RE: Request for Departmental Input

Case #2022-26

I have reviewed the application for a Special Permit to raze and rebuild a single family dwelling at 22 Ocean Avenue. The Health Department will want to see a site plan showing to scale the setbacks from the new dwelling to the existing septic system. We do not have enough information to determine if we will be able to approve the project as proposed. Should you require further information, please do not hesitate to contact me.
