Mr. O'Malley,

As requested, I approve a **one-time waiver** of the Harwich Harbor Management Plan regulation that requires you to occupy your Herring River mooring (permit #409) for at least 30 days during the boating season (Memorial Day to Columbus Day). This waiver is for the 2018 boating season. Good luck with your boat repairs. regards,

Subject: Mooring 409 Herring river

Dear Harbormaster Rendon,

I have a mooring at the Herring River number 409. We have had some mechanical issues with the engine and also had to replace the fuel tank on the Boat (Grady White) as a result we are requesting a waiver of the 30 day use rule. Hope to have the Boat back shortly the boat yard has been very slow fixing the issue.

thanks
Patrick O'Malley
