This is to certify that the installation of stop signs at the intersection listed above meets at least one of the following warrants as set forth in the Manual on Uniform Traffic Control Devices of the Department of Public Works, Commonwealth of Massachusetts:

(check applicable warrant(s))

- ☐ Intersection of a less important road with a main road where application of the normal right-of-way rule is unduly hazardous (two cross-type accidents in a one year period would be considered unduly hazardous)
- ☐ Unsignalized intersection in a signalized area.
- ☒ A combination of high speed, restricted view, and serious accident record indicates a need for control by the STOP sign.

This is to further certify that the street listed above under "Street Stopped" carries the lesser volume of traffic at this intersection.
