### SUMMARY OF PROCEEDINGS:

#### Findings

1. The subject property is located at the 0 Standish Woods Circle and Chestnut Lane, Harwich (Assessors Map 112, Parcel Cf-64), which is located in Residential Rural and the Water Resource Protection Overlay zoning districts. The lot size is approximately 81,893sf.
2. Applicants, the Standish Woods Homeowner Association, Inc, and the Town of Harwich, as part of its Comprehensive Wasterwater Management Plan, propose to build a Water Pump Station (325sf) on-site, which triggers site plan review jurisdiction under Harwich Zoning Bylaw (HZB) Section 325-55.
3. The primary purpose of the project is to is to implement Phase III: Wastewater Pump Station project. Phase III: Wastewater Pump Stations are essential and critical infrastructure projects servicing the Town of Harwich.
4. The applicant has applied under HZB Section 325-55 (F) for a Waiver of Site Plan Review.
5. The proposal meets the standard to grant a Waiver of Site Plan Review. The proposal does not substantially change the relationship of structures to the site or to abutting properties and structures. The proposed Water Pump Station is part of the Town's Comprehensive Wastewater Management Plan infrastructure project that will benefit the Town. The proposal has been supported by the Town and publicly vetted at multiple stages of planning including Comprehensive Waste Management, Capital Infrastructure Plan, and Annual Town Meetings.
6. The application is dated December 22, 2023 and includes the applicable and relevant submission materials required by the Board, and otherwise meets the applicable administrative requirements of the Harwich Code. Among other things, the application includes:
  - Chestnut Lane Pumping Station Certified Plot Plan, Figure 1, Sheet CS500 and Sheet L500 by GHD, Inc., dated August 2023.
