RE: Proposal for Visit and Scorecard Review

Dear Roman,

Thank you for your email requesting a visit and report. It was good to hear from you and I appreciate getting the opportunity to provide this proposal.

I propose to visit Cranberry Valley Golf Course for the purpose of evaluating the positions of the existing teeing grounds in order to provide a recommended hole distance and overall yardage for each marker. I will plan to spend about a half day at the course confirming the position of each existing tee.

Based on the visit and evaluation, I will provide a proposed scorecard along with a scaled sketch of each teeing ground showing the proposed location of each markers card distance.

My fee for the visit, scorecard and sketch plans for each tee will be \$1,850.00 including all expenses.

Please let me know if this is acceptable and I will make arrangements to visit soon.

Respectfully submitted,
