FINANCIAL REPORT: Presented by Harbormaster Rendon

NEW BUSINESS:

1. Appeal of Harbormaster action to revoke mooring permit held by Patrick O'Malley. Harbormaster Rendon stated there was non-compliance with requirements of the Harwich Harbor Management Plan because the vessel was not properly registered to Mr. O'Malley. This was brought to the attention of Mr. O'Malley in 2017 and still has not been resolved, which led to the permit being revoked. Harbormaster Rendon has offered assistance to correct the issue. A motion was made by Jay Walpole to allow a 90 day extension to properly re-title and re-register the boat to Patrick O'Malley since Mr. O'Malley claimed the Covid Pandemic had made it difficult for him to resolve the matter. By accepting this offer he will waive any appeal at the end of the 90 days. Motion seconded by Dan Hall. All members were unanimous.

2. Proposed Shellfish Permit Rates for 2022 – Natural Resources Director. Presented by Harbormaster Rendon due to Natural Resources Director Proft's absence. A motion was made by Dan Hall to approve the recommendations made by Natural Resource Director Proft. Seconded by Jay Walpole. All members were unanimous.
