RE: Request for Departmental Input

Case #2023-24

I have reviewed the application for a Special Permit to renovate and construct an addition onto a pre-existing, non-conforming single-family dwelling located at 34 Edgewood Road. The septic is designed for 4 bedrooms, the plans do not show an increase in bedrooms. All setbacks to the septic are being maintained. The Health Department has no concerns with the project as proposed.

Should you require further information, please do not hesitate to contact me.
