

Lower Cape Housing & ADU Resource Center

community development partnership

Community Development Partnership (CDP)
and Homeless Prevention Council (HPC)
have teamed up to address the
Lower Cape year-round housing crisis

The Lower Cape Housing & Accessory Dwelling Unit (ADU) Resource Center will offer:

- Financial incentives, technical assistance, and other resources to eligible homeowners interested in building an ADU, also known as an in-law suite, basement apartment, etc.
- Housing Stability Fund for residents who are not otherwise eligible for housing support and are at greatest risk of becoming homeless
- Resident services to landlords and tenants to promote positive tenancy and long-term rental success
- Online resource library and community training
