Scrolling to the bottom of the screen will show Supra Max and the Supra S5(Most Common) Lock boxes. These are used for residential use.

On the top left side of the screen clicking on **Rapid Entry Key Lock Boxes** will bring up Lock boxes that are used for commercial applications. SupraSafe 2HS and 2HSR(needs to be installed by building owner) can carry up to 13 keys.

Completing the purchase:

Add the desired Lock box to your cart.

Create an account, top right of the website

Hover over the “Shopping Cart”, top right and click on “Checkout”

Follow the prompts.

Once the Lock box arrives, please call the Fire Department for installation. We will need a spare key to place in the box.
