RECEIVED  
TOWN CLERK

The accompanying plan does not require approval by the Planning Board because:

- 1. The lots are created on an approved way, with proper frontage and are served by safe and adequate access as follows:
  - a. Every lot shown on the plan has frontage of at least such distance as is presently required by the Zoning Code of the Town of Harwich under Article VI: §325-15 and §325-16, Table 2 which requires \_\_\_\_\_ feet for erection of a building on such lot, **and**;
  - b. The lots shown on such plan front on one of the three types of ways specified in Chapter 41, Section 81L, MGL, **and**;
    - a public way or a way that the Harwich Town Clerk certifies is maintained and used as a public way namely \_\_\_\_\_, or
    - a way shown on a plan previously approved and endorsed in accordance with the subdivision control law namely \_\_\_\_\_ on \_\_\_\_\_ and subject to the following conditions \_\_\_\_\_; or
    - a private way in existence on March 25, 1949, the date when the subdivision control law became effective in the Town of Harwich, and
  - c. The public or private way named above has, in the opinion of the Board, sufficient width, suitable grades and adequate construction to provide for the needs of vehicular traffic in relation to the land abutting or served thereby, and for the installation of municipal service to serve such land and the buildings existing thereon to be erected.

**PROOF OF SAFE AND ADEQUATE ACCESS** – Please attach all necessary documentation to this application for:

- Determination of Safe and Adequate Access for existing conditions
- Satisfaction of Safe and Adequate Access for proposed conditions

2. The accompanying plan is not a subdivision because the plan does not show a division of land.

3. The division of the tract of land shown on the accompanying plan is not a "subdivision" because it shows a proposed conveyance/other instrument, namely \_\_\_\_\_ which adds to/takes away from/changes the size and shape of, lots in such a manner so that no lot affected is left without frontage as required by Zoning Code of the Town of Harwich under Article VI: §325-15 and §325-16, Table 2 which requires \_\_\_\_\_ feet.

4. The division of the tract of land shown on the accompanying plan is not a subdivision because two or more buildings, specifically \_\_\_\_\_ buildings were standing on the property prior to March 25, 1949 the date when the subdivision control law went into effect in the Town of Harwich and one of such buildings remains standing on each of the lots/said buildings as shown and located on the accompanying plan. Evidence of the existence of such buildings prior to the effective date of the subdivision control law as follows:

5. Other reasons or comments: (See MGL, Ch41, §81-L)
