RE: George and Karen Oliver and Oliver Homes LLC  
Appeal #2023-4 and 2023-12

Dear Mr. Berry:

As you may recall I am representing George and Karen Oliver and Oliver Homes LLC with respect to the above appeals that are now scheduled for May 8, 2023.

The Board had given me time to file a response to the letter of April 5, 2023 filed by the opposition so that my response together with the opposition's letter could be referred to Town Counsel. I am working on my response and hope to have it in very soon. But in any event, I understand that the Town Attorney is in the midst of town meeting duties and may not be able to review the matter by next Tuesday. Therefore, I am respectfully requesting that the above matters be rescheduled to May 23, 2023 at 6:30 PM in order to provide sufficient time for the Town Attorney to review the question as to whether any relief is required from the Zoning Board of Appeals as argued by the opposition.

Thank you very much for your attention to this matter and your consideration.

Sincerely,

Charles M. Sabatt
