Ok, let me know once the registration has changed so I can start your 30 days at that point. Unfortunately since it isn't registered to you at this time, it does not count toward your 30 days.

Hi Michelle

My boat is on the mooring and has been the summer. I got an email from the harbormaster regarding the co ownership issue we are working on changing the title per the email

Thanks
Patrick

The Harbormaster and Deputy Harbormaster recently did a check of moorings at Herring River. During our check, we did not see a vessel occupying your mooring and our records do not indicate that you used the mooring earlier in the season. In order to meet the 30 day regulation, a boat registered/owned by you must occupy the mooring for 30 days during the boating season which is from Memorial Day to Columbus Day. Once your boat is on the mooring, please email Billy Neiser at wneiser@town.harwich.ma.us so he can update the record. If our records are incorrect, please let me know when you were occupying the mooring and I will be sure to update the record. If you are unable to occupy the mooring, you can send your request for a one-time waiver to Harbormaster John Rendon at jrendon@town.harwich.ma.us.

Thanks,

Michelle N. Morris
