To: Zoning Board of Appeals  
From: Carrie Schoener, Senior Health Agent  
Date: November 10, 2022  
RE: Request for Departmental Input

---

#### Case #2022-29

I have reviewed the application for a variance for an exchange of buildable upland between the two properties. The site plan does not show the septic system location. Self-created variances would not be permissible. If the septic systems still meet all setbacks of the new lot line, then the Health Department has no issues.

Should you require further information, please do not hesitate to contact me.
