RE: Request for Departmental Input

---

**Case #2024-05**

I have reviewed the application for a Special Permit to raze and rebuild a single-family dwelling at 9 Hiawatha Road. The proposed project will require Board of Health filing for a reconsideration of previously approved variance conditions, no increase in square footage, habitable space, or number of bedrooms. There is currently a three (3) bedroom deed restriction on the dwelling.

Should you require further information, please do not hesitate to contact me.
