RE: 61 Shore Road, ZBA Hearing March 29

To the Harwich ZBA

We are writing to the board in support of the application of Jim and Tracy Fish for a special permit to replace the existing home at 61 Shore Rd. with a new home. We are familiar with the project and have been kept up to date on the planning progress by Jim and Tracy. They also informed us of their commitment that there will be no construction in the busy summer months of July and August.

We own the property at 65 Shore Road immediately abutting and to the east of the 61 Shore Road property and believe the new home will be fit very well into the character of the neighborhood. We support the project.
