**Subject:** Update about ACC's Individual Placement structure

Dear Individual Placement Partners,

I want to extend my sincerest thanks to all of you for your understanding, kind words, and willingness to adapt to the proposed program changes that we are facing this year. It was a priority for me and the staff to include our partners in this process, and I was amazed by the participation.

After reviewing all the responses from the survey, the program staff has been able to identify an effective configuration of the 11 members in the most beneficial way to our partners. There will be minimal cuts to placements. All assigned placements will be **one day per week**. This structure allows us to host additional smaller group service projects that will benefit many community partners.

You will receive communication from either Phoebe or Mike regarding your placement award and day assigned shortly. If a one-day assignment is no longer feasible for your organization, please contact me to discuss foregoing this placement.

Please save the date for the **Year 24 Swearing-In Ceremony scheduled for 9/28 at 10 AM** on the front steps of the Superior Court House. After the ceremony, I would like to invite you to an early luncheon up in the Harborview Room that provides a great chance to meet the members. There will be a variety of food available for all dietary types. At 1 PM, there will be a speed networking session for the members to learn about our service partners' professions and then we will jump right into the required IP training from 1:30 PM to 3 PM.

Please note that all events will be in-person. Program staff will monitor reports of COVID-19 transmission rates and determine if changes need to be made to ensure the safety of members, staff, and service partners.

I look forward to our partnerships thriving in Year 24!

Sincerely,

**Kat Garofoli**

RE: Letter of Support

To Whom It May concern:

This is a letter of support for the Harwich Cemetery Director, Robin Kelley. I fully support her continued efforts in representing the town of Harwich veterans who have served this country valiantly with a Revolutionary War Memorial/Civil War Memorial. Her dedication and perseverance in vetting veterans who went into the service from the town of Harwich is very commendable. As a Veteran Service Officer for Barnstable County and the Town of Harwich, I absolutely support this project.
