

November 18, 2022

To: Zoning Board of Appeals, Town of Harwich
732 Main Street, Harwich, MA 02645

Dear Sirs,

We are writing to support the zoning request of our neighbor John and Lisa August.

The Tern Inn has been an asset to the neighborhood for many years. The proposed renovations will not affect the property values or the single family zoning designation of the neighborhood. The August's have been an important advocate for the well being of the surrounding area of Chase Street.

We again advocate for the zoning variance or special permit that has been requested.

Sincerely,

Juliet and Sheldon Brown
72 Chase Street
West Harwich, MA 02671

John,
Please let me know that this letter gets through to you. My computer skills are not the best.
Sheldon

Please forward to zoning board of appeals.

I am a resident of Chase st. and Shoal Hope Dr. in w. Harwich both directly across from the Tern Inn.

We and my surrounding neighbors consider ourselves lucky and proud to have the inn here.

John and Lisa August have made attractive improvements to their property. Never any noise .Never any litter. Well groomed property. Very friendly.

We support them in their efforts to improve their cottages and hope you will, too.

p.s. How can the board challenge the Augusts while totally ignoring the property at the corner of Shaggy Pines and Pleasant streets which has been harboring animals and rubbish for years??

Sincerely,
Claudia Crockett
5 Shoal Hope Dr
W. Harwich, Ma.
