

FIRST READING: UNDERSTANDING WEEKEND TEE TIME
ALLOCATION (ADDENDUM)

RATIONALE: Many Annual Fee Players have raised concerns this year of the COVID with the lack of available tee times. The Committee has acted accordingly in addressing many of those issues. One issue of concern, not addressed, are AFP that occupy a tee time on a weekend day (Fr -Sat -Sun) designated as an 18 hole round of golf. The problem is that they take the liberty of only playing **Nine** holes, and then leave for home or elsewhere. This is a disservice, to say the least, to any AFP excluded from this opportunity to use that tee time as designated. Therefore, the following policy is proposed:

It is strongly suggested that all weekend tee times from the first tee time until noon be regarded as an 18 hole obligation to play a round of golf to completion.

Respectfully submitted for consideration,
