Re: Case No. 2022-29

To the Harwich Zoning Board:

My wife and I are owners of 25 Trout Brook Road, which abuts the lot 27 Sound View Road and own a 50% beneficial interest in 27 Soundview LLC. I fully support the amendment to a Variance for the equivalent exchange of 750 square feet of buildable upland to be changed to 640 square feet. The amendment reduces the exchange of square footage and will not result in any change in nature of the neighborhood. Further, I am supportive of the exchange generally as I expressed during the hearing on the original amendment last year.

Sincerely,

John Leong, MD, PhD
