing as “Community housing”, low and moderate income housing for individuals and families, including low or moderate income senior housing. The United States Department of Housing and Urban Development (HUD) income guidelines are used to determine who is eligible to live in the affordable housing units developed by communities with their CPA funds. Housing developed with CPA funds may be offered to those persons and families whose annual income is less than 100 percent of the area wide median income, as determined by HUD.

Please note, though, that communities may choose to limit certain housing units created with CPA funds to those persons and families earning less than 80 percent of the area wide median income annually, as determined by HUD. This allows communities to include these units on their Subsidized Housing Inventory (SHI) with the state.

Current figures for Harwich are:

2018 CPA AFFORDABLE HOUSING LOW INCOME LIMITS										
Low Income is 80% of HUD's Area wide Median Income figure										
<i>Please Note: Due to the definition of Low Income Housing in the CPA Statute, these Low Income Limits are slightly different from HUD's Low Income figures.</i>										
Community	Census Area Designation	Area Wide Median Income	Low Income Limits Household Size: 1	Low Income Limits Household Size: 2	Low Income Limits Household Size: 3	Low Income Limits Household Size: 4	Low Income Limits Household Size: 5	Low Income Limits Household Size: 6	Low Income Limits Household Size: 7	Low Income Limits Household Size: 8
Harwich	Barnstable MSA	86,200	48,272	55,168	62,064	68,960	74,477	79,994	85,510	91,027

CPA funds may be spent on the acquisition, creation, preservation and support of community housing, and for the rehabilitation or restoration of community housing that has been acquired or created using CPA funds. The CPA requires that whenever possible, preference be given to the adaptive reuse of existing buildings or construction of new buildings on previously developed sites.

Land for Recreational Use (Outdoor Recreation)

Section 2 defines recreational use as follows: “Recreational use”, active or passive recreational use including, but not limited to, the use of land for community gardens, trails, and noncommercial youth and adult sports, and the use of land as a park, playground or athletic field. “Recreational use” shall not include horse or dog racing or the use of land for a stadium, gymnasium or similar structure.

The focus for CPA recreational projects is on **outdoor** passive or active recreation, such as (but not limited to) the use of land for:

- Community gardens
- Trails

- Noncommercial youth and adult sports
- Parks, playgrounds or athletic fields

CPA funds may not be spent on ordinary maintenance or annual operating expenses; only capital improvements are allowed. In addition, CPA funds may not be used for horse or dog racing facilities, or for a stadium, gymnasium, or similar structure. This prohibition has generally been interpreted to mean that CPA funds may be used only for outdoor, land-based recreational uses and facilities.

CPA funds may be used for the acquisition of land to be used for recreation, or for the creation of new recreational facilities on land a community already owns. A 2012 amendment to CPA broadened the law to also allow for the rehabilitation of existing, outdoor recreational facilities. The amendment made it clear that with respect to land for recreational use, "rehabilitation" could include the replacement of playground equipment and other capital improvements to the land or the facilities thereon to make them more functional for their intended recreational use.

Another change ushered in by the 2012 amendment was a prohibition on the use of CPA funds for the acquisition of artificial turf for athletic fields. Communities may still use their CPA funds for other aspects of a field project, but must appropriate non-CPA funds to acquire the artificial turf surface.

TOWN OF HARWICH - COMMUNITY PRESERVATION COMMITTEE
2019 PROPOSAL APPLICATION FOR
2020 ANNUAL TOWN MEETING
PROJECT SELECTION CRITERIA

The Harwich Community Preservation Committee, hereafter referred to as the CPC, requires that all proposed projects be eligible for Community Preservation Act (CPA) funding according to the provisions of the Act as defined by the General Laws of Massachusetts 44B as amended.

****The CPC requires that all project applications be reviewed with appropriate Town Boards/Committees/Commissions/ before submittal and be initialed and dated by said Boards/Committees/Commissions on the application. If there are multiple requests in any of the funding areas, then the Boards/Committees/Commissions will be asked to prioritize their requests.**

The CPC now requires a bi-annual written update of progress on all projects. At the September and March regularly scheduled meetings reports will be presented. The CPA Project Funding Request Application must have a **projected start date**, and a **projected completion date**. The intent of setting these two projected dates is to facilitate the potential return of unused CPA funds so that they may be used for other CPA projects. As time unfolds, the applicant may request a waiver of one or both of these dates. A waiver may be granted via a majority vote of the CPC after it receives all requested information from the submitter.

***Under the Act, only the CPC may make CPA funding recommendations to the BOARD OF SELECTMEN for the annual Town Meeting. Please note that Town Meeting will have the ultimate say on all CPC-recommended CPA funding requests. The Community Preservation Act requires Town Meeting approval for all CPC- approved project funding recommendations and CPC Administrative Budget requests.

The following criteria may be used to evaluate projects:

- ❖ Consistency with Harwich's Local Comprehensive Plan; Open Space and Recreation Plan; Historic Preservation Plan; Affordable Housing Plan; and other planning documents that have received wide community input and scrutiny. The Committee will take into account that some of these plans may not be up to date, or may be under development.
- ❖ Feasibility
- ❖ Urgency
- ❖ Affordability
- ❖ Serving a currently under-served population
- ❖ Consistency with recent town meeting actions
- ❖ Preservation of town assets
- ❖ Use of existing Town-owned assets (land, buildings) where possible
- ❖ Acquisition and/or preservation of threatened resources
- ❖ Availability of multiple sources of funding for increased financial leverage
- ❖ Use of local contractors where possible

- ❖ Opportunities for students and volunteers to train in skills and techniques required by the project

Please keep in mind there are legal limitations on what CPA funds can be used for. A “**Community Preservation Act - Questions and Answers**” page can be found at <http://www.communitypreservation.org>.

If you are in doubt about your project’s eligibility, please contact a member of the CPC, so we may discuss the opportunity to review it for eligibility.

First-Time Homebuyer means an individual or household, of which no household member has had an ownership interest in a principal residence at any time during the three (3)-year period prior to the date of qualification as an Eligible Purchaser, except that (i) any individual who is a displaced homemaker (as may be defined by DHCD) (ii) and any individual age 55 or over (applying for age 55 or over housing) shall not be excluded from consideration as a First-Time Homebuyer under this definition on the basis that the individual, owned a home or had an ownership interest in a principal residence at any time during the three (3)-year period.

Foreclosure Notice shall have the meaning set forth in Section 7(a) hereof.

HUD means the United States Department of Housing and Urban Development.

Ineligible Purchaser means an individual or household not meeting the requirements to be eligible as an Eligible Purchaser.

Maximum Resale Price means the sum of (i) the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, plus (ii) the Resale Fee and any necessary marketing

expenses (including broker's fees) as may have been approved by the Monitoring Agent, plus (iii) Approved Capital Improvements, if any (the original cost of which shall have been discounted over time, as calculated by the Monitoring Agent); provided that in no event shall the Maximum Resale Price be greater than the purchase price for which a credit-worthy Eligible Purchaser earning seventy percent (70%) of the Area Median Income (or, if checked [] _____ percent (___%) of Area Median Income, as required by the Program) for an Appropriate Size Household could obtain mortgage financing (as such purchase price is determined by the Monitoring Agent using the same methodology then used by DHCD for its Local Initiative Program or similar comprehensive permit program); and further provided that the Maximum Resale Price shall not be less than the purchase price paid for the Property by the Owner unless the Owner agrees to accept a lesser price.

Monitoring Services Agreement means any Monitoring Services Agreement for monitoring and enforcement of this Deed Rider among some or all of the Developer, the Monitoring Agent, the Municipality, MassHousing and DHCD.

Mortgage Satisfaction Amount shall have the meaning set forth in Section 7(b) hereof.

Mortgagee shall have the meaning set forth in Section 7(a) hereof.

Program Guidelines means the regulations and/or guidelines issued for the applicable Program and controlling its operations, as amended from time to time.

Resale Fee means a fee of 2% of the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, to be paid to the Monitoring Agent as compensation for monitoring and enforcing compliance with the terms of this Deed Rider, including the supervision of the resale process.

Resale Price Certificate means the certificate issued as may be specified in the Regulatory Agreement and recorded with the first deed of the Property from the Developer, or the subsequent certificate (if any) issued as may be specified in the Regulatory Agreement, which sets forth the Resale Price Multiplier to be applied on the Owner's sale of the Property, as provided herein, for so long as the restrictions set forth herein continue. In the absence of contrary specification in the Regulatory Agreement the Monitoring Agent shall issue the certificate.

Resale Price Multiplier means the number calculated by dividing the Property's initial sale price by the Base Income Number at the time of the initial sale from the Developer to the first Eligible Purchaser. The Resale Price Multiplier will be multiplied by the Base Income Number at the time of the Owner's resale of the Property to determine the Maximum Resale Price on such conveyance subject to adjustment for the Resale Fee, marketing expenses and Approved Capital Improvements. In the event that the purchase price paid for the Property by the Owner includes such an adjustment a new Resale Price Multiplier will be recalculated by the Monitoring Agent by dividing the purchase price so paid by the Base Income Number at the time of such purchase,

and a new Resale Price Certificate will be issued and recorded reflecting the new Resale Price Multiplier. A Resale Price Multiplier of _____ is hereby assigned to the Property.

Term means in perpetuity, unless earlier terminated by (i) the termination of the term of affordability set forth in the Regulatory Agreement or Comprehensive Permit, whichever is longer; or (ii) the recording of a Compliance Certificate and a new Deed Rider executed by the purchaser in form and substance substantially identical to this Deed Rider establishing a new term.

2. Owner-Occupancy/Principal Residence. The Property shall be occupied and used by the Owner's household exclusively as his, her or their principal residence. Any use of the Property or activity thereon which is inconsistent with such exclusive residential use is expressly prohibited.

3. Restrictions Against Leasing, Refinancing and Junior Encumbrances. The Property shall not be leased, rented, refinanced, encumbered (voluntarily or otherwise) or mortgaged without the prior written consent of the Monitoring Agent; provided that this provision shall not apply to a first mortgage granted on the date hereof in connection with this conveyance from Grantor to Owner securing indebtedness not greater than one hundred percent (100%) of the purchase price. Any rents, profits, or proceeds from any transaction described in the preceding sentence which transaction has not received the requisite written consent of the Monitoring Agent shall be paid upon demand by Owner to the Municipality for deposit to its Affordable Housing Fund. The Monitoring Agent or Municipality may institute proceedings to recover such rents, profits or proceeds, and costs of collection, including attorneys' fees. Upon recovery, after payment of costs, the balance shall be paid to the Municipality for deposit to its Affordable Housing Fund. In the event that the Monitoring Agent consents for good cause to any such lease, refinancing, encumbrance or mortgage, it shall be a condition to such consent that all rents, profits or proceeds from such transaction, which exceed the actual carrying costs of the Property as determined by the Monitoring Agent, shall be paid to the Municipality for deposit to its Affordable Housing Fund.

4. Options to Purchase. (a) When the Owner or any successor in title to the Owner shall desire to sell, dispose of or otherwise convey the Property, or any portion thereof, the Owner shall notify the Monitoring Agent and the Municipality in writing of the Owner's intention to so convey the Property (the "Conveyance Notice"). Upon receipt of the Conveyance Notice, the Monitoring Agent shall (i) calculate the Maximum Resale Price which the Owner may receive on the sale of the Property based upon the Base Income Number in effect as of the date of the Conveyance Notice and the Resale Price Multiplier set forth in the most recently recorded Resale Price Certificate together with permissible adjustments for the Resale Fee, marketing expenses and Approved Capital Improvements (as discounted), and (ii) promptly begin marketing efforts. The Owner shall fully cooperate with the Monitoring Agent's efforts to locate an Eligible Purchaser and, if so requested by the Monitoring Agent, shall hire a broker selected by the Monitoring Agent to assist in locating an Eligible Purchaser ready, willing and able to purchase the Property at the Maximum Resale Price after entering a purchase and sale

agreement. Pursuant to such agreement, sale to the Eligible Purchaser at the Maximum Resale Price shall occur within ninety (90) days after the Monitoring Agent receives the Conveyance Notice or such further time as reasonably requested to arrange for details of closing. If the Owner fails to cooperate in such resale efforts, including a failure to agree to reasonable terms in the purchase and sale agreement, the Monitoring Agent may extend the 90-day period for a period commensurate with the time the lack of cooperation continues, as determined by the Monitoring Agent in its reasonable discretion. In such event, the Monitoring Agent shall give Owner written notice of the lack of cooperation and the length of the extension added to the 90-day period.

(b) The Monitoring Agent shall ensure that diligent marketing efforts are made to locate an Eligible Purchaser ready, willing and able to purchase the Property at the Maximum Resale Price within the time period provided in subsection (a) above and to enter the requisite purchase and sale agreement. If more than one Eligible Purchaser is located, the Monitoring Agent shall conduct a lottery or other like procedure to determine which Eligible Purchaser shall be entitled to enter a purchase and sale agreement with Owner and to purchase the Property. Preference shall be given to Appropriate Size Households. The procedure for marketing and selecting an Eligible Purchaser shall be approved as provided in the Regulatory Agreement and any applicable Program Guidelines. If an Eligible Purchaser is located within ninety (90) days after receipt of the Conveyance Notice, but such Eligible Purchaser proves unable to secure mortgage financing so as to be able to complete the purchase of the Property pursuant to the purchase and sale agreement, following written notice to Owner within the 90-day period the Monitoring Agent shall have an additional sixty (60) days to locate another Eligible Purchaser who will enter a purchase and sale agreement and purchase the Property by the end of such sixty (60)-day period or such further time as reasonably requested to carry out the purchase and sale agreement.

(c) In lieu of sale to an Eligible Purchaser, the Monitoring Agent or the Municipality or designee shall also have the right to purchase the Property at the Maximum Resale Price, in which event the purchase and sale agreement shall be entered, and the purchase shall occur within ninety (90) days after receipt of the Conveyance Notice or, within the additional sixty (60)-day period specified in subsection (b) above, or such further time as reasonably requested to carry out the purchase and sale agreement. Any lack of cooperation by Owner in measures reasonably necessary to effect the sale shall extend the 90-day period by the length of the delay caused by such lack of cooperation. The Monitoring Agent shall promptly give Owner written notice of the lack of cooperation and the length of the extension added to the 90-day period. In the event of such a sale to the Monitoring Agent or Municipality or designee, the Property shall remain subject to this Deed Rider and shall thereafter be sold or rented to an Eligible Purchaser as may be more particularly set forth in the Regulatory Agreement.

(d) If an Eligible Purchaser fails to purchase the Property within the 90-day period (or such further time determined as provided herein) after receipt of the Conveyance Notice, and the Monitoring Agent or Municipality or designee does not purchase the Property during said period, then the Owner may convey the Property to an Ineligible Purchaser no earlier than thirty (30) days after the end of said period at the Maximum Resale Price, but subject to all rights and

restrictions contained herein; provided that the Property shall be conveyed subject to a Deed Rider identical in form and substance to this Deed Rider which the Owner agrees to execute, to secure execution by the Ineligible Purchaser and to record with the Deed; and further provided that, if more than one Ineligible Purchaser is ready, willing and able to purchase the Property the Owner will give preference and enter a purchase and sale agreement with any individuals or households identified by the Monitoring Agent as an Appropriate Size Household earning more than eighty percent (80%) but less than one hundred twenty percent (120%) of the Area Median Income.

(e) The priority for exercising the options to purchase contained in this Section 4 shall be as follows: (i) an Eligible Purchaser located and selected by the Monitoring Agent, as provided in subsection (b) above, (ii) the Municipality or its designee, as provided in subsection (c) above, and (iii) an Ineligible Purchaser, as provided in subsection (d) above.

(f) Nothing in this Deed Rider or the Regulatory Agreement constitutes a promise, commitment or guarantee by DHCD, MassHousing, the Municipality or the Monitoring Agent that upon resale the Owner shall actually receive the Maximum Resale Price for the Property or any other price for the Property.

(g) The holder of a mortgage on the Property is not obligated to forbear from exercising the rights and remedies under its mortgage, at law or in equity, after delivery of the Conveyance Notice.

5. Delivery of Deed. (a) In connection with any conveyance pursuant to an option to purchase as set forth in Section 4 above, the Property shall be conveyed by the Owner to the selected purchaser by a good and sufficient quitclaim deed conveying a good and clear record and marketable title to the Property free from all encumbrances except (i) such taxes for the then current year as are not due and payable on the date of delivery of the deed, (ii) any lien for municipal betterments assessed after the date of the Conveyance Notice, (iii) provisions of local building and zoning laws, (iv) all easements, restrictions, covenants and agreements of record specified in the deed from the Owner to the selected purchaser, (v) such additional easements, restrictions, covenants and agreements of record as the selected purchaser consents to, such consent not to be unreasonably withheld or delayed, (vi) the Regulatory Agreement, and (vii), except as otherwise provided in the Compliance Certificate, a Deed Rider identical in form and substance to this Deed Rider which the Owner hereby agrees to execute, to secure execution by the selected purchaser, and to record with the deed. **Said deed shall clearly state that it is made subject to the Deed Rider which is made part of the deed.** Failure to comply with the preceding sentence shall not affect the validity of the conveyance from the Owner to the selected purchaser or the enforceability of the restrictions herein.

(b) Said deed, including the approved Deed Rider, shall be delivered and the purchase price paid (the "Closing") at the Registry, or at the option of the selected purchaser, exercised by written notice to the Owner at least five (5) days prior to the delivery of the deed, at such other place as the selected purchaser may designate in said notice. The Closing shall occur at such

time and on such date as shall be specified in a written notice from the selected purchaser to the Owner, which date shall be at least five (5) days after the date on which such notice is given, and no later than the end of the time period specified in Section 4(a) above.

(c) To enable Owner to make conveyance as herein provided, Owner may, if Owner so desires at the time of delivery of the deed, use the purchase money or any portion thereof to clear the title of any or all encumbrances or interests, all instruments with respect thereto to be recorded simultaneously with the delivery of said deed. Nothing contained herein as to the Owner's obligation to remove defects in title or to make conveyance or to deliver possession of the Property in accordance with the terms hereof, as to use of proceeds to clear title or as to the election of the selected purchaser to take title, nor anything else in this Deed Rider shall be deemed to waive, impair or otherwise affect the priority of the rights herein over matters appearing of record, or occurring, at any time after the recording of this Deed Rider, all such matters so appearing or occurring being subject and subordinate in all events to the rights herein.

(d) Water and sewer charges and taxes for the then current tax period shall be apportioned and fuel value shall be adjusted as of the date of Closing and the net amount thereof shall be added to or deducted from, as the case may be, the purchase price payable by the selected purchaser.

(e) Full possession of the Property free from all occupants is to be delivered at the time of the Closing, the Property to be then in the same condition as it is in on the date of the execution of the purchase and sale agreement, reasonable wear and tear only excepted.

(f) If Owner shall be unable to give title or to make conveyance as above required, or if any change of condition in the Property not included in the above exception shall occur, then Owner shall be given a reasonable time not to exceed thirty (30) days after the date on which the Closing was to have occurred in which to remove any defect in title or to restore the Property to the condition herein required. The Owner shall use best efforts to remove any such defects in the title, whether voluntary or involuntary, and to restore the Property to the extent permitted by insurance proceeds or condemnation award. The Closing shall occur fifteen (15) days after notice by Owner that such defect has been cured or that the Property has been so restored. The selected purchaser shall have the election, at either the original or any extended time for performance, to accept such title as the Owner can deliver to the Property in its then condition and to pay therefor the purchase price without deduction, in which case the Owner shall convey such title, except that in the event of such conveyance in accordance with the provisions of this clause, if the Property shall have been damaged by fire or casualty insured against or if a portion of the Property shall have been taken by a public authority, then the Owner shall, unless the Owner has previously restored the Property to its former condition, either:

(A) pay over or assign to the selected purchaser, on delivery of the deed, all amounts recovered or recoverable on account of such insurance or condemnation award less any amounts reasonably expended by the Owner for any partial restoration, or

(B) if a holder of a mortgage on the Property shall not permit the insurance proceeds or the condemnation award or part thereof to be used to restore the Property to its former condition or to be so paid over or assigned, give to the selected purchaser a credit against the purchase price, on delivery of the deed, equal to said amounts so retained by the holder of the said mortgage less any amounts reasonably expended by the Owner for any partial restoration.

6. Resale and Transfer Restrictions. (a) Except as otherwise provided herein, the Property or any interest therein shall not at any time be sold by the Owner, or the Owner's successors and assigns, and no attempted sale shall be valid, unless the aggregate value of all consideration and payments of every kind given or paid by the selected purchaser of the Property for and in connection with the transfer of such Property, is equal to or less than the Maximum Resale Price for the Property, and unless a certificate (the "Compliance Certificate") is obtained and recorded, signed and acknowledged by the Monitoring Agent which Compliance Certificate refers to the Property, the Owner, the selected purchaser thereof, and the Maximum Resale Price therefor, and states that the proposed conveyance, sale or transfer of the Property to the selected purchaser is in compliance with the rights, restrictions, covenants and agreements contained in this Deed Rider, and unless there is also recorded a new Deed Rider executed by the selected purchaser, which new Deed Rider is identical in form and substance to this Deed Rider.

(b) The Owner, any good faith purchaser of the Property, any lender or other party taking a security interest in such Property and any other third party may rely upon a Compliance Certificate as conclusive evidence that the proposed conveyance, sale or transfer of the Property to the selected purchaser is in compliance with the rights, restrictions, covenants and agreements contained in this Deed Rider, and may record such Compliance Certificate in connection with the conveyance of the Property.

(c) Within ten (10) days of the closing of the conveyance of the Property from the Owner to the selected purchaser, the Owner shall deliver to the Monitoring Agent a copy of the Deed of the Property, including the deed rider, together with recording information. Failure of the Owner, or Owner's successors or assigns to comply with the preceding sentence shall not affect the validity of such conveyance or the enforceability of the restrictions herein.

7. Survival of Restrictions Upon Exercise of Remedies by Mortgagees. (a) The holder of record of any mortgage on the Property (each, a "Mortgagee") shall notify the Monitoring Agent, the Municipality and any senior Mortgagee(s) in the event of any default for which the Mortgagee intends to commence foreclosure proceedings or similar remedial action pursuant to its mortgage (the "Foreclosure Notice"), which notice shall be sent to the Monitoring Agent and the Municipality as set forth in this Deed Rider, and to the senior Mortgagee(s) as set forth in such senior Mortgagee's mortgage, not less than one hundred twenty (120) days prior to the foreclosure sale or the acceptance of a deed in lieu of foreclosure. The Owner expressly agrees to the delivery of the Foreclosure Notice and any other communications and disclosures made by the Mortgagee pursuant to this Deed Rider.

(b) The Owner grants to the Municipality or its designee the right and option to purchase the Property upon receipt by the Municipality of the Foreclosure Notice. In the event that the Municipality intends to exercise its option, the Municipality or its designee shall purchase the Property within one hundred twenty (120) days of receipt of such notice, at a price equal to the greater of (i) the sum of the outstanding principal balance of the note secured by such foreclosing Mortgagee's mortgage, together with the outstanding principal balance(s) of any note(s) secured by mortgage(s) senior in priority to such mortgage (but in no event shall the aggregate amount thereof be greater than one hundred percent (100%) of the Maximum Resale Price calculated at the time of the granting of the mortgage) plus all future advances, accrued interest and all reasonable costs and expenses which the foreclosing Mortgagee and any senior Mortgagee(s) are entitled to recover pursuant to the terms of such mortgages (the "Mortgage Satisfaction Amount"), and (ii) the Maximum Resale Price (which for this purpose may be less than the purchase price paid for the Property by the Owner)(the greater of (i) and (ii) above herein referred to as the "Applicable Foreclosure Price"). The Property shall be sold and conveyed in its then-current "as is, where is" condition, without representation or warranty of any kind, direct or indirect, express or implied, and with the benefit of and subject to all rights, rights of way, restrictions, easements, covenants, liens, improvements, housing code violations, public assessments, any and all unpaid federal or state taxes (subject to any rights of redemption for unpaid federal taxes), municipal liens and any other encumbrances of record then in force and applicable to the Property having priority over such foreclosing Mortgagee's mortgage, and further subject to a Deed Rider identical in form and substance to this Deed Rider which the Owner hereby agrees to execute, to secure execution by the Municipality or its designee, and to record with the deed, except that (i) during the term of ownership of the Property by the Municipality or its designee the owner-occupancy requirements of Section 2 hereof shall not apply (unless the designee is an Eligible Purchaser), and (ii) the Maximum Resale Price shall be recalculated based on the price paid for the Property by the Municipality or its designee, but not greater than the Applicable Foreclosure Price. **Said deed shall clearly state that it is made subject to the Deed Rider which is made part of the deed.** Failure to comply with the preceding sentence shall not affect the validity of the conveyance from the Owner to the Municipality or its designee or the enforceability of the restrictions herein.

(c) Not earlier than one hundred twenty (120) days following the delivery of the Foreclosure Notice to the Monitoring Agent, the Municipality and any senior Mortgagee(s) pursuant to subsection (a) above, the foreclosing Mortgagee may conduct the foreclosure sale or accept a deed in lieu of foreclosure. The Property shall be sold and conveyed in its then-current "as is, where is" condition, without representation or warranty of any kind, direct or indirect, express or implied, and with the benefit of and subject to all rights, rights of way, restrictions, easements, covenants, liens, improvements, housing code violations, public assessments, any and all unpaid federal or state taxes (subject to any rights of redemption for unpaid federal taxes), municipal liens and any other encumbrances of record then in force and applicable to the Property having priority over the foreclosing Mortgagee's mortgage, and further subject to a Deed Rider, as set forth below.

(d) In the event that the foreclosing Mortgagee conducts a foreclosure sale or other proceeding enforcing its rights under its mortgage and the Property is sold for a price in excess of the greater of the Maximum Resale Price and the Mortgage Satisfaction Amount, such excess shall be paid to the Municipality for its Affordable Housing Fund after (i) a final judicial determination, or (ii) a written agreement of all parties who, as of such date hold (or have been duly authorized to act for other parties who hold) a record interest in the Property, that the Municipality is entitled to such excess. The legal costs of obtaining any such judicial determination or agreement shall be deducted from the excess prior to payment to the Municipality. To the extent that the Owner possesses any interest in any amount which would otherwise be payable to the Municipality under this paragraph, to the fullest extent permissible by law, the Owner hereby assigns its interest in such amount to the Mortgagee for payment to the Municipality.

(e) If any Mortgagee shall acquire the Property by reason of foreclosure or upon conveyance of the Property in lieu of foreclosure, then the rights and restrictions contained herein shall apply to such Mortgagee upon such acquisition of the Property and to any purchaser of the Property from such Mortgagee, and the Property shall be conveyed subject to a Deed Rider identical in form and substance to this Deed Rider, which the Mortgagee that has so acquired the Property agrees to annex to the deed and to record with the deed, except that (i) during the term of ownership of the Property by such Mortgagee the owner-occupancy requirements of Section 2 hereof shall not apply, and (ii) the Maximum Resale Price shall be recalculated based on the price paid for the Property by such Mortgagee at the foreclosure sale, but not greater than the Applicable Foreclosure Price. **Said deed shall clearly state that it is made subject to the Deed Rider which is made part of the deed.** Failure to comply with the preceding sentence shall not affect the validity of the conveyance to the Mortgagee or the enforceability of the restrictions herein.

(f) If any party other than a Mortgagee shall acquire the Property by reason of foreclosure or upon conveyance of the Property in lieu of foreclosure, the Property shall be conveyed subject to a Deed Rider identical in form and substance to this Deed Rider, which the foreclosing Mortgagee agrees to annex to the deed and to record with the deed, except that (i) if the purchaser at such foreclosure sale or assignee of a deed in lieu of foreclosure is an Ineligible Purchaser, then during the term of ownership of the Property by such Ineligible Purchaser, the owner-occupancy requirements of Section 2 hereof shall not apply, and (ii) the Maximum Resale Price shall be recalculated based on the price paid for the Property by such third party purchaser at the foreclosure sale, but not greater than the Applicable Foreclosure Price. **Said deed shall clearly state that it is made subject to the Deed Rider which is made part of the deed.** Failure to comply with the preceding sentence shall not affect the validity of the conveyance to such third party purchaser or the enforceability of the restrictions herein.

(g) Upon satisfaction of the requirements contained in this Section 7, the Monitoring Agent shall issue a Compliance Certificate to the foreclosing Mortgagee which, upon recording in the Registry, may be relied upon as provided in Section 6(b) hereof as conclusive evidence

that the conveyance of the Property pursuant to this Section 7 is in compliance with the rights, restrictions, covenants and agreements contained in this Deed Rider.

(h) The Owner understands and agrees that nothing in this Deed Rider or the Regulatory Agreement (i) in any way constitutes a promise or guarantee by MassHousing, DHCD, the Municipality or the Monitoring Agent that the Mortgagee shall actually receive the Mortgage Satisfaction Amount, the Maximum Resale Price for the Property or any other price for the Property, or (ii) impairs the rights and remedies of the Mortgagee in the event of a deficiency.

(i) If a Foreclosure Notice is delivered after the delivery of a Conveyance Notice as provided in Section 4(a) hereof, the procedures set forth in this Section 7 shall supersede the provisions of Section 4 hereof.

8. Covenants to Run With the Property. (a) This Deed Rider, including all restrictions, rights and covenants contained herein, is an affordable housing restriction as that term is defined in Section 31 of Chapter 184 of the Massachusetts General Laws, having the benefit of Section 32 of such Chapter 184, and is enforceable as such. This Deed Rider has been approved by the Director of DHCD.

(b) In confirmation thereof the Grantor and the Owner intend, declare and covenant (i) that this Deed Rider, including all restrictions, rights and covenants contained herein, shall be and are covenants running with the land, encumbering the Property for the Term, and are binding upon the Owner and the Owner's successors in title and assigns, (ii) are not merely personal covenants of the Owner, and (iii) shall enure to the benefit of and be enforceable by the Municipality, the Monitoring Agent and DHCD and their successors and assigns, for the Term. Owner hereby agrees that any and all requirements of the laws of the Commonwealth of Massachusetts have been satisfied in order for the provisions of this Deed Rider to constitute restrictions and covenants running with the land and that any requirements of privity of estate have been satisfied in full.

9. Notice. Any notices, demands or requests that may be given under this Deed Rider shall be sufficiently served if given in writing and delivered by hand or mailed by certified or registered mail, postage prepaid, return receipt requested, to the following entities and parties in interest at the addresses set forth below, or such other addresses as may be specified by any party (or its successor) by such notice.

Any such notice, demand or request shall be deemed to have been given on the day it is hand delivered or mailed.

10. Further Assurances. The Owner agrees from time to time, as may be reasonably required by the Monitoring Agent, to furnish the Monitoring Agent upon its request with a written statement, signed and, if requested, acknowledged, setting forth the condition and occupancy of the Property, information concerning the resale of the Property and other material information pertaining to the Property and the Owner's conformance with the requirements of the Comprehensive Permit, Program and Program Guidelines, as applicable.

11. Enforcement. (a) The rights hereby granted shall include the right of the Municipality and the Monitoring Agent to enforce this Deed Rider independently by appropriate legal proceedings and to obtain injunctive and other appropriate relief on account of any violations including without limitation relief requiring restoration of the Property to the condition, affordability or occupancy which existed prior to the violation impacting such condition, affordability or occupancy (it being agreed that there shall be no adequate remedy at law for such violation), and shall be in addition to, and not in limitation of, any other rights and remedies available to the Municipality and the Monitoring Agent.

(b) Without limitation of any other rights or remedies of the Municipality and the Monitoring Agent, or their successors and assigns, in the event of any sale, conveyance or other transfer or occupancy of the Property in violation of the provisions of this Deed Rider, the Municipality and Monitoring Agent shall be entitled to the following remedies, which shall be cumulative and not mutually exclusive:

- (i) specific performance of the provisions of this Deed Rider;
- (ii) money damages for charges in excess of the Maximum Resale Price, if applicable;
- (iii) if the violation is a sale of the Property to an Ineligible Purchaser except as permitted herein, the Monitoring Agent and the Municipality shall have the option to locate an Eligible Purchaser to purchase or itself purchase the Property from the Ineligible Purchaser on the terms and conditions provided herein; the purchase price shall be a price which complies with the provisions of this Deed Rider; specific performance of the requirement that an Ineligible Purchaser shall sell, as herein provided, may be judicially ordered.
- (iv) the right to void any contract for sale or any sale, conveyance or other transfer of the Property in violation of the provisions of this Deed Rider in the absence of a Compliance Certificate, by an action in equity to enforce this Deed Rider; and
- (v) money damages for the cost of creating or obtaining a comparable dwelling unit for an Eligible Purchaser.

(c) In addition to the foregoing, the Owner hereby agrees and shall be obligated to pay all fees and expenses (including legal fees) of the Monitoring Agent and/or the Municipality in the event successful enforcement action is taken against the Owner or Owner's successors or assigns. The Owner hereby grants to the Monitoring Agent and the Municipality a lien on the Property, junior to the lien of any institutional holder of a first mortgage on the Property, to secure payment of such fees and expenses in any successful enforcement action. The Monitoring Agent and the Municipality shall be entitled to seek recovery of fees and expenses incurred in a successful enforcement action of this Deed Rider against the Owner and to assert such a lien on the Property to secure payment by the Owner of such fees and expenses. Notwithstanding anything herein to the contrary, in the event that the Monitoring Agent and/or Municipality fails to enforce this Deed Rider as provided in this Section, DHCD, if it is not named as Monitoring Agent, shall have the same rights and standing to enforce this Deed Rider as the Municipality and Monitoring Agent.

(d) The Owner for himself, herself or themselves and his, her or their successors and assigns, hereby grants to the Monitoring Agent and the Municipality the right to take all actions with respect to the Property which the Monitoring Agent or Municipality may determine to be necessary or appropriate pursuant to applicable law, court order, or the consent of the Owner to prevent, remedy or abate any violation of this Deed Rider.

12. Monitoring Agent Services; Fees. The Monitoring Agent shall monitor compliance of the Project and enforce the requirements of this Deed Rider. As partial compensation for providing these services, a Resale Fee [☒] shall [☐] shall not be payable to the Monitoring Agent on the sale of the Property to an Eligible Purchaser or any other purchaser in

accordance with the terms of this Deed Rider. This fee, if imposed, shall be paid by the Owner herein as a closing cost at the time of Closing, and payment of the fee to the Monitoring Agent shall be a condition to delivery and recording of its certificate, failing which the Monitoring Agent shall have a claim against the new purchaser, his, her or their successors or assigns, for which the Monitoring Agent may bring an action and may seek an attachment against the Property.

13. Actions by Municipality. Any action required or allowed to be taken by the Municipality hereunder shall be taken by the Municipality's Chief Executive Officer or designee.

14. Severability. If any provisions hereof or the application thereof to any person or circumstance are judicially determined, to any extent, to be invalid or unenforceable, the remainder hereof, or the application of such provision to the persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby.

15. Independent Counsel. THE OWNER ACKNOWLEDGES THAT HE, SHE, OR THEY HAVE READ THIS DOCUMENT IN ITS ENTIRETY AND HAS HAD THE OPPORTUNITY TO CONSULT LEGAL AND FINANCIAL ADVISORS OF HIS, HER OR THEIR CHOOSING REGARDING THE EXECUTION, DELIVERY AND PERFORMANCE OF THE OBLIGATIONS HEREUNDER.

16. Binding Agreement. This Deed Rider shall bind and inure to the benefit of the persons, entities and parties named herein and their successors or assigns as are permitted by this Deed Rider.

17. Amendment. This Deed Rider may not be rescinded, modified or amended, in whole or in part, without the written consent of the Monitoring Agent, the Municipality and the holder of any mortgage or other security instrument encumbering all or any portion of the Property, which written consent shall be recorded with the Registry.
