Hinckley's Pond Remediation & Public Access, 2018 Article #57, Harwich Conservation Agent Amy Usowski

Hinckley's Pond Public Access – Waiting on engineering to be able to assist with plans.

I have met with the town engineer a while ago and told him the scope of services we need. He was going to put out a scope of services for contractors to bid on to assist with the plan. I have not heard from him. I will check in with him on both projects.
