| Hi Michelle, I had a discussion with the harbormaster about my name being on the title of  
| boat. Enclosed is the title application I filled out in March and sent along with the certified mail receipt  
| showing I sent. I will call Mass Environmental Police to find out what the issue is.

Mr. O'Malley,

The Harbormaster did a check of Herring River and found that your vessel wasn't displaying the mooring permit sticker on the transom or the current registration sticker (MA issued should have 20 on it) on the bow. Please affix stickers and let me know once that has been done.

Thanks,
