Adult Only Retail Store Requirement

This form is for official use to indicate that the owner(s) of this establishment has received and understands sections of the Harwich Board of Health Regulation Restricting the Sale of Tobacco as they relate to Adult-Only Retail Stores.

An adult-only retail store is defined as an establishment that does not share space with another business, that shall have a separate public entrance, that does not sell food or alcohol, that does not have a restaurant license or a lottery license, whose only purpose is to sell or offer for retail sale tobacco products and/or tobacco product paraphernalia, in which the entry of persons under the age of 21 is prohibited at all times, and which maintains a valid permit for the retail sale of tobacco products from the Town of Harwich Board of Health and applicable state licenses. Entrance to the establishment must be secure so that access to the establishment is restricted to employees and to those 21 years old or older. The establishment shall not allow anyone under the age of 21 to work at the establishment.
